A. Discussion

Fundraising:

Agreed that fundraising can have 3 different workstreams.

- Fundraising to support athletic operations
 - Focus areas include sport teams uniforms, sport teams celebrations, transportation, etc.
 - Addressed through Snap race and Athletics resources
- Fundraising for strategic plans for the school
 - Focus areas include company sponsorships, gym, career development, etc.
 - Addressed through the Development committee
- Fundraising to support standard academic operations
 - Focus areas include anything outside athletics such as school clubs, field trips, etc.

- Addressed via the PTSO

Value Proposition for RTHS:

- School engagement team is working on it.
- Message is already clear on the website. No need to change that part.
- The work needs to be done on what RTHS brings to sponsors, parents, etc.
- Abid to draft some couple of value points to give to Akiba

Goals for 2024-2025 School Year:

- Aspiration: We should try to have \$50K per year coming out of fundraising
- Activities that could help with \$50K
 - Company sponsorships
 - Giving Tuesdays
 - Alumni engagement
 - Ideally need someone to help with this full time
 - Angelina should be part of the development committee – Akiba to provide her e-mail before next meeting.

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 1:00 PM.
