BPS Joint Board Metrics 23-23

- FY24 Network goals progress monitoring was presented which highlighted Academic Achievement, Family Satisfaction, Staff satisfaction, and Fiscal Stewardship as the areas of focus.

Academics

- All scholars have taken the diagnostic i-Ready testing this Fall. Data is used to identify and organize scholars for targeted support and interventions.
- Fall i-Ready Results – expect numbers to be similar year through year. Results are not used to inform in-year strategy, but rather to provide data-driven underpinnings for school-based tactical planning.

- As a result of advancements in our data infrastructure, BPS can compare i-Ready historical achievement data in new and exciting ways. The data will be used to help resolve environmental factors or issues.

NLT SY24 Master Roadmap

- Juliet gave an update on Network goals, department priorities, functional priorities, aligned actions, transparent progress monitoring, unified org-wide strategy and the Roadmap.
