1. Visitor's Comments

Each regular business meeting opens with an opportunity for visitors to make comments to the board. Persons who wish to address any subject concerning education may do so at this time. The board president will call the meeting to order and then ask for comments from the audience. Patrons are asked to keep their remarks concise. This portion of the meeting shall not exceed one-half hour and those addressing the board are asked to limit their remarks.

1. Addressing Agenda Items

1. A person wishing to address an item on the official agenda during the business portion of the meeting must complete a request form, these forms are located as you enter the board room. The form is to be completed and returned to the Board Secretary/Clerk prior to the start of the meeting. Persons may speak only once on an agenda item and for no more than three minutes without consent of the board. In the event board members agree that the normal flow of business is being unnecessarily delayed, they may, by majority vote, waive public participation.
