D. Personnel Policy-Parental Leave

Mary presented a proposed revision to the VCS parental leave approved by VCS' Counsel. The proposal was to increase the parental leave from 60 days to 100 days, to require employees to utilize all accumulated sick leave prior to earning parental leave, and to allow VCS (not the employee) to choose the lesser daily rate between 50% or dock sub pay. Laura read a letter from several teachers who requested the board not require employees to utilize all their sick leave prior to beginning parental leave. The time allotted for this discussion was extended twice to allow for much discussion and numerous questions.

The board did not want to take away a perceived benefit of not having to use all their sick leave first. A motion was made to increase the parental leave from 60 to 100 days, to allow employees to utilize Parental Leave without using up all their accumulated sick leave, and to allow VCS to determine the daily rate between 50% pay or dock sub pay whichever is less.

Eva Oxelson made a motion to approve the revised language to the Parental Leave Policy as discussed to become effective August, 2017.
