### E. Teacher Report

Laura reported that Kindergarten classrooms have been building their classroom **communities and teaching the daily routines to students. They have received some Expeditionary Learning English Language Arts materials and have been spending time creating various schedules of how they might be restructuring the Kindergarten day to get in the 3 hours of ELA time. Both classes have made t-shirts for field trips and they have our first field trip scheduled for the first day back from Fall Break which will be to Underwood Family Farms in Moorpark. They have also been focusing on getting students ready for Outdoor school next week at Campout. The first graders have been focusing on a mini unit of "Growth Mindset and Perseverance" and are also ready to kick off the new ELA program. The third and fourth graders have been focusing on their Spark Project**

(which will become the **Passion Project**). Students will be busy learning about the sparks (our passions in life that create excitement and enthusiasm) inside them. They will explore their classmates' sparks and a family member's spark to get a broader perspective on different sparks. Tomorrow, the third and fourth grade classes will host a **SPARK DAY!** It will be like a career day except the adults will be sharing about their sparks in life. They have about 20 parents sharing their sparks students such as a barbershop chorus, musicians, artists, video game designers, business owners and much more! If you are free and would like to come see **Spark Day**, they welcome any Board members tomorrow.
