B. Parent Liaison Report

Tony reported on the PAC meeting. The general consensus of parents was that if the teachers believe it's best we should trust them. Others agreed that having math for only one hour a day doesn't work; one parent noted that her family will be sad not having such a diverse age friend group; many were happy to keep looping.

III. Items Scheduled for Information, Discussion and/or Action

A. Grade Level Discussion

Cece asked about a loss of community; Lisa stated that she believes having whole classes stay together for two years should build a stronger community; it will give better flexibility for big/little buddy groupings; maybe also a plus for parents to work in the classroom for two years in a row; there will still be many opportunities for cross age groupings and activities.

Eva Oxelson made a motion to approve straight grade levels from 1st-4th grades beginning in the 2018-19 school year.

Deanna Weik seconded the motion.

The board **VOTED** unanimously to approve the motion.
