A. Admissions Policy for 2021-2022	Vote	Jennifer Taylor	5 m
Currently, our admissions policy requires high school applicants to sit for an in-person English/Reading placement exam in order for their application to be considered complete and included in the lottery. Due to current (and anticipated future) building access restrictions due to the COVID pandemic, and a desire to limit the number of visitors to our campus			

buildings, we would like to propose waiving the required English/Reading placement test for those students applying for admission to the high school for the 2021-2022 academic year.
