

**NORTHWOOD ACADEMY CHARTER SCHOOL**  
*A Learning Sanctuary*

## **COST / BENEFIT ANALYSIS**

**CBA #:** 2023.34

**Date:** 8/11/2023

**Budget Category:** ESSER III

**Prepared By:** Michael McLeish, Anastasia Reilly, Barbara Guillory

**Request:** Ascend Math Software

---

**Overview of the Project:** Ascend Math software provides personalized online math instruction. The quote includes software licensing for 125 seats for a period of three years.

**Projected Cost:** \$11,550

**Cost Details:** Three year's cost of the software to run through ESSER funding.

**Benefits:** Northwood is in dire need of additional math programs to accelerate growth and combat learning loss. The software can be funded through ESSER and will provide a valuable tool for teachers to increase development in upper level math.
