

Northwood Position Rationale

Position	Rationale
Specialized Services Case Manager	<p>As the Special Education Dept at Northwood Academy Charter School expands its programs and the Director's role is continuously expanding, the responsibility as program analyst, developer, leader, manager, supervisor, evaluator of all specialized services' programs and educational/instructional needs for students with disabilities aged 3 to 15, and legal representative for NACS, the director's role has become quite an extensive feat.</p> <p>The Specialized Services Case Manager will be needed as the manager and department's liaison, answering and filtering questions, providing guidance, and supporting the members of the Special Education Teams. This person will play the important role of liaison and LEA Designee between and for the Director and staff, along with the inside/outside agencies and parents/guardians.</p>
