The board engaged in further discussion regarding legal fees and past due invoices. The board will review documentation and follow up with the legal team during the August Executive Session.

P. Kleschick granted an opportunity for staff to ask additional questions or provide comments.

- How were new school administrators selected?
- Were staff members involved in this process?
- This is not a question, just a comment that all teachers were evaluated by administration for our annual observation. In our handbook, teachers at Northwood for 3 years or less get 2 and those there longer get 1. I just wanted to make that known. I think you were referencing non-instructional staff earlier but I wanted to note this.

Respectfully Submitted,
