Ms. Daly questioned the rationale of the study due to the line item being over budget on the run rate and not waiting until next year to do the study. Ms. Spraga provided the context of needing the study to ensure that staff are being paid comparable rates. We need to solve for the over budget of the run rates. Ms Hunt shared that we go into contract negotiations with the union in January so we need to understand the salaries to have the knowledge for negotiations. The study is for all staff, instructional and non-instructional. Mr. Serino asked for clarity regarding the inclusion of Comp Study and the monthly retainer are already accounted in the run rate.
The committee **VOTED** unanimously to approve the motion.

H. Discussion: Updated Elevator Quote Review

The updated elevator quote will be presented in the October Board meeting.

I. Discussion: RFP status for Facilities and Security.

The RFP has been posted on the NACS website and 5 companies were sent the RFP. Ms. Spraga instructed Ms. Daly and Mr. Jones to have the companies that do not provide security to have them to provide the facilities quote separately. Ms. Daly asked if we should ask the CSO for assistance to get access to the SDPs Oracle website to add the RFP. Ms. Spraga does not want them to reach out to the CSO at this time.

J. Discussion: Content of the Dining RFP

Ms. Spraga will review this RFP and respond to Ms. Daly & DOO Jones by email.

K. Discussion: Additional Contracted Special Education Teacher

Frank will discussed the need to add a SPED position based on the legal number of students per caseload. He will need to follow up with Total HR and a package will be put together for approval at the November Finance meeting.
Walk On Items:

- PSSA coordination support and other support positions to be reviewed with Total HR.
- Adding to the agenda for November meeting to update the budget to the 14% run rate as we are currently operating under the 4.5% per pupil allotment.
- Update and address the current run rates. Also discussing the likelihood of the per pupil allotment not being at this same rate in the future.
