Discussion: Mortgage Re-Finance

Univest is continuing our current rate of 4.5% through December 15, 2025. We need to show that our Charter has been approved prior to that date or they will move the mortgage into an adjustable rate.

I. Discussion: Status of the current RFP's

Tours of the building continue for RFP bids. Three submissions are still outstanding and those that have been submitted are 30-50% higher than what we are currently paying for these services.

J. Discussion: Possibility of 3 SPED students moving to APS

There are three students that require placement and the facilities that have space are in New Jersey. This means there would be no 4010 pass through due to them being out of state. This would have an impact on future budgets.
