II. Financial Reporting

A. Financial Statement Review

G. Wallis, Treasurer, presented the January financials. The statement of financial positions shows that Edison's accounts receivable is up 321,661 due to Title and The Mind Trust billing. The financials shows that Edison is in good standing. There was a higher level of salary expenses due to there being 3 payrolls in January. The total revenue in budget vs. actuals shows \$79,000 favorable. We over budgeted \$16,000 for TAG but received \$13,367 from IPS. The finance team will meet with the accountants to discuss reclassification of arts integration other professional services, contingency expenses, assistant principal salary/benefits, COVID-19 fund expenses and adding a restricted account fund to the financials.

B. Budget Review

The monthly SBA is going to be negatively impacted the 2nd half of the year due to lower projected ADM student enrollment.
