The address and phone number of the local DFEH and EEOC offices can be found in the government sections of your local telephone directory or online.

E. Employment At Will

The Handbook is not a contract guaranteeing employment for any specific duration. Nothing in this Handbook creates, nor is intended to create, a promise or representation of continued employment for you. **Your employment with HSHMC, Inc. is at all times "at will,"** which means that either you or HSHMC, Inc. may terminate this relationship at any time, for any or no reason, without cause or notice.

Similarly, your status (for example, position, duties, salary, promotions, demotions, etc.) may be changed at-will, with or without cause and with or without notice at any time. Nothing in this Handbook or in any document or statement shall limit the right to terminate employment at-will or limit HSHMC, Inc.'s right to transfer, demote, suspend, administer discipline, and change the terms and conditions of employment at its sole discretion. No manager, supervisor, or employee of HSHMC, Inc. has authority to enter into an agreement for employment for any specified period of time or to make an agreement for employment other than at-will. Any agreement that alters the "at-will" nature of employment must be approved by the Board of Directors and signed by the CEO and the employee.

F. Open Door Policy

We are always looking for ways to make HSHMC, Inc. a better place to work. Employees who have job-related concerns or complaints are encouraged to discuss them with their supervisor or any management representative with whom they feel comfortable. HSHMC, Inc. believes that employee concerns are best addressed through this type of informal and open communication.

Employees are encouraged to raise work-related concerns as soon as possible after the events that cause the concern. Employees are further encouraged to pursue discussion of their work-related concerns until the matter is fully resolved. Although HSHMC, Inc. cannot guarantee that in each instance the employee will be satisfied with the result, HSHMC, Inc. will attempt in each instance to explain the result to the employee if the employee is not satisfied.

HSHMC, Inc. will attempt in each instance to keep all such concerns, the results of any investigation, and the terms of the resolution confidential. In the course of investigating and resolving the matter, however, some dissemination of information to others may be necessary or appropriate.

HSHMC, Inc. believes an open-door policy is the best way to ensure effective communication among all employees.

Open communication requires mutual respect among individuals regardless of their position and HSHMC, Inc. requires all employees to treat each other with respect.

Such evaluations neither create, nor are intended to create, a promise or representation of continued employment or compensation level at HSHMC, Inc. Positive performance reviews will not necessarily result in wage increases. Rather, wage adjustments may be made at any time at the sole discretion of HSHMC, Inc. and depend on a number of factors, including performance, length of service, budget availability, and comparable salaries in other organizations.

HSHMC, Inc.'s provision of performance evaluations does not alter the at-will employment relationship. Nothing in this policy shall limit the right to terminate employment at-will or limit HSHMC's right to transfer, demote, suspend, administer discipline, and change the terms and conditions of employment at its sole discretion. Failure by HSHMC, Inc. to evaluate the employee will not prevent HSHMC, Inc. from transferring, demoting, disciplining, or terminating an employee. Should you discover an error on your time record, or if you were not scheduled for or prevented from taking any meal period or rest break to which you were entitled, you are expected to immediately report this situation in writing to payroll or to your supervisor so that it may be promptly addressed.

Meal Periods

HSHMC, Inc. provides a one-half (½) hour meal break for its non-exempt employees who work five (5) or more hours in a day.

Non-exempt employees who work this amount of time are permitted to take at least a one-half (½) hour lunch break, unless the work period is no more than six (6) hours and the meal period is waived in writing by mutual agreement.

Non-exempt employees working in excess of ten (10) hours in a day will be permitted to take a second one-half (½) hour unpaid meal period, unless waived in writing by mutual agreement. Non-exempt employees working in excess of 12 hours are not permitted to waive the second meal period.

You must commence the meal period before you complete your fifth hour of work. Thus, if you begin working at 8:30 a.m., for example, you must take your meal period prior to 1:30 p.m. A second meal period of not less than 30 minutes is also required whenever a non-exempt employee works more than 10 hours in a workday.

Rest Periods

In addition, non-exempt employees are provided a ten (10) minute rest break for more than every four (4) hours worked or major fraction thereof. For example, if a non-exempt employee works for six (6) hours, the employee is authorized and permitted to take two (2) separate ten (10) minute rest periods in addition to their meal period. HSHMC, Inc. will generally not authorize a rest period for an employee whose daily work time is less than two hours.

Insofar as practicable, rest periods should be taken in the middle of each work period. Rest periods may not be accumulated, added to lunch breaks, or used to leave work early. Employees are relieved of all duty during their rest periods.

Rest periods are counted as hours worked and, thus, employees are not required to record their rest periods on their time cards.

F. Lactation Breaks

Employees may use their meal and/or rest periods for the purpose of expressing breast milk. If required, a reasonable amount of additional time will be provided. Such additional time will be unpaid.

HSHMC, Inc. will also make a reasonable effort to provide the employee with the use of a room, or other location in close proximity to the employee's work area, for the employee to express milk in private.

Employees should notify their immediate supervisor or to the Director of Human Resources if they are requesting

additional time to express breast milk under this policy.

G. Overtime

When operating requirements or other needs cannot be met during regular working hours, employees may be asked to work overtime. Employees will be required to work overtime when requested. When possible, advance notification of these assignments will be provided.

Overtime compensation is paid to all non-exempt employees in accordance with federal and state wage and hour laws. All non-exempt employees who work more than eight (8) hours in one workday or more than forty (40) hours in one workweek will receive overtime pay computed at a rate of one and one-half (1 ½) times the employee's regular rate of pay. Overtime will be paid to non-exempt employees at a rate of double the employee's regular rate of pay for all hours worked in excess of 12 hours in one workday. HSHMC, Inc. does not permit employees to take time off in lieu of receiving overtime pay.

You must receive prior written authorization from your direct supervisor before working overtime. Overtime worked without prior authorization may result in disciplinary action, up to and including possible termination of employment.

H. Payroll

HSHMC, Inc. offers convenient electronic transfer and employees are strongly encouraged to use this option. If an employee elects the electronic transfer option, it will remain in effect until you notify HSHMC, Inc. in writing to terminate your authorization or replace it with a substitute authorization and HSHMC, Inc. and the designated bank(s) have sufficient time to act on it. Otherwise, checks and itemized wage statements will be mailed to the employee's current address on record, or picked up upon employee's request. It is the responsibility of the employee to inform their supervisor or the Director of Human Resources of any change to their address.

If your paycheck or itemized wage statement has an error, contact your supervisor or the Director of Human Resources immediately to discuss and correct it. It is your responsibility to report any inaccuracy on your paycheck or wage statement. HSHMC, Inc. will endeavor to correct all errors as soon as reasonably possible.

Lost checks should be reported to the Director of Human Resources immediately.

I. Expense Reimbursement

Expenses incurred in connection with HSHMC, Inc. business will be reimbursed as set forth herein. Compensation for travel to professional development outside of contracted hours will be provided as a set stipend. For conferences or other professional development activities that occur on the weekend, staff will be compensated a flat rate of \$300 per day while participating in the event (this excludes travel days). If travel needs to occur on a non-contracted day, staff will receive a travel stipend of \$100. All trainings and conferences need to be pre-approved and documented in Paycom at the time of approval.

Contact the Director of Human Resources regarding eligibility requirements and further information concerning COBRA continuation coverage.

HSHMC, Inc. will provide you and your qualified beneficiaries with notice of your rights under COBRA upon a COBRA qualifying event and as otherwise required by law.

F. California State Disability Insurance

Under the California Unemployment Insurance Code, State Disability Insurance (“SDI”) benefits are payable when you are disabled from work because of non-occupational illness or injury. If you are eligible for SDI, you must complete a claim form, which you can get from your doctor’s office. You pay for this insurance through payroll deductions. This program is administered by the State of California’s Employment Development Department (“EDD”).

G. Family Temporary Disability Insurance Act (California Employees)

Under California law, eligible employees may participate in the Paid Family Leave (“PFL”) program, which is part of the state’s unemployment compensation disability insurance program. The PFL program provides up to eight weeks of partial wage replacement benefits to employees who take time off to care for a seriously ill child, spouse, parent, registered domestic partner, siblings, grandparents, grandchildren, or parents-in-law or to bond with a new child. You should contact the Social Security Administration [www.SSA.gov] to obtain details regarding your benefits and credits under the program.

Employees who contribute to CalSTRS are exempt from paying FICA. CalSTRS reporting will be made through the district according to established guidelines from the State Teachers Retirement System. The employee will make regular contributions and the employer will make matching contributions at the established rate set by CALSTRS. You should visit www.calstrs.com for further information in regards to your CalSTRS contributions.

V. LEAVE OF ABSENCE POLICIES

A. Discretionary Personal Leaves of Absence

HSHMC, Inc., in its sole discretion, may allow an employee to take a personal leave of absence for up to a maximum of ten (10) days per year. The decision to allow for any additional days of leave is at the sole discretion of HSHMC, Inc. Employees granted a personal leave of absence have no right to guaranteed reinstatement.

Every employee should consult with the Director of Human Resources before taking a personal leave of absence to ensure he/she is aware of his/her obligations while on leave, including, but not limited to, periodic reporting, wage discrepancies, and verification obligations. Failure to comply may substantially affect an employee's ability to return to work under this policy.

Employees do not continue to accrue vacation, sick leave, or holiday benefits while they are on unpaid discretionary leaves of absence. Unless otherwise required by law, HSHMC, Inc. does not continue to pay premiums for health insurance coverage for employees on discretionary unpaid leaves of absence. However, if eligible, you may self-pay the premiums under the provisions of COBRA.

An employee's failure to report to work as scheduled following a personal leave of absence will generally be considered a voluntary termination of employment.

B. Pregnancy Disability Leave

HSHMC, Inc. provides pregnancy disability leaves of absence without pay to eligible employees who are temporarily unable to work due to a disability related to pregnancy, childbirth, or related medical condition.

Any employee planning to take pregnancy disability leave should advise the personnel department as early as possible. The individual should make an appointment with the Director of Human Resources to discuss the following conditions:

Employees who need to take pregnancy disability must inform HSHMC, Inc. when a leave is expected to begin and how long it will likely last. If the need for a leave or transfer is foreseeable, employees must provide notification at least 30 days before the pregnancy disability leave or transfer is to begin. Employees must consult with the Director of Human Resources regarding the scheduling of any planned medical treatment or supervision in order to minimize disruption to the operations of HSHMC, Inc. Any such scheduling is subject to the approval of your health care provider. If 30 days' advance notice is not possible, notice must be given as soon as practicable.

HSHMC, Inc. will make a good faith effort to provide reasonable accommodations and/or transfer requests when such a request is medically advisable based on the certification of a health care provider. When an employee's health care provider finds it is medically advisable for an employee to take intermittent leave or leave on a reduced work schedule and such leave is foreseeable based on planned medical treatment because of pregnancy, HSHMC, Inc. may require the employee to transfer temporarily to an available alternative position. This alternative position will have equivalent rate of pay and benefits and must better accommodate recurring periods of leave than the employee's regular job.

If the employee's healthcare provider certifies a transfer to lighter duty, HSHMC, Inc. will attempt to provide light duty if possible.

Procedure for Requesting Pregnancy Disability Leave

Pregnancy disability leave usually begins when ordered by the employee's physician. The employee must provide HSHMC, Inc. with a certification from a health care provider. The certification indicating disability should contain:

- (1) The date on which the employee became disabled due to pregnancy;
- (2) The probable duration of the period or periods of disability; and
- (3) (if applicable) a statement that, due to the disability, the employee is unable to perform one or more of the essential work functions without undue risk to self, the successful completion of the pregnancy, or to other persons.

Effect on Pay

An employee will be allowed to use accrued PSL (if otherwise eligible to take the time) during a pregnancy disability leave. If an employee is receiving benefit payments pursuant to a disability insurance plan (such as California's State Disability Insurance plan or Paid Family Leave program), the employee and HSHMC, Inc. may mutually agree to supplement such benefit payments with available sick leave. Except to the extent that PSL is substituted for pregnancy disability leave, the pregnancy disability leave will be unpaid.

The use of PSL for pregnancy disability leave does not extend the total duration of the leave to which the employee is entitled.

Leave's Effect on Benefits

During an employee's pregnancy disability leave, for up to a maximum of four (4) months, HSHMC, Inc. will continue to pay for the employee's participation in HSHMC, Inc. group health plans, to the same extent and under the same terms and conditions as would apply had the employee not taken leave.

Benefit accrual, such as sick leave, will be suspended during the approved pregnancy disability leave period and will resume upon return to active employment.

Duration

Duration of the leave will be determined by the advice of the employee's physician, but eligible employees are normally granted unpaid leave for the period of disability, up to a maximum of four months (or 17 1/3 weeks or 693 hours) per pregnancy. Part-time employees are entitled to leave on a pro rata basis. The three (3) months of leave includes any period of time for actual disability caused by the employee's pregnancy, childbirth, or related medical condition. This includes leave for severe morning sickness and for prenatal care. Leave does not need to be taken in one continuous period of time and may be taken intermittently, as needed. Leave may be taken in increments of one (1) week.

Reinstatement after Pregnancy Disability Leave

When an approved pregnancy disability leave ends, the employee will be reinstated to the same position, unless the job ceased to exist because of legitimate business reasons. An employee has no greater right to reinstatement to the same position or to other benefits and conditions of employment than if she had been continuously employed in this position during the pregnancy disability leave or transfer. If the same position is not available, the employee will be offered a comparable position in terms of such issues as pay, location, job content, and promotional opportunities, if one exists. An employee has no greater right to reinstatement to a comparable position or to other benefits or conditions of employment than an employee who has been continuously employed in another position that is being eliminated.

So that an employee's return to work can be properly scheduled, an employee on pregnancy disability leave is requested to provide HSHMC, Inc. with at least one week's advance notice of the date she intends to return to work.

C. Reproductive Loss Leave

Employees may take up to 5 days of job-protected leave for individuals who suffer from reproductive loss events, including miscarriage, a failed adoption, or an unsuccessful reproductive technology procedure. The leave must be completed within three months of the reproductive loss. A maximum of 20 days in a 12-month period may be taken. Employees may use accrued PSL. Otherwise, the time off is unpaid.

D. Leave and Accommodation for Victims of Domestic Violence, Sexual Assault, and Stalking

All employees have the right to take time off from work to get help to protect themselves and their children's health, safety, or welfare. All employees can take time off to get a restraining order or other court order. All employees can

take time off from work to get medical attention or services from a domestic violence shelter, program, or rape crisis center, or receive psychological counseling or safety planning related to domestic violence, sexual assault, or stalking.

Employees may use accrued PSL. Otherwise, the time off is unpaid. In general, employees are not required to provide documentation for time off under this policy. However, employees shall provide reasonable advance notice of their intent to take time off, unless advance notice is not feasible. If employees are unable to provide advance

notice for time off under this policy, they can provide certification of their absence (such as a police report, court order, or health care provider certification) within a reasonable time period thereafter.

If employees provide reasonable advance notice or provide documentation within a reasonable time period thereafter for an unscheduled absence, they will not be subject to any disciplinary action for time off under this policy.

Employees have the right to ask HSHMC, Inc. for help or changes in their workplace to make sure they are safe at work. HSHMC, Inc. will work with its employees to see what changes can be made. Changes in the workplace may include putting in locks, changing shifts or phone numbers, transferring or reassigning the employee, or help with keeping a record of what happened to the employee. HSHMC, Inc. may ask the affected employee for a signed statement certifying that this request is for a proper purpose and may also request proof showing the need for an accommodation. HSHMC, Inc. will maintain confidentiality regarding any requests for accommodations under this policy.

HSHMC, Inc. is committed to ensuring employees are not treated differently or retaliated against because of any of the following:

- The employee is a victim of domestic violence, sexual assault, or stalking.
- The employee asked for time off to get help.
- The employee asked HSHMC, Inc. for help or changes in the workplace to ensure safety at work.

If any employee believes that he or she has experienced retaliation or discrimination as a result of conduct protected by this policy, the employee may file a complaint with his or her supervisor and/or the Labor Commissioner's Office.

For more information, contact the Labor Commissioner's Office by phone at 619-220-5451 or visit a local office by finding the nearest one on website: www.dir.ca.gov/dlse/DistrictOffices.htm. The Labor Commissioner's Office provides an interpreter at no cost to the employee, if needed.

E. Leave for Crime Victims and Their Families

If you are the victim—or an immediate family member (i.e., spouse, registered domestic partner, child, step-child, sibling, step-sibling, parent, step-parent, or the child of a registered domestic partner) of the victim—of a violent felony, serious felony (as defined by the California Penal Code), or felonies related to theft or embezzlement, you are permitted to be absent from work to attend judicial proceedings related to the crime.

You must provide your supervisor with written notification for each scheduled proceeding, unless advance notice is not possible. This time off is unpaid. You may choose to use your accrued PSL, but this is not required.

F. Organ / Bone Marrow Donation Leave

Employees who choose to donate an organ or bone marrow may be eligible for paid leave. The employee shall provide written verification to HSHMC, Inc. that he or she is planning to be an organ or bone marrow donor and that there is a medical necessity for the donation of the organ or bone marrow.

Duration

A maximum of 30 business days for organ donation and up to five business days for bone marrow donation is allowed during any one (1)-year period. Leave does not need to be taken in one continuous period of time and may be taken intermittently, as needed.

Effect on Pay and Benefits

Employees who have PSL available to them must take up to five (5) days of this earned but unused time for a bone marrow donation leave and up to two (2) weeks of this earned but unused time for an organ donation leave. Any leave time taken by an employee for a bone marrow or organ donation does not run concurrently with any other medical leaves taken.

To the extent that the employee is eligible for group health coverage, this coverage will be maintained during this leave. To the extent that the employee is eligible for other benefits, the employee will continue to accrue those benefits during the leave period, including for example seniority and personal days.

Reinstatement After Organ / Bone Marrow Donation Leave

Under most circumstances, an employee will be reinstated to his or her same position held at the time the leave began, unless legitimate business reasons prevent reinstatement, or, preservation of the employee's job would compromise business safety or efficiency. In such case, a comparable vacant position will be offered. An employee returning from this leave has no greater right to reinstatement than if the employee had been continuously employed.

Employees who have any questions regarding this policy should bring them to the immediate attention of the Director of Human Resources.

G. Family and Medical Leave Act/California Family Rights Act

The Family and Medical Leave Act and California Family Rights Act ("FMLA / CFRA") provide eligible employees the opportunity to take unpaid, job-protected leave for certain specified reasons. - Have worked at least 12 months for HSHMC, Inc. in the preceding seven years (limited exceptions apply to the seven-year requirement);
- Have worked at least 1,250 hours for HSHMC, Inc. over the 12 months preceding the date your leave would commence; and

- Birth of a child, or to care or bond with a newly born child;
- Placement of a child with the employee and/or the employee's registered domestic partner for adoption or foster care or to care or bond with the child;
- To care for an immediate family member (employee's spouse, registered domestic partner, child, registered domestic partner's child, or parent) with a serious health condition;
- Because of the employee's serious health condition that makes the employee unable to perform the employee's job;
- To care for a Covered Service member with a serious injury or illness related to certain types of military service (see Military-Related FMLA Leave for more details); or,
- To handle certain qualifying exigencies arising out of the fact that the employee's spouse, son, daughter, or parent is on duty under a call or order to active duty in the Armed Forces (e.g., National Guard or Reserves) in support of a contingency operation (see Military-Related FMLA Leave for more details).

The maximum amount of leave that may be taken in a 12-month period for all reasons combined is 12 weeks, with one exception. For leave to care for a Covered Service member, the maximum combined leave entitlement is 26 weeks, with leaves for all other reasons constituting no more than 12 of those 26 weeks. Also, in addition to leave

available under the FMLA and CFRA, female employees may be eligible for leaves of absence during periods of disability associated with pregnancy or childbirth. Please see the pregnancy Leave of Absence Policy for further information on this type of leave.

Definitions

A “Serious Health Condition” is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee’s job, or prevents the qualified family member from participating in school or other daily activities. Subject to certain conditions, the continuing treatment requirement includes an incapacity of more than three full calendar days and two visits to a health care provider or one visit to a health care provider and a continuing regimen of care; an incapacity caused by pregnancy or prenatal visits, a chronic condition, or permanent or long-term conditions; or absences due to multiple treatments. Other situations may meet the definition of continuing treatment.

A “Covered Service member” is a member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness. The term “serious injury or illness” means an injury or illness incurred by the member in the line of duty while on active duty in the Armed Forces that may render the member medically unfit to perform the duties of the member’s office, grade, rank, or rating.

“Qualifying exigencies” include activities such as short-notice deployment, military events, arranging alternative childcare, making financial and legal arrangements related to the deployment, rest and recuperation, counseling, and post-deployment debriefings.

Identifying the 12-Month Period

HSHMC, Inc. Measures the 12-month period in which leave is taken by the “rolling” 12- month method, measured backward from the date of any FMLA/CFRA leave with one exception. For leave to care for a covered service member, HSHMC, Inc. calculates the 12-month period beginning on the first day the eligible employee takes FMLA leave to care for a covered service member and ends 12 months after that date. FMLA/CFRA leave for the birth or placement of a child for adoption or foster care must be concluded within 12 months of the birth or placement.

Using Leave

Eligible employees may take FMLA/CFRA leave in a single block of time, intermittently (in separate blocks of time), or by reducing the normal work schedule when medically necessary for the serious health condition of the employee or immediate family member, or in the case of a covered service member, his or her injury or illness. Eligible employees may also take intermittent or reduced-scheduled leave for military qualifying exigencies. Intermittent leave is generally not permitted for birth of a child, to care for a newly born child, or for placement of a child for adoption or foster care, and must generally be taken in at least two-week increments.

Use of Accrued Paid Leave

Depending on the purpose of your leave request, you may choose (or HSHMC, Inc. may require you) to use accrued PSL concurrently with some or all of your FMLA/CFRA leave. In order to substitute paid leave for FMLA/CFRA leave, an eligible employee must comply with HSHMC, Inc. normal procedures for the applicable paid-leave policy (e.g., call-in procedures, advance notice, etc.).

Maintenance of Health Benefits

If you and/or your family participate in our group health plan, HSHMC, Inc. will maintain coverage during your FMLA/CFRA (not to exceed 12 weeks) leave on the same terms as if you had continued to work. If applicable, you must make arrangements to pay your share of health plan premiums while on leave. In some instances, HSHMC, Inc. may recover premiums it paid to maintain health coverage or other benefits for you and your family. Use of FMLA/CFRA leave will not result in the loss of any employment benefit that accrued prior to the start of your leave.

Notice and Medical Certification

When seeking FMLA/CFRA leave, you must provide:

- 30 days advance notice of the need to take FMLA/CFRA leave, if the need for leave is foreseeable, or notice as soon as practicable in the case of unforeseeable leave and in compliance with HSHMC, Inc. normal call-in procedures, absent unusual circumstances;
- medical certification by a medical doctor supporting the need for leave due to a serious health condition affecting you or an immediate family member within 15 calendar days of HSHMC, Inc.'s request to provide the certification (additional time may be permitted in some circumstances). If you fail to do so, we may delay the commencement of your leave, withdraw any designation of FMLA/CFRA leave or deny the leave, in which case your leave of absence would be treated in accordance with our standard leave of absence and attendance policies, subjecting you to discipline up to and including termination. Second or third medical opinions and periodic re-certifications may also be required at the expense of HSHMC, Inc.;
- periodic reports as deemed appropriate during the leave regarding your status and intent to return to work; and
- medical certification by a medical doctor of fitness for duty before returning to work, if the leave was due to your serious health condition. HSHMC, Inc. will require this certification to address whether you can perform the essential functions of your position.

Failure to comply with the foregoing requirements may result in delay or denial of leave, or disciplinary action, up to and including termination.

Upon returning from FMLA/CFRA leave, eligible employees will typically be restored to their original job or to an equivalent job with equivalent pay, benefits, and other employment terms and conditions. In certain circumstances, "key" employees may not be eligible for reinstatement following a family and medical leave. HSHMC, Inc. will provide written notice to any "key" employee who is not eligible for reinstatement.

Failure to Return After FMLA/CFRA Leave

Any employee who fails to return to work as scheduled after FMLA/CFRA leave or exceeds the 12- week FMLA/CFRA entitlement (or in the case of military caregiver leave, the 26-week FMLA entitlement), will be subject to HSHMC, Inc. standard leave of absence and attendance policies. This may result in termination if you have no other HSHMC, Inc.-provided leave available to you that applies to your continued absence. Likewise, following the conclusion of your FMLA/CFRA leave, HSHMC, Inc.'s obligation to maintain your group health plan benefits ends (subject to any applicable COBRA rights).

Military-Related FMLA Leave

FMLA leave may also be available to eligible employees in connection with certain service-related medical and non-medical needs of family members. There are two forms of such leave. The first is Military Caregiver Leave, and the second is Qualifying Exigency Leave. Each of these leaves is detailed below.

Military Caregiver Leave

Unpaid Military Caregiver Leave is designed to allow eligible employees to care for certain family members who have sustained serious injuries or illnesses in the line of duty while on active duty. The family member must be a "covered service member," which means: (1) a current member of the Armed Forces, National Guard or Reserves, (2) who is undergoing medical treatment, recuperation, or therapy; is otherwise in outpatient status; or is otherwise on the temporary disability retired list, (3) for a serious injury or illness that may render him or her medically unfit to perform the duties of the member's office, grade, rank, or rating. Military Caregiver Leave is not available to care for *former* members of the Armed Forces or the National Guard or Reserves, or for service members on the *permanent* disability retired list.

To be "eligible" for Military Caregiver Leave, the employee must be a spouse, son, daughter, parent, or next of kin of the covered service member. "Next of kin" means the nearest blood relative of the service member, other than the service member's spouse, parent, son, or daughter, in the following order of priority: blood relatives who have been granted legal custody of the service member by court decree or statutory provisions; brothers and sisters; grandparents;

aunts and uncles; and first cousins; unless the service member has specifically designated in writing another blood relative as his or her nearest blood relative for purposes of Military Caregiver Leave. The employee must also meet all other eligibility standards as set forth within the FMLA Leave policy.

An eligible employee may take up to 26 workweeks of Military Caregiver Leave to care for a covered service member in a “single 12-month period.” The “single 12-month period” begins on the first day leave is taken to care for a covered service member and ends 12 months thereafter, regardless of the method used to determine leave availability for other FMLA-qualifying reasons. If an employee does not exhaust his or her 26 workweeks of Military Caregiver Leave during this “single 12-month period,” the remainder is forfeited.

Military Caregiver Leave applies on a per-injury basis for each service member. Consequently, an eligible employee may take separate periods of caregiver leave for each and every covered service member, and/or for each and every serious injury or illness of the same covered service member. A total of no more than 26 workweeks of Military Caregiver Leave, however, may be taken within any “single 12-month period.”

Within the “single 12-month period” described above, an eligible employee may take a combined total of 26 weeks of FMLA leave including up to 12 weeks of leave for any other FMLA-qualifying reason (i.e., birth or adoption of a child, serious health condition of the employee or close family member, or a qualifying exigency). For example, during the “single 12-month period,” an eligible employee may take up to 16 weeks of FMLA leave to care for a covered service member when combined with up to 10 weeks of FMLA leave to care for a newborn child.

An employee seeking Military Caregiver Leave may be required to provide appropriate certification from the employee and/or covered service member and completed by an authorized health care provider within 15 days. Military Caregiver Leave is subject to the other provisions in our FMLA Leave Policy (requirements regarding employee eligibility, appropriate notice of the need for leave, use of accrued paid leave, etc.). Military Caregiver Leave will be governed by, and handled in accordance with, the FMLA and applicable regulations, and nothing within this policy should be construed to be inconsistent with those regulations.

Qualifying Exigency Leave

Eligible employees may take unpaid “Qualifying Exigency Leave” to tend to certain “exigencies” arising out of the duty under a call or order to active duty of a “covered military member” (i.e. the employee’s spouse, son, daughter, or parent).

Up to 12 weeks of Qualifying Exigency Leave is available in any 12-month period, as measured by the same method that governs measurement of other forms of FMLA leave within the FMLA policy (with the exception of Military Caregiver Leave, which is subject to a maximum of 26 weeks of leave in a “single 12-month period”). Although Qualifying Exigency Leave may be combined with leave for other FMLA-qualifying reasons, under no circumstances may the combined total exceed 12 weeks in any 12-month period (with the exception of Military Caregiver Leave as set forth above). The employee must meet all other eligibility standards as set forth within the FMLA policy.

Persons who can be ordered to active duty include retired members of the Regular Armed Forces, certain members of the retired Reserve, and various other Reserve members including the Ready Reserve, the Selected Reserve, the individual Ready Reserve, the National Guard, state military, Army Reserve, Navy Reserve, Marine Corps Reserve, Air National Guard, Air Force Reserve, and Coast Guard Reserve.

Although Qualifying Exigency Leave is available to an eligible employee whose close family member is called up from status as a *retired* member of the Regular Armed Forces, it is not available for a close family member on active duty or on call to active as a *member* of the Regular Armed Forces. Also, a call to active duty refers to a *federal* call to active duty, and *state* calls to active duty are not covered unless under order of the President of the United States pursuant to certain laws.

Qualifying Exigency Leave is available under the following circumstances:

- **Short-notice deployment.** To address any issue that arises out of short notice (within seven days or less) of an impending call or order to active duty.

- **Military events and related activities.** To attend any official military ceremony, program, or event related to active duty or a call to active duty status or to attend certain family support or assistance programs and informational briefings.
- **Childcare and school activities.** To arrange for alternative childcare; to provide childcare on an urgent, immediate need basis; to enroll in or transfer to a new school or daycare facility; or to attend meetings with staff at a school or daycare facility.
- **Financial and legal arrangements.** To make or update various financial or legal arrangements; or to act as the covered military member's representative before a federal, state, or local agency in connection with service benefits.
- **Counseling.** To attend counseling (by someone other than a health care provider) for the employee, the covered military member, or for a child or dependent when necessary as a result of duty under a call or order to active duty.
- **Temporary rest and recuperation.** To spend time with a covered military member who is on short-term, temporary rest and recuperation leave during the period of deployment. Eligible employees may take up to five of days of leave for each instance of rest and recuperation.
- **Post-deployment activities.** To attend arrival ceremonies, reintegration briefings and events, and any other official ceremony or program sponsored by the military for a period of up to 90 days following termination of the covered military member's active duty status. This also encompasses leave to address issues that arise from the death of a covered military member while on active duty status.
- **Mutually agreed leave.** Other events that arise from the close family member's duty under a call or order to active duty, provided that HSHMC, INC. and the employee agree that such leave shall qualify as an exigency and agree to both the timing and duration of such leave.

An employee seeking Qualifying Exigency Leave may be required to submit appropriate supporting documentation in the form of a copy of the covered military member's active duty orders or other military documentation indicating the appropriate military status and the dates of active duty status, along with a statement setting forth the nature and details of the specific exigency, the amount of leave needed and the employee's relationship to the military member, within 15 days. Qualifying Exigency Leave will be governed by, and handled in accordance with, the FMLA and applicable regulations, and nothing within this policy should be construed to be inconsistent with those regulations.

B. Employee/Student Relations Policy

Boundaries Defined

For the purposes of this policy, the term “Boundaries” is defined as acceptable professional behavior by employees while interacting with a student. Trespassing beyond the Boundaries of a student/teacher or student/educator relationship is deemed an abuse of power and a betrayal of public trust.

Unacceptable and Acceptable Behavior

Some activities may seem innocent from an employee’s perspective, but some of these can be perceived as flirtation or sexual insinuation from a student or parental point of view. The purpose of the following lists of acceptable and unacceptable behaviors is not to restrain innocent, positive relationships between employees and students but to prevent relationships that could lead to, or may be perceived as, misconduct.

Employees must understand their own responsibilities for ensuring that they do not cross the Boundaries as written in this policy. Disagreeing with the wording or intent of the established Boundaries will be considered irrelevant for any required disciplinary purposes. Thus, it is critical that all employees study this policy thoroughly and apply its spirit and intent in their daily activities. Although sincere, professional interaction with students fosters the charter mission of academic excellence, employee-student interaction has Boundaries regarding the activities, locations, and intentions.

The following is an illustrative list of unacceptable behavior, which includes, but is not limited to:

- Giving gifts to an individual student that are of an intimate nature
- Consuming alcohol while supervising students
- Any type of unnecessary physical contact with a student in a private situation
- Intentionally being alone with a student away from HSHMC, Inc.
- Making, or participating in, sexually inappropriate comments
- Sexual jokes or jokes/comments with sexual double entendre
- Seeking emotional involvement (which can include intimate attachment) with a student beyond the normative care and concern required of an educator
- Listening to or telling stories that are sexually oriented
- Sharing inappropriate personal troubles or intimate issues with a student in an attempt to gain their support and understanding
- Becoming involved with a student so that a reasonable person may suspect inappropriate behavior
- Giving students a ride to/from HSHMC, Inc. or school activities without parental/guardian permission or without permission from HSHMC administration.

- Being alone in a room with a student at the school with the door locked or blocked
- Allowing students in your home without signed parental/guardian permission for a preplanned and pre-communicated educational activity that must include the presence of another educator, parent, or other responsible adult
- Communicating with students or parents/guardians in violation of the Social Media Policy
- Engaging in inappropriate and/or unprofessional communications (including instant messages, social media messages, or letters) with students on HSHMC, Inc. social media
- Involving students in non-educational or non-school related issues, including, but not limited to, the employee's employment issues

The following is an illustrative list of acceptable and recommended behavior, which includes, but is not limited to:

- Obtaining parents' written consent for any after-school activity on or off campus (exclusive of tutorials)
- Obtaining formal approval (HSHMC, Inc. and parental) to take students off property for activities such as field trips or competitions
- E-mails, text messages, phone conversations, and other communications to and with students must be professional and pertain to mentoring, school activities or classes, and communication should be initiated via HSHMC, Inc.-based technology and equipment
- Keeping the door open or unlocked when alone with a student
- Stopping and correcting students if they cross your own personal boundaries
- Recognizing parents/guardians as active participants in their child's education
- Keeping after-class discussions with a student professional and habitative
- Asking for advice from senior staff or administrators if you find yourself in a difficult situation related to Boundaries
- Involving your supervisor if conflict arises with a student
- Informing administrators about situations that have the potential to become more severe
- Recognizing the responsibility to stop unacceptable behavior of students and/or coworkers
- Asking another employee to be present if you will be alone with any student who may have severe social or emotional challenges
- Giving students praise and recognition without touching them in questionable areas; giving appropriate pats on the back, high five's, and handshakes
- Keeping your professional conduct a high priority during all moments of student contact
- Asking yourself if any of your actions that go contrary to these provisions are worth sacrificing your job, your career, and the reputation of HSHMC, Inc.

Reporting Violations

When any employee, parent, or student becomes aware of an employee having crossed the Boundaries specified in this policy, he or she must promptly report the suspicion to an administrator. All reports shall be kept as confidential as possible. Prompt reporting is essential to protect students, the suspected employee, any witnesses, and the School as a whole. Employees must also report to the administration any awareness of, or concern about, student behavior that crosses

Boundaries or any situation in which a student appears to be at risk for sexual abuse.

Child Abuse and Neglect Reporting

California Penal Code section 11166 requires any teacher or child care custodian who has knowledge of, or observes, a child in his or her professional capacity or within the scope of his or her employment whom he or she knows or reasonably suspects has been the victim of child abuse to report the known or suspected instance of child abuse to a child protective agency immediately, or as soon as practically possible, by telephone and to prepare and send a written report thereof within thirty-six (36) hours of receiving the information concerning the incident. Employees may, but are not required to report such incidents to the Director of Human Resources and the CEO. Reporting such incidents to the Director of Human Resources and the CEO does not relieve the employee of responsibility to also immediately report such incidents to the appropriate child protective agency by telephone and to send a written report thereof within thirty-six (36) hours. However, employees may work cooperatively to report the incidents and to file one written report. Employees who have any questions about these reporting requirements should contact the Director of Human Resources.

Investigating

The CEO and/or Director of Human Resources will promptly investigate any allegation of a violation of the Employee-Student Relations Policy, using such support staff or outside assistance as he or she deems necessary and appropriate under the circumstances, unless the allegation also constitutes a reportable allegation under California Penal Code section 11166. In the event the allegation also constitutes such a reportable allegation, the CEO or designee shall comply with the legal requirements of immediately reporting the allegation to a child protective agency and shall follow up such report with a written report with thirty-six (36) hours.

If the allegation is only a violation of the Employee-Student Relations Policy, but not a violation of California Penal Code section 11166, the CEO or other appropriate administrator shall conduct an investigation as set forth above. Throughout this fact-finding process, the investigating administrator, and all others privy to the investigation, will protect the privacy interests of any affected student(s) and/or employee(s), including any potential witnesses, to the fullest extent possible.

Violations

Violations of this policy may result in disciplinary action, up to and including termination. When appropriate, violations of this policy may also be reported to authorities for potential legal action.

C. Attendance/Punctuality

Individual work efforts are very important for HSHMC, Inc. overall success. HSHMC, Inc. depends on employees to report to work regularly and at the agreed time. Poor attendance and tardiness disrupt productivity and make it difficult to function effectively and properly. Thus, regular attendance is vital to achieve the goals and mission of HSHMC. It is particularly important that we our mindful of prioritizing attendance on professional development days. In addition, days before and after scheduled holidays should be prioritized to ensure adequate staffing.

If you are unable to timely report for work for any reason, you must notify your supervisor before the regular starting time and document time missed in Paycom. You are responsible for speaking directly with your supervisor about your absence and recording missed time in Paycom. It is not acceptable to leave a message on your supervisor's voice mail, except in extreme emergencies. This will allow HSHMC, Inc. to arrange for temporary coverage of your duties, and helps other employees to continue work in your absence.

If you become ill while at work or must leave the office for some other reason before the end of the workday, be sure to inform your supervisor of the situation prior to leaving the office.

Should undue tardiness or excessive unexcused absences become apparent, disciplinary action may occur, up to and including termination.

If you do not report for work and HSHMC, Inc. is not notified of your status, it will generally be assumed after three (3) consecutive days of absence that you have resigned, and you will be removed from the payroll unless otherwise

prohibited by law.

D. Personal Appearance and Professional Behavior

HSHMC, Inc. considers the presentation of HSHMC, Inc. image to its students, their families, clients, vendors and the public at large to be extremely important.

Since HSHMC, Inc. provides a service, and excellent customer service can only be provided through employees, HSHMC, Inc. seeks not only good performance and conduct from its employees, but also expects them to observe high standards in personal presentation.

Employees whose jobs require them to come into contact with clients, vendors or the public are expected to wear apparel that HSHMC, Inc. considers appropriate for such encounters.

Employees are also expected to behave and conduct themselves in a professional manner at all times in the workplace, including school related events and functions. When acting as a chaperone for HSHMC at after school events, your primary role is still as an HSHMC staff member. It is important to uphold the same level of professional conduct as during normal hours of operation. Unprofessional behavior in the workplace, such as inappropriate comments, jokes, gestures, printed materials, sexually related conversations, inappropriate touching of another employee, and any other behavior of a sexual nature is prohibited. Employees who fail to observe these standards will be subject to disciplinary action, up to and including termination.

E. Telephone Use

HSHMC, Inc. telephones are intended for the use in conducting HSHMC, Inc. business. Personal usage during business hours is discouraged except for extreme emergencies. All personal telephone calls should be kept brief.

To respect the rights of all employees and avoid miscommunication in the office, employees must inform family members and friends to limit personal telephone calls during working hours. Excessive use of cell phones for personal calls while on the clock is also prohibited.

If an employee is found to be deviating from this policy, he or she will be subject to disciplinary action, up to and including termination.

Systems Use Policy

HSHMC, Inc. has established this Internet, e-mail, and electronic communications policy in an effort to make certain that employees utilize electronic communications devices in a legal, ethical, and appropriate manner. We have devised this policy in a manner that addresses HSHMC, Inc. legal responsibilities and concerns regarding the fair and proper use of all electronic communications devices within the organization.

Scope of Policy

This policy extends to all features of HSHMC, Inc. electronic communications devices and systems, including computers, e-mail, connections to the Internet and World Wide Web and other internal or external networks, voice mail, text messages, video conferencing, facsimiles, and telephones. Any other form of electronic communication used by employees currently or in the future is also intended to be encompassed under this policy. Every employee of HSHMC, Inc. is subject to this policy and is expected to read, understand, and comply fully with its provisions.

Rules

It may not be possible to identify every standard and rule applicable to the use of electronic communications devices. Employees are therefore encouraged to utilize sound judgment whenever using any feature of the communications systems. In order to offer employees some guidance, the following principles and standards should be clearly understood and followed:

- a) HSHMC, Inc. policy against unlawful harassment, including sexual harassment, extends to the use of computers, the Internet, and any component of the communications systems.
