It was called the "Mutual Aid Mall" where there were donations of clothing, food, hair and makeup (just to name a few) given out to our HSHMC families and community members. In addition, a group of 40 of HSHMC's National Honor Society students went to Washington recently to attend a LEAD conference. Noor also shared several highlights of current Internship opportunities and experiences at Sharp HealthCare. Also noted were the upcoming ASB elections.

Dominique Smith added that some future opportunities that came from the community outreach event included being able to provide prom dresses, barber cuts, and hair, nails

and makeup to seniors prior to prom. In addition, they are working with a nearby florist who will engage with our seniors to make their own boutenaires and corsages for prom.

B. CEO Comments

Ian Pumpian shared that Dan, Fred McFarlane and Sheri met to discuss the best way to keep our board well-balanced going forward as current members may choose to term out and new candidates are considered. A discussion was held regarding the boards strengths and needs, along with an examination of current interest.

The Bylaws were updated to reflect the process for board succession and selection. Fred Johnson will be polling existing board members regarding their current interest and plans in order to help in planning and balancing out the coming and goings of the board members.

Ian and Fred Johnson have spoken with a great group of potential candidates that will be brought to the board for consideration.
