### A. HSHMC Student Representative

HSHMC's student representative, Noor Esmailpour, was unable to attend the meeting due to a family emergency.

### B. CEO Comments

Pumpian discussed/updated the following with the Board:

- **Building update** - HSHMC is working through the challenges that come with construction. The school will be moving up to the 3rd and 4th floors during spring break so that work can be completed on the 1st and 2nd floors. The building will not be able to be used for summer school, so it will be held at nearby Central Elementary, which will require clean up and preparation since it has not been inhabited for some time. Pumpian noted that the HSHMC staff has been great in how they are dealing with all the construction and location challenges. The technology infrastructure is being built now and will make the classrooms really something to be proud of when construction is completed.
- **Marketing and Outreach Efforts** for the 2025-2026 enrollment is ongoing. In previous years, an informational notice was provided in Sharp's November and January all-staff newsletter. This year, to increase efforts, Sharp will be sending out a similar notice every few weeks until the end of the school year to try to increase enrollment from Sharp families. Pumpian asked the board for other ideas to market and recruit and the board suggested various viable options that will be explored and followed up on. It was noted that given the new facility, there is room to accept more students in the coming year than previous years.
- **Grant Opportunity** - Ian will be working with Scott on a Prebys grant that Sharp is seeking. The grant would help to provide students with post-secondary pipeline employment options. The grant would support a Youth Development position through Sharp, a Social Worker and an Academic Tutor. Scott is coordinating a meeting between Ian and Rita who is interested in supporting Sharp's efforts on this grant. Scott also suggested adding Susan Stone to the HSHMC board when a position becomes available, noting that she would be an asset to these efforts as well.
- **District Interest** - During HSHMC's renewal process with the District, the District showed an increased interest in collaborating with HSHMC for grants and such. Ian will be following up on these opportunities.
- **CNA Clinicals** - Given the increase in the number of CNA students at HSHMC, the expense for training has gone up with the current contracted vendor. HSHMC is actively looking for another partner to train the students, i.e. the community college

district. Scott suggested Ian reach back out to Marsha Feurst to see if there is an option with her college. HSHMC has been using Sharp Chula Vista for clinicals and needs to be sure, with the increase in numbers, that they can support the larger number of students. Deanna will follow up with Broc Arnaiz.

- **Updated Sharp MOU** - Ian asked Scott about the best way to update the current MOU with Sharp. Scott will follow up with Susan Stone.

### III. Open Session: Action Items

#### A. 2024-2025 Second Interim Financial Report

Greg Ottinger reviewed the second interim financial report and noted that overall, HSHMC is stable and projected to remain so for the next several years. ## V. Closing Items

### A. Adjourn Meeting

Scott Evans let Ian know that Sharp HealthCare acquired a suite of 16 seats for the San Diego Football Club (soccer) season. The games are played on Saturday evenings at Snap Dragon Stadium. Scott offered to host HSHMC students/staff at a game(s). To do so, 2 of the seats must be used by Sharp employees. Ian appreciated the offer and will follow up on the opportunity.

To increase awareness within Sharp about HSHMC, Brent suggested that it might be helpful to invite speakers (students/staff) from HSHMC to come share information about the school at various Sharp employee events.

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 9:02 AM.

Respectfully Submitted,  
S. Johnson
