II. Program Overview: Real Estate 101

- Real Estate 101 is an after-school program geared toward educating students about a career in the Real Estate industry as a realtor. Students will gain information about the responsibilities of a real estate agent during a transaction, such as buying and selling a home for the clients they represent. Students will be given basic information that will ultimately assist them in deciding if a career as a real estate agent is for them.
- Career projection: Overall employment of real estate brokers and sales agents is projected to grow 5 percent from 2022 to 2031, about as fast as the average for all occupations.
- About 54,800 openings for real estate brokers and sales agents are projected each year, on average, over the decade. Many of those openings are expected
