Reach Cyber Charter School Dual Enrollment Program

Dual Enrollment is a Reach Cyber Charter School program that allows qualified sophomores, juniors, and seniors to enroll in courses at Community Colleges, Colleges, or Universities, that have a Memorandum of Understanding with Reach, while still in high school. In accordance with requirements at Reach Cyber Charter School, students who qualify may apply for admission to a variety of courses. Reach will work with these schools to determine eligibility. Students are required to take the appropriate College placement tests and meet prerequisite requirements for selected course.

Reach, grants, and the Pennsylvania Department of Education provide tuition for ~~6 college credits~~ (2 college courses (up to 8 credits)) per school year, including required 09 courses, in full or in part. The High School Administration will determine the number of students to be funded each year, as well as the allowable courses students will be able to enroll in at a college institution. Reach Cyber Charter School will pay for a part or all of the tuition, fees, and books, as provided by the reserved funds.
