Deep Dive: Multi-Tiered System of Support (MTSS) Overview

Section:	II. Standing Reports
Item:	C. Deep Dive: Multi-Tiered System of Support (MTSS) Overview
Purpose:	Discuss
Submitted by:	Elizabeth Martinez
Related Material:	Basic MTSS Overview_December Board Meeting.pdf MTSS Introduction Letter.pdf Aug-Oct 2023_Student Support_Data Report.pdf

BACKGROUND:

MTSS stands for multi-tiered systems of support. As the name implies, this framework has a tiered infrastructure that uses data to help match each student's needs with academic, social-emotional, behavior assessment, and/or instructional resources.

At the start of the 23/24 school year, we began to identify student needs utilizing Student Study Teams (SST's) to determine targeted interventions for students demonstrating challenges in the areas of academics, social emotional functioning, attendance, and or behavioral deficits.

I have included:

- a brief overview of what MTSS is and how we intended to implement this at MWA
- the letter that went out to families before the start of the school year regarding the shift to MTSS
- Data gathered through the first 10 weeks of school.

RECOMMENDATION:

We recommend the board reads these materials in preparation for the December Board meeting where we will discuss the implementation in more detail.

MTSS Delivery (Overview and Planning)

Learn. Graduate. Give Back.

Included in these slides you will find a general overview of:

- **the priorities/goals for year 1**
- **Multi-Tiered Systems of Support (MTSS)**
- **anticipated challenges and mitigations prior to the start of the semester (August 2023)**

MTSS - Phase 1

Learn. Graduate. Give Back.

MTSS: Phase 1 (Academic Year 2023-24)

Phase 1 Priorities: Academic Year 2023-2024

- **Priority 1:** Faculty & Staff follow the referral process for reporting student concerns/incidents.
- **Priority 2:** Fidelity to the system and referral life cycle for at least 95% of referrals.
- **Priority 3:** Accurate and complete data for at least 95% of referrals.

Premise of MTSS

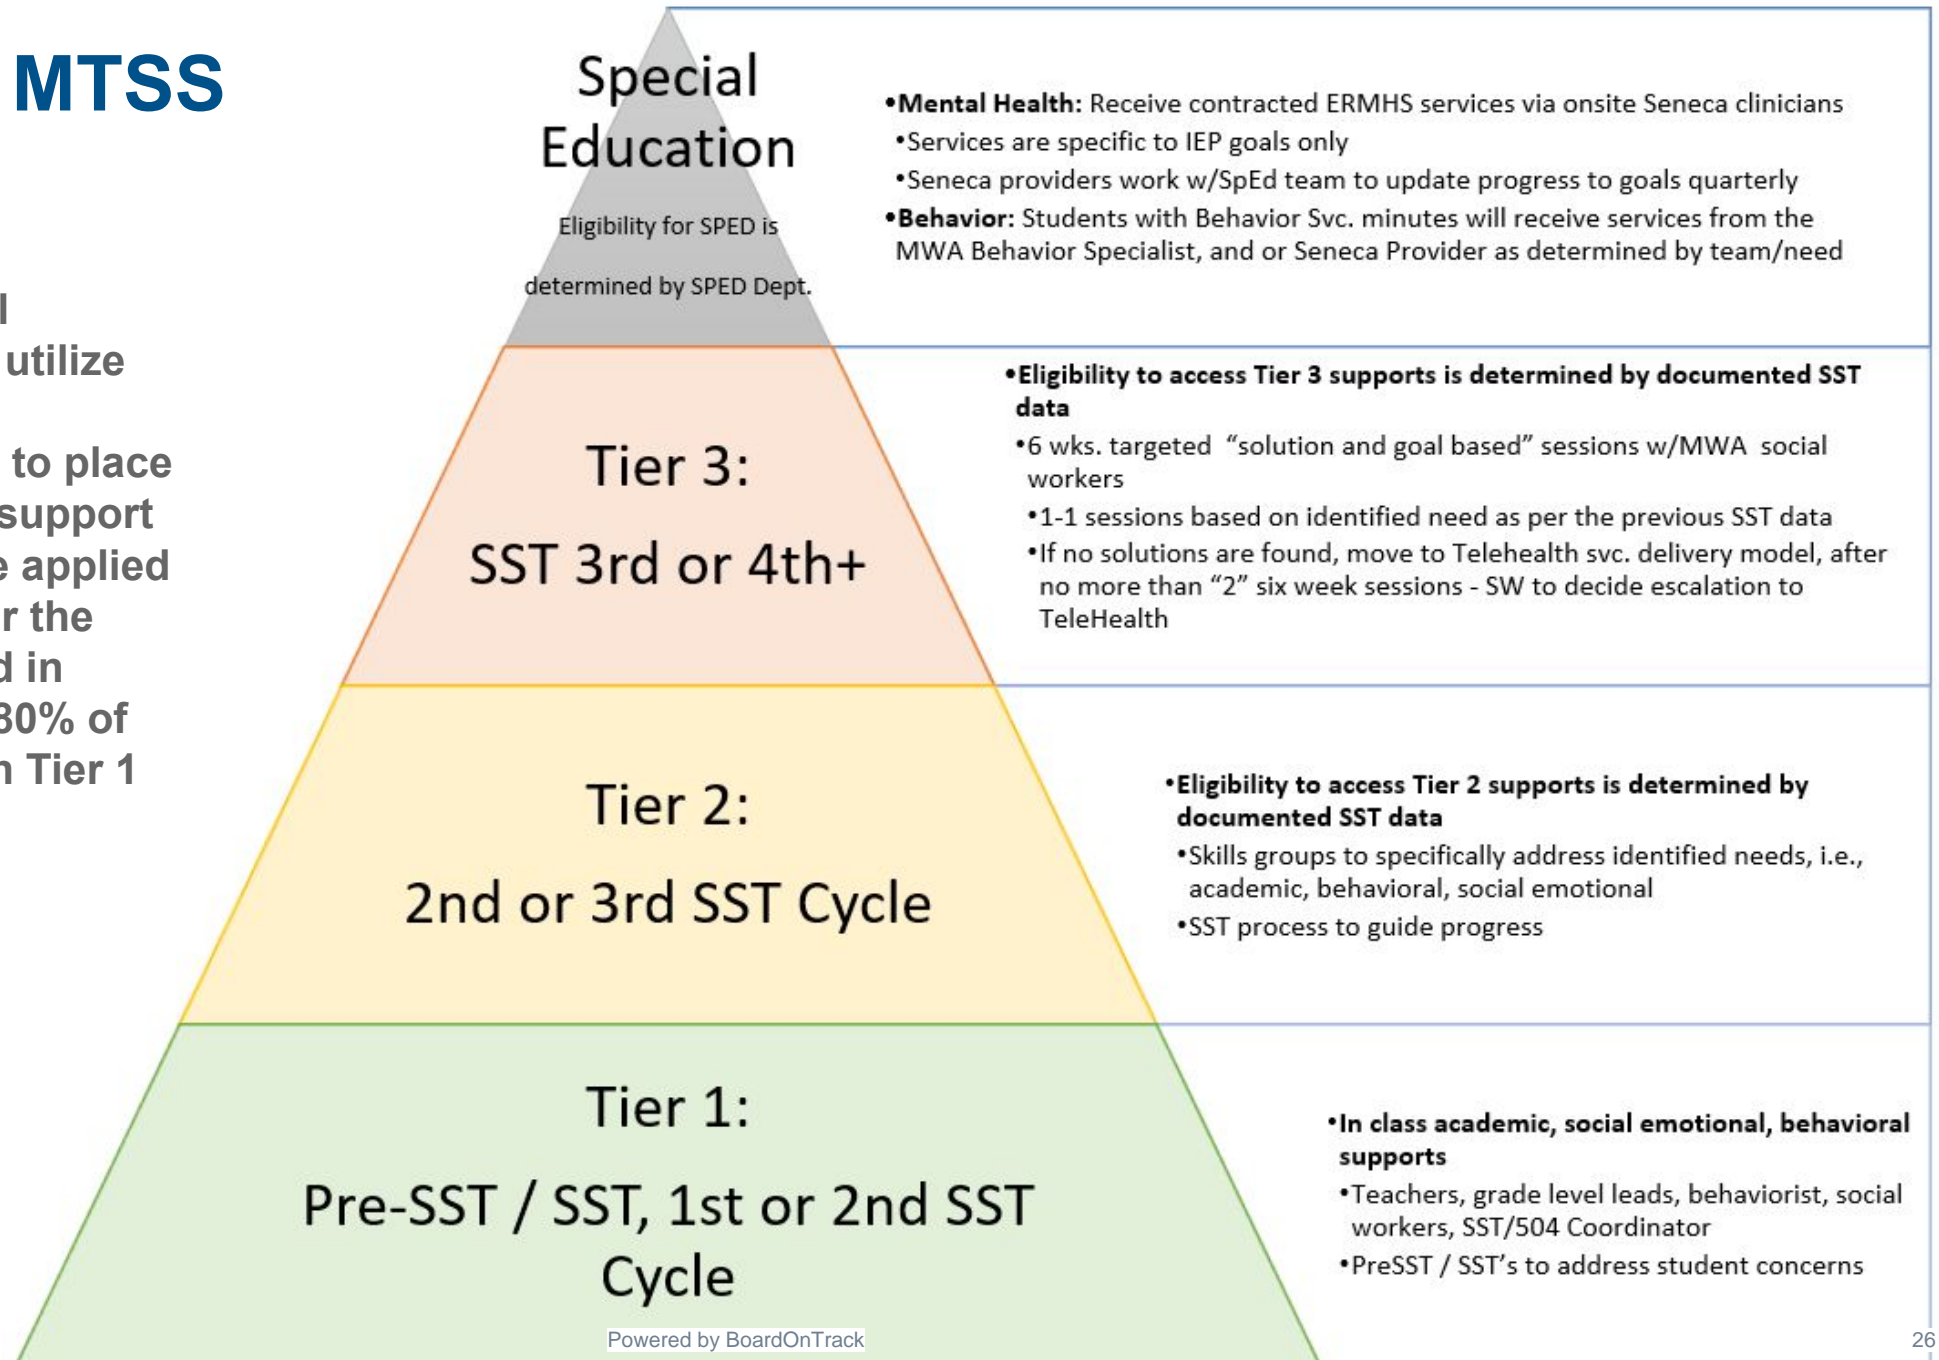

The earlier we can identify a problem, the more time we have to:

- **analyze it to best understand our learners' needs**
- **implement a plan that provides each student the level of support they need**

This is accomplished by using research-based interventions matched to their specific challenges. MTSS is how we provide an Equitable and Successful Education for ALL Students.

Overview of MTSS Tiers

- The MTSS model requires that we utilize the student's data/information to place them in a tier of support
- Interventions are applied based on the Tier the student is placed in
- Our goal is that 80% of all students be in Tier 1

Implementation: Areas of Concern & Mitigations

- **Staffing for Triage Center(s):** these are supposed to be staffed by the Student Services Coordinators but we have not hired for these positions and have no active candidates
 - **Mitigation:** Pausing the triage center until a robust model is in place. Working with teachers as needed to de-escalate students in the classroom.
- **Confusion Regarding the Role of SST and the Dean's Office:** it will take time for staff to know what types of reports go to which department
 - **Mitigation:** daily check ins between the Dean's Office and SST to review the referrals received that day, this is in addition to the weekly Student Services Meeting.
- **Shifting Old Mindsets Regarding MWA's Service Model:** This can look like advocacy for moving Students to Tier 3 too soon/right away
 - **Mitigation:** Ensure ALL students are going through the assessment process - no student moves through the tiers without assessment.
- **Communication:** Getting teachers to communicate early and often.
 - **Mitigation:** collaborating with school leaders to leverage grade level meetings as a common touchpoint to surface students of concern.

Hello Making Waves Families,

We are excited to announce that our school is implementing a robust Multi-Tiered System of Support (MTSS) for all Making Waves Students.

MTSS stands for multi-tiered systems of support. As the name implies, this framework has a [tiered infrastructure](#) that uses data to help match each student's needs with academic, social-emotional, behavior assessment, and/or instructional resources.

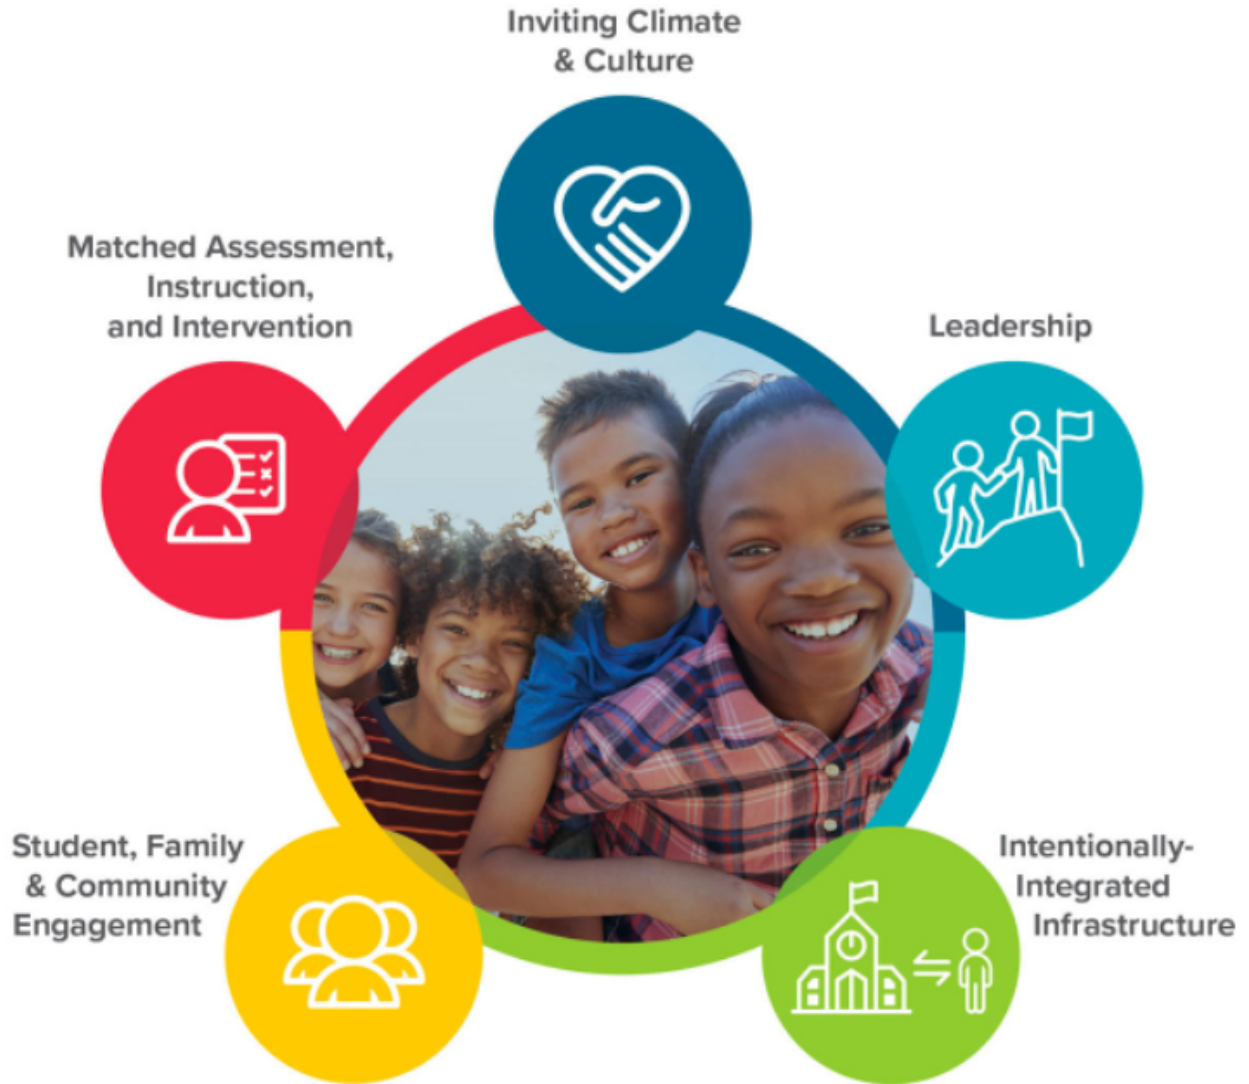

In this tiered, data-informed framework, educators work to ensure that the majority of students respond to core instruction. Students who need additional support for enrichment or remediation are identified by data and provided with the support they need with the right focus and intensity. Our MTSS system will allow teachers and the Student Services Support Team to focus on supporting all of our students using this systematic approach.

We are implementing MTSS because it enables teams to:

- Improve outcomes in academics, social-emotional, and behavior
- Address the unmet needs of students and groups of students
- De-silo data and make systems and processes more effective and connected
- Take a whole-child approach to supporting students
- Help students grow no matter where they start

At the start of the 23/24 school year, we will begin to identify student needs utilizing Student Study Teams (SST's) to determine targeted interventions for students demonstrating challenges in the areas of academics, social emotional functioning, attendance, and or behavioral deficits. Student Study Teams will consist of the following partners: Teachers, Grade Level Leads, our SST Coordinator, dedicated Social Workers, our Behavior Specialist, Academic Intervention Specialists, various Administrators, as well as parents and students.

The success of our students relies on a variety of factors. We are confident that by working together to identify areas of concerns early, and addressing those areas with targeted and integrated interventions, our students will experience better academic, social, emotional, and behavioral outcomes throughout their educational experience.

Student Support Data Report (August 1-October 20, 2023)

What is the data telling us?

- The **highest levels of support and discipline referrals are coming from the 6th and 9th grade levels**
- The **majority of our students have not been suspended or referred for support**
 - 95.4% of students have not been suspended
 - 93.7% of students have not been referred for support from the Student Services Team
- The **majority of reported incidents via Kickboard are taking place in the classroom**
 - 62% in the middle school
 - 69% in the upper school
- The **top suspendable behaviors are:**
 - *Caused/Attempted/Threatened Physical Injury*
 - *Use of Derogatory Terms, Obscene Acts, Profanity and Vulgarity*
- **Most students referred for Student Services Support have more than 2 areas of concern by the time they are referred**
- In the upper school, Kickboard is also being used to **report uniform infractions** but not in the middle school.
 - There were over 150 uniform violations logged in Kickboard for the upper school (not included in the referral counts below).

What are the next steps?

- **Support** - Now that the team is almost fully staffed and onboarded, they will **review this data to inform proactive approaches** to try and address some of the trends seen in the data (grade level patterns, location patterns, behavior/concern patterns) **which may include:**
 - More educational outreach to families about the patterns we are seeing
 - More targeted support for grade levels that are showing more activity (discipline or support)
 - Increasing the use of restorative practices to prevent and restore harm in the community
 - Providing more targeted support to faculty who are experiencing a high volume of student incidents in their classrooms
- **Reporting** - Continue the push to use Kickboard and the Student Services Referral Form as the primary form of reporting
 - Aligning reporting practices across the school to make sure we are capturing all data
- **Response** - Continue following up on student incidents in a timely manner and providing the appropriate level of response based on data

Middle School Intervention at a Glance

- **68%** of students are enrolled in math intervention

- **27%** are enrolled in ELD.

Upper School Intervention at a Glance

- **28%** of students are enrolled in math intervention
- **24%** are enrolled in ELD.

English Language Development

The ELD program started the year with 319 EL students. Of these students, 33% achieved a Level 4 on the Summative ELPAC exam, thus taking the first step towards reclassification. Forty-four students have reclassified so far (14%), with an additional 8 students in progress. Data from the CA School Dashboard states that 49.8% of ELs at Making Waves are making progress towards English language proficiency, as measured by the amount of students maintaining, increasing, or decreasing ELPAC levels. This data places Making Waves in the “Medium” category on the CA School Dashboard.

Additionally, ELD teachers have been implementing the new curriculum, English 3D, with fidelity. The ELD Coordinator provided teachers with pacing guides, an English 3D resource hub, and an ongoing professional development space. School-wide, all staff have begun receiving PDs on academic vocabulary development, with additional PDs regarding close reading and fluency scheduled for later sessions. ELAC meetings continue to be held monthly, with an average attendance of 10 - 30 participants per meeting.

Implementation support is an ongoing priority for the ELD program. Bi-weekly PDs for ELD teachers have focused on unit internalizations, lesson planning, and curriculum implementation. Teachers have reported that while the new curriculum

Board Report - December 2023-24

and online platform has been an expected adjustment, they have noticed an increase in overall participation and increased use of academic language (an identified need from last year), both in written student work and discussions. Teachers continue to build their skills around pacing and lesson timing, and students are continuing to internalize the curricular routines. School-wide, teachers have begun using explicit vocabulary instructional strategies.

Last year, parent partnership was also identified as an area of growth, given the low attendance of ELAC meetings. In order to facilitate parent partnership, ELAC meetings have begun to shift to on campus: Two dates were selected for in-person meetings, with the first in person meeting occurring in October, and the second meeting scheduled for February. ELAC meetings topics have also greatly diversified based on feedback from parents last year: Topics in this year's scope include progress monitoring, reading fluency, mathematical thinking, supporting bilingualism, and ELPAC preparation. An ELAC website was also created to house all of the information presented during ELAC meetings, as well as provide families with resources with which to help their students.

Additionally, parents were also provided with EL-specific progress reports that detail their student's data within the context of reclassification. Parents continue to express the desire for their students to reclassify, and reclassification is a deep source of pride for Making Waves families. Last year, a reclassification ceremony was held on campus to celebrate reclassifying students; The next reclassification ceremony will be held in May of next year. Parents also expressed concerns over the impact of not reclassifying, such as the loss of electives, and college readiness. Finally, some parents have expressed difficulties in both accessing and navigating different online platforms, such as power school and parent square.

Implementation support will continue to be a top priority going into the next semester. Data from upcoming STAR, SBAC, and ELPAC tests will be closely monitored to determine any necessary changes to curriculum implementation. Likewise, at least one full ELD PD session at the end of the year will be reserved specifically for teacher feedback.

While designated ELD is a vital component of the overall ELD program, students spend the majority of their time in integrated, general education classrooms. Therefore, school-wide PD sessions around vocabulary instruction, close reading, and fluency will continue into the next semester. The ELD Coordinator has been partnering with the Literacy Specialist and school leaders to determine PD offerings.

Finally, adjustments have been made to encourage more parent contact: In response to the accessibility needs expressed by families, future EL progress reports will be mailed in addition to being posted online. Likewise, the ELD Coordinator will be mailing a questionnaire regarding ELAC meetings dates and times, as the timing of these meetings may be negatively impacting attendance. Finally, the ELD Coordinator has also begun partnering with the Parent Coordinator to further identify ways to bring more parents into the ELAC space.

Academic Intervention

The Math intervention and ELA intervention implemented this semester have provided better structure and engagement during Flex classes this year. Recent results from a middle school faculty survey show that more than half of teachers have been able to address the academic needs of their students and that materials provided by the Academic Support Services Team have been useful in helping teachers plan their Flex block. Student homogenous groupings and smaller class sizes for our *Tier 3* intervention courses have helped with overall teaching capacity. Teachers can better target skills and increase support for *critical learners* when class sizes are smaller.

Board Report - December 2023-24

The Academic Support Services team was instrumental in reaching the school-wide completion goal of 95% for **MAP Growth and Star Reading assessments**. **MAP Growth** (math) & **Star Reading** (ELA) has been one of our main data sources in identifying students needing academic intervention. In the middle school, recognition boards were implemented this semester to garner more interest in student data and celebrate growth and academic achievement. Students were named and celebrated in our most recent school assembly and are proudly wearing pins on lanyards for this.

Data from MAP Growth & Star Reading assessments have been utilized during Flex PLCs and Math Labs. They are used to monitor student progress and inform instruction. ELA Lab curriculum focuses on knowledge building, vocabulary development, and foundational reading skills. By focusing on nonfiction texts, students learn the knowledge and vocabulary they need to be successful readers. In Math Lab, students focus on academic discourse to gain vocabulary understanding and usage. Students are provided **Key To...** workbooks from McGraw-Hill which are intended to strengthen math foundations. In the upper school, students in Math Labs work on **MATHia** readiness modules, an adaptive supplemental program through **Carnegie Learning** (core day math curriculum). We are piloting the intervention program, Math 180, with two different fifth-grade Math Labs.

Middle school students have just completed their mid-year MAP and Star Reading tests. Assessment scores, progress grades, and teacher qualitative data will be used to re-tier and group students according to their levels in math and ELA for semester 2. New Flex courses will be assigned to those that have shifted Tiers.

Our team has shifted to providing more support during *Tier 1* instruction for our faculty. Curriculum unpacking and integrated intervention strategies during core instruction have been some of the additional supports our team has been offering during coaching sessions and professional development.

Marlin Academy (Extended Day)

Marlin Academy (the state-funded, Extended Learning Opportunity program) has begun this month utilizing **Math 180** and **Read 180** to provide daily additional standards-aligned lessons after school to our enrolled *Tier 3* students. Our Expanded Learning Instructor has also provided push-in support during Flex block for our 5th graders in Tier 3. Push-in support is provided for two days in math and two days in ELA. We hope that we can give the highest level of support to our students who need it most by reducing the ratio in the classroom so that students can receive even more individualized instruction.

Staffing has been one of the major challenges facing Marlin Academy. Currently, we only have one Full-time Expanded Learning Instructor who is working primarily with 5th graders in *Tier 3*. In the interim, our part-time Expanded Learning tutors have been providing support for our 6th graders.

After extensive outreach on behalf of the Marlin Academy team, we have finally hired our second Expanded Learning Instructor who will begin this month. We are in the process of implementing an onboarding and coaching plan so that we can begin providing our *Tier 3* sixth graders with a greater level of academic support.

Board Report - December 2023-24

Special Education

Making Waves Academy (MWA) has made strategic enhancements to its **Special Education (SPED) program**, focusing on increasing staffing and refining academic interventions. With 5 out of 6 SPED teacher positions filled and 10 instructional aides, MWA is fully staffed for teacher compliance and aims to fill the 6th SPED teacher position for broader academic program options. Challenges, such as staffing shortages for in-person occupational therapy, were met by pivoting to virtual services. The implementation of a part-time behavior specialist supports students with IEPs on campus for behavior service minutes.

The SPED department has concentrated on specialized academic instruction (SAI), offering targeted sections and increased SAI time in the middle school (MS) and upper school (US). In the MS, "pull-outs" occur during homeroom, Flex period, and core day instruction, while the US features SAI courses during the core day, aimed at students requiring extensive academic intervention. Transition planning has become a focal point, with efforts to prepare students for post-secondary education and careers, including exploring community college and vocational pathways.

MWA has introduced Educational Rights Mental Health Services (ERMHS) through Seneca Family of Agencies in the 2023-24 academic year, catering to students with IEPs and addressing their mental health needs. Additionally, the Reading Intervention program has evolved, with the implementation of **Sunday curriculum** in all MS grades and increased frequency for students needing intensive reading intervention. The US utilizes the **Rewards Intermediate and Secondary Reading Intervention Program** during SAI and Flex periods, emphasizing decoding, fluency, academic vocabulary, and comprehension through novel studies. These comprehensive efforts reflect MWA's commitment to providing a supportive and tailored educational experience for students with diverse needs.

The Special Education (SPED) program at Making Waves Academy (MWA) has implemented various strategies to enhance services and support for students. In the upper school (US), designated Specialized Academic Instruction (SAI) sections during the core day and intervention blocks have allowed for a more individualized and extensive range of services based on academic needs. Monthly group transition services support students with college and career service minutes, addressing post-secondary education plans for both four-year universities and community college or vocational pathways.

Through a partnership with Seneca, MWA offers Educational Rights Mental Health Services (ERMHS), providing individual and group therapy, parent counseling, and social skills groups. Mental health funding now flows directly to Local Education Agencies (LEAs), allowing greater flexibility in using state ERMHS funding for all students. In reading intervention, there have been notable improvements in STAR reading proficiency, with increases in both MS and US students' scores. The Sunday Mid-Year Progress Check in the MS highlights positive progress across grade levels, with gains in Sunday skill levels and STAR testing progress.

However, challenges persist in math intervention, as SBAC math scores for students with IEPs and Math MAP growth percentiles in the MS show limited improvement. The SPED department is addressing this by focusing on foundational math skills using the Math Steps program. Targeting skill gaps, the program covers basic math operations, starting from single-digit addition/subtraction to more complex concepts like ratios and percents. "Push-in" support in general education math courses and familiarity with the new Carnegie math curriculum in the US are also prioritized to enhance math intervention efforts. The SPED department remains committed to addressing challenges and fostering continued growth in student achievement.

Board Report - December 2023-24

The Special Education (SPED) program at Making Waves Academy (MWA) is actively working towards identifying and expanding specialized academic intervention times in the Middle School (MS) to address significant academic skill gaps in earlier grades. The goal is to explore options to expand pull-out modified curriculum and SAI time for students with significant reading and math skill deficits within the general education schedule. The SPED program aims to create detours around inclusive master scheduling barriers and ultimately build an inclusive master schedule aligned with MWA's organizational vision, mission, and SPED programmatic goals.

The current continuum of least restrictive environment offerings at MWA spans from full inclusion in general education to separate settings, non-public school placements, and home instruction. The SPED program is exploring opportunities for potential expansion of SPED environments and services, focusing on meeting the diverse needs of students along this continuum.

In terms of transition planning, MWA is actively exploring local charter schools with expanded transition plans and functional skills high school programs. The SPED department is also expanding collaboration with local community resources to enhance vocational pathways and job readiness for students. Plans are underway to take interested students to explore local community colleges and vocational programs during the second semester.

For Educational Rights Mental Health Services (ERMHS), MWA is looking to expand its partnership with Seneca and/or another on-site therapy provider to a full-time contractor/staff member. The SPED department aims to explore pathways for direct medical billing for mental health services and continue collaboration with intervention and holistic services teams to support MWA's Multi-Tiered System of Support (MTSS) for academic, behavioral, and mental health needs.

In reading intervention, the SPED program plans to continue measuring the effectiveness of the Sonday phonics intervention curriculum in the MS and assess progress in the US with the Rewards Intermediate/Secondary reading intervention programs. For math intervention, the department is reviewing the Math 180 curriculum as a potential additional tool to address significant math skill gaps during SAI and Flex math intervention blocks. Finding ways to simultaneously address key skill gaps in SPED while providing support and differentiated Tier 1 grade level instruction is considered crucial for sustained math achievement growth.

MWA CEO Report to the MWA Board

DEC 2023

The first semester of the 2023-24 school year is upon us. Through the first half of the year, we have completed or embarked upon a variety of activities and made progress in some key strategic areas.

Highlights

- Key mid-year hires – 2 Assistant Principals, 1 dean, and 1 Dir. of College and Career Counseling
- Dr. Jackson and the Instructional Leadership Team (ILT) have taken on the following:
 - Collecting and providing feedback to our faculty on their lesson planning documents
 - Targeted trainings that expands our capacity to provide support our faculty
 - Completing a full and formal, school-wide faculty observation/evaluation cycle, along with 1:1 debrief meetings
- Boys' Varsity soccer team advanced to another section, losing in overtime by 1 goal
- Both divisions have hosted student dances
- All students took interim assessments (preparation for the end of the year assessments)
- Field trips to area colleges, a career exploration trip to Habitat for Humanity, and a science trip
- Seniors applying to colleges and faculty writing recommendations for them

Starting in November, I invited various individuals and teams across the school to meet with me to discuss five things: 1) successes, 2) challenges, 3) any data they wanted to share, 4) and pivots so far this year, and 5) any reflections. I have had about five of these meetings so far, with a few more scheduled before the end of the calendar year. I have found all of them to be very helpful. I will conduct a few more in January and then have a round two of meetings with everyone again in the spring.

WASC/LCAP/"Big Rocks" Glossary

- **WASC** (Western Association of Schools and Colleges) – MWA's school accreditation organization; requires renewal every 6 years and assesses a school's progress against self-identified goals
- **LCAP** (Local Control Accountability Plan) – State's accountability tool tied to priority funding areas
- **"Big Rocks"** – priorities; tasks, projects, goals, and mission critical objectives (Forbes, 1/20/21)

Board Report

Chief Operating Officer

December 2023

Elizabeth Martinez

Chief Operating Officer

For the December MWA Board of Directors Meeting, I am providing the first annual report dedicated to talent data. We set October 1st as the data close out date; that is when we will look at our recruitment data for the previous year.

What?

Making Waves Academy Recruiting and Hiring Data

Data Collected: 02/10/23-10/01/23

Candidate Pipeline by Role

	Hired	Hired %	Not Hired	Total Candidates
Faculty (does not include SPED)	18	3.04%	574	592
Special Education	4	9.09%	40	44
Other roles	23	3.47%	639	662
Leadership	4	0.89%	444	448
TOTAL	49	2.81%	1697	1746

- Nearly 50% of candidates who are eventually offered a job at MWA actively sought us out and applied via our job board (vs. recruitment or passive sourcing)

Days to Hire

- From Feb. 10 - June 1, average time from initial application to offer was 52 days
- From June 1 - November 17, we were able to decrease this to an average of 30 days
 - During the most critical hiring season (June 1 - August 1), this was decreased to 25 days!

Diversity of New Hires

New Hire Diversity (2023-2024)

December 2023

So What?

After reviewing the data, here are some key takeaways:

- The candidate pool is healthy - there are a lot of candidates out there who want to work at MWA!
- Speed to hire is increasing despite a more rigorous hiring process.
 - There is room for improvement in cutting down the time between interview and offer, the average is 28 days - the longer the time frame, the more likely it is that we lose strong candidates.
- Candidate pool is diverse
 - 64.4% of applicants identify as people of color
 - 13.3% of applicants identify as white
 - 22.2% declined to share race/ethnicity at time of application
- Robust systems help us do more with less, we currently have one full-time MWA employee and two contractors who work an average of 25-30 hours per week combined. This puts our personnel at an equivalent of 1.75 FTEs, the previous iteration of the team operated with 3 FTEs and seasonal temps.
- Although we reduced our recruitment budget significantly (we cut down costly services, we did not attend recruitment fairs, etc), we saw a significant increase in applicants by using technology appropriately and to its full potential as well as modifying subscriptions to a level that correlates with our size (Indeed, LinkedIn, etc).

Now What?

This is the first year that we have access to quantitative data from Talent that was pulled from a system. Although we do not have a full 12-month cycle of data to look at, the data we have seen is supporting me in making critical decisions about the upcoming hiring season.

- Faculty applications for SY24-25 will launch December 5, 2023. Like last year, we will be posting all subject areas, regardless of whether or not there is a vacancy in order to build pools of qualified talent. The launch was moved up to align with the Intent to Return process.
- This year, we are continuing to refine the hiring process based on feedback from candidates, hiring managers, and interviewers. Some changes include:
 - Implementing review deadlines to allow for a more competitive process, better comparison of candidates, and to get offers to candidates sooner.
 - Clarifying and streamlining candidate communications so that they communicate with one person throughout their process.
 - Updating faculty hiring tasks to be better aligned with school leader needs and expectations
- Goal is to have at least 90% of known/anticipated vacancies filled by July 1, 2024
 - Working closely with HR on the Intent to Return process in order to identify potential vacancies as soon as possible.
- Increased training for Hiring Managers on the “art” of hiring as well as the process. Last year the team focused on getting Hiring Managers to use the new ATS, now that the system is being used fairly consistently we are focused on creating consistency across Hiring Managers so that everyone is screening for the same qualities/competencies/flags (these are set by MWA and not individuals).

Overall, I am excited about year 2 and the upcoming hiring season. More to come!

Executive Summary for FY 2023-24 1st Interim Report

November 15th, 2023

Revenues Summary (Compared with the FY'24 Original Budget):

- Government revenues **decreased** by **\$892,788** or **4%**.
- Projected to receive interest income of **\$372,896**.
- Estimated JRSF contribution **decreased** by **\$1,090,016** or **9%**.

Expenses Summary (Compared with the FY'24 Original Budget):

- The total expenses **decreased** by **\$1,609,908** or **5%**.
 - MWA – “School” expenses **decreased** by **\$1,643,106** or **5%**.
 - Central Office expenses **increased** by **\$33,198** or **1%**.

Key Overview for the FY'24 1st Interim Budget

The following items highlight the **key changes** from the **FY'24 Original Budget** to the **FY'24 1st Interim Budget**:

1. Government Revenues

- a. The student enrollment decreased by 12 from the original budget.
- b. Fewer students participated in the meal program.
- c. We used a larger portion of ESSER funds last year, resulting in fewer funds available for this year.
- d. Pushed some one-time categorial funds to outer years due to staffing shortage.
- e. The Special Education funding rate increased from \$820/ADA to \$887/ADA.

2. Interest Income

- a. Invested some cash reserves in money market funds/treasury bills to take advantage of the favorable interest environment.
- b. However, we will not count on this additional revenue source in the future.

3. Expenses

- a. Almost all the savings for “MWA – School” expenditures are due to vacant positions and a net decrease of ten FTEs as compared with the original budget.
- b. Central Office expenditures stay almost flat – the savings from the CFO transition to part-time was offset by adding a new Impact Fellowship intern.

Detailed Summary of Changes (FY'24 Original Budget to the FY'24 1st Interim Budget)

MWA – “SCHOOL” EXPENDITURES: TOTAL CHANGES – **Decreased BY \$1,643,106 (5%)**

- I. Salaries and Benefits – **Decreased** by **\$1,630,305 (8%)****

 - Saved on salaries and benefits for 17 vacant positions
 - Saved on a net decrease of ten positions (pro-rated salaries)

- II. Supplies – **Decreased** by **\$92,728 (6%)****

 - Reduced the meal program due to lower participation
 - Added extra US curricula and a set of textbooks for the Spanish Department

- III. Contracted Services – **Increased** by **\$79,927 (1%)****

 - Eliminated contracted services for Bilingual Receptionist and 504 Plan Entry & Coordination
 - Eliminated the RT Fisher contract
 - Reduced the tuition for Teacher Residents due to having one fewer resident than projected
 - Added Instructional Partners contract
 - Increased contracted services for substitute teachers to cover vacant teaching positions
 - Added a Part-Time Behavior Specialist for the Special Education Department

CENTRAL OFFICE EXPENDITURES: TOTAL CHANGES – **Increased BY \$33,198 (1%)**

- I. Salaries and Benefits – **Increased** by **\$19,120 (1%)****

 - Saved on CFO transition to part-time
 - Added a new Impact Fellowship intern

- II. Supplies – **Decreased** by **\$2,000 (3%)****

 - Saved on office supplies

- III. Contracted Services – **Increased** by **\$16,078 (2%)****

 - Saved on legal fees
 - Increased bank fees

2024-2025 Academic Calendar

Section: IV. Consent Action Items
Item: A. 2024-2025 Academic Calendar
Purpose: Vote
Submitted by: Katharine Mason
Related Material: MWA Academic Calendar 2024-2025 DRAFT for Board approval.pdf

BACKGROUND:

The proposed 2024-2025 Academic Calendar provides 182 days of instruction for MWA students, seven (7) professional development days for faculty, and ten (10) faculty workdays with no students, for a total of 199 total workdays for faculty. Also noted here are all holidays and school recess/breaks, progress report dates, Early Dismissal days, and sustainability Fridays for staff. This calendar is shared with staff, faculty and MWA families for their information and planning purposes.

RECOMMENDATION:

We recommend the Board approve the 2024-2025 Academic Calendar as presented.

Public Comment

- The public may address the MWA Board regarding any item within the subject-matter jurisdiction of the MWA governing board.
- Under Public Comment for Special Committee Meetings, members of the public may
 - The public may address the Board regarding **any item that has been described in the notice for this meeting.**
 - **Presentations are limited to two minutes each**, or a total of ten minutes for all speakers, or the two-minute limit may be shortened.
- In accordance to the Brown Act, the MWA Board may listen to comments, but can neither discuss nor take action on the topics presented. Members of the board are very limited in their response to statements or questions by persons commenting on items not on the agenda.
- **While meetings are held virtually, speakers may submit a request to speak before 9:00 AM on the day of the board meeting or use the raise hand function during the public comment sections of the meeting.**
 - **If you would like to send your request to speak prior to the meeting, please email your request to eberedo@mwacademy.org in English or Spanish.**
 - Your submission should:
 - indicate if it is a general public comment for the beginning of the meeting or a comment for a specific agenda item (please include the item number).
 - include your name so that you can be called when it is your turn to speak.
 - During the meeting, we will call your name and you should use the "raise hand" feature to identify yourself.
- Under SB1036 the minutes from this meeting will omit student and parent names and other directory information, except as required by judicial order or federal law. If a parent/legal guardian wishes a name be included, one must inform the board prior to their public comment.

Comentarios públicos

- *El público puede dirigirse a la Junta Directiva de la MWA con respecto a cualquier asunto dentro de la jurisdicción del tema materia por la Junta Directiva de la MWA.*
- *Bajo comentario público, los miembros del público pueden:*
 - El público puede dirigirse a la Junta con **respecto a cualquier tema que se haya descrito en el aviso para esta reunión.**
 - **Las presentaciones están limitadas a dos minutos cada una, o un total de diez minutos para todos los oradores, o se puede acortar el límite de dos minutos.**
- *De acuerdo con la Ley Brown, la Junta Directiva de la MWA puede escuchar los comentarios, pero no discutirán ni tomarán medidas sobre los temas presentados. La respuesta de los*

miembros de la Junta Directiva a las declaraciones o preguntas de las personas que comentan temas que no figuran en el orden del día es muy limitada.

- ***Mientras las reuniones se llevan a cabo virtualmente, los miembros del público que desean hablar durante la junta pueden presentar una solicitud para hablar antes de las 9:00 a.m. del día de la reunión de la junta o usar la función de levantar la mano durante las secciones de comentarios públicos de la reunión.***
 - ***Si desea enviar su solicitud de uso de la palabra antes de la reunión, envíe su solicitud por correo electrónico a eberedo@mwacademy.org en inglés o español.***
 - ***En su solicitud:***
 - ***Incluya su nombre para que pueda ser llamado cuando sea su turno de hablar.***
 - ***indicar si es un comentario público general para el comienzo de la reunión o si es comentario público sobre un artículo específico del programa (incluya el número del artículo).***
 - ***Durante la reunión, le llamaremos por su nombre y deberá utilizar la función de "levantar la mano" para identificarse.***
- ***En virtud de la SB1036, las actas de esta reunión omitirán los nombres de los estudiantes y padres y otra información del directorio, excepto cuando lo requiera la orden judicial o por la ley federal. Si un padre/tutor legal desea que se incluya un nombre, se debe informar a la junta antes de su comentario público.***

Guests Present

Alton B. Nelson Jr. (remote), Dela Morris (remote), Edeson Beredo (remote), Eric Becker (remote), Tameka Jackson (remote)

I. Opening Items

A. Call the Meeting to Order

Alicia Klein called a meeting of the Curriculum Advisory Committee of Making Waves Academy to order on Friday Oct 13, 2023 at 10:30 AM.

B. Record Attendance and Guests

C. Public Comment

There was an opportunity for public comment. No public comments were made.

II. Curriculum

A. Introductions, Orientation to the Agenda, and Overview Focus for Spring Meeting

Mr. Nelson started the meeting by outlining this year's milestones and adaptive changes.

B. Curriculum and Instruction Discussions

Board members had an opportunity to pre-read the Instructional Playbook, revised Math and ELA rubrics, Leader Goals, and Faculty Evaluation Structure material. Dr. Jackson reviewed the Instructor-Led Training (ILT) model adopted this Fall, which allows a hands-on personal approach between teachers and their coaches, making the classroom a social learning environment. The committee members asked questions about the materials and presentation, particularly about coaching and teacher buy-in.

C. Break

The board adjourned for a short break.

D. New Curriculum Updates

The committee discussed the US math curriculum, the challenges with social science and possibly science curriculum, and observations to ensure MS students feel the curriculum is accessible.

E. Social-Emotional Learning Approach

Committee members asked questions about the Social-Emotional Learning (SEL) pilot programs and the longer-term goals for SEL instruction.

III. Closing Items

II. Finance

A. FY24 1st Interim Budget

The CFO outlined significant changes in the FY'24 1st Interim Budget compared to the Original Budget.

Government revenues decreased by \$893K, while interest income increased by \$373K. Total expenditures decreased by \$1.6M in the 1st interim budget, primarily caused by unfilled positions.

The Finance Committee recommends the 2023-24 First Interim Budget for approval by the MWA Board.

B. 2024 MWA Health Insurance Renewal Update

The CFO reported a projected 10% increase in the 2024 health insurance premiums, which will cost MWA approximately \$220K.

Consideration is underway for the introduction of an HSA-Compatible High Deductible Plan, a spousal surcharge and Medical Opt-out for Employees to mitigate the impact of the premium increases.

C. FY23 Financial Audit Update

The Director of Finance shared positive news on the FY23 Financial Audit. MWA received a clean audit without any adjustments.

**MINUTES OF MEETING OF
AUDIT COMMITTEE OF THE
BOARD OF DIRECTORS
of
MAKING WAVES ACADEMY**

November 17, 2023

A meeting of the Audit Committee of the Board of Directors of the Making Waves Academy (the “Committee”) was duly noticed and convened by zoom video conference call on November 17, 2023, commencing at 1:35 p.m. PST.

The following members attended the meeting:

Phil Gordon, Chair
Lori Kulvin Crawford
Janis Glover

Also in attendance:

Lili Huang , Partner – Clifton Larson Allen LLP (“CLA”)
Victoria Sprague, Director – CLA
Hung Mai - Director of Finance, Making Waves Academy

Ms. Kulvin Crawford agreed to take the minutes. Due notice having been given and with all members attending, the Chair announced that a quorum was present and called the meeting to order. The meeting proceeded to cover matters on an agenda and in other materials circulated to the Committee prior to the meeting, including draft financial statements and the Governance Communication Letter for the Making Waves Academy (“MWA”) for the year ended June 30, 2023.

1. Discussion of Annual Audited Financial Statements for MWA, Including Governance Letter for the Year Ended June 30, 2023.

Ms. Huang reviewed the Governance Communication Letter. Ms. Sprague reviewed the draft Independent Auditor’s Report and MWA financial statements with the Committee, noting that (i) she and her team had encountered no difficulties or disagreements in dealing with MWA management while performing and completing the audit of MWA financial statements; that (ii) no deficiencies were found, i.e., there were no findings or questioned costs; and that (iii) the financial statements, in all material respects, fairly present the financial position of MWA.

Following discussion, the Committee accepted and approved the Independent Auditor’s Report and Financial Statements.

2. Executive Session.

The Committee met in executive session with Ms. Huang and Ms. Sprague, with Mr. Mai excused from that portion of the meeting.

3. Future Meetings.

The Committee affirmed plans to meet twice yearly with the independent auditors, (i) initially early in the calendar year to define a work plan and schedule for the annual audits, following Board approval/renewal of the outside auditor's engagement; and (ii) later in the calendar year, after annual audits have been completed and draft financial statements circulated to the Committee for review, to discuss the results of the audits – with further, internal meetings of the Committee to be scheduled as needed.

Next meeting: To be scheduled for early 2024.

There being no further business to consider, the meeting was adjourned at 2:05 p.m. PST.

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Making Waves Academy (the School), a California nonprofit public benefit corporation, which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the School as of June 30, 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Making Waves Academy and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the School's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Board of Directors
Making Waves Academy

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the School's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Board of Directors
Making Waves Academy

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the School's financial statements as a whole. The supplementary information (as identified in the table of contents) accompanying supplementary schedules, and the accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and, except for the portion marked "unaudited", was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole. The Local Education Agency Organization Structure, which is marked "unaudited", has not been subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued a report dated REPORT DATE on our consideration of the School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Making Waves Academy (the School) is a nonprofit public benefit corporation. The School was approved by the Contra Costa County Board of Education for a five-year charter and was approved as a public charter school by the State of California Department of Education on May 9, 2007 (charter #868). On February 15, 2017, the Contra Costa County Board of Education renewed the School's charter through June 30, 2022. In July 2021, Governor Gavin Newsom signed into law a requirement to extend most charter school petition terms by two years. The extensions apply to all charters that would otherwise expire on or between January 1, 2022 and June 30, 2025. Therefore, the School's charter term is extended to June 30, 2024. In July 2023, Governor Gavin Newsom signed into law a requirement to extend most charter school petitions terms by an additional year. Therefore, the school's charter term are extended to June 30, 2025.

The School started in August 2007, and currently serves approximately 1,123 students in grades 5 through 12.

The charter may be revoked by the Contra Costa County Board of Education for material violations of the charter, failure to meet pupil outcomes identified in the charter, failure to meet generally accepted standards of fiscal management, or violation of any provision of the law.

Mission

The School commits to rigorously and holistically preparing students to gain acceptance to and graduate from college to ultimately become valuable contributors to the workforce and their communities.

Basis of Accounting

The financial statements have been prepared on the accrual method of accounting and accordingly reflect all significant receivables and liabilities.

Basis of Presentation

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America as prescribed by the Financial Accounting Standards Board.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Functional Allocation of Expenses

Costs of providing the School's programs and other activities have been presented in the statement of functional expenses. During the year, such costs are accumulated into separate groupings as either direct or indirect. Indirect or shared costs are allocated among program and support services by a method that best measures the relative degree of benefit. The expenses that are allocated include salaries and wages, pension expense, other employee benefits, payroll taxes, other fees for services, office expenses, printing and postage, information technology, and other expenses, which are allocated on the basis of estimates of time and effort.

Cash and Cash Equivalents

The School defines its cash and cash equivalents to include only cash on hand, demand deposits, and liquid investments with original maturities of three months or less.

Net Asset Classes

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as restricted revenue when received and released from restrictions when the assets are placed in service. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. There were no net assets with donor restrictions at June 30, 2023.

Accounts Receivable

Accounts receivable – other represents amounts due from private persons, firms, or corporations based on contractual agreements or amounts billed but not received as of June 30, 2023. Accounts receivable – federal and state represents amounts due from federal and state governments as of June 30, 2023. Management believes that all receivables are fully collectible; therefore, no provisions for uncollectible accounts were recorded.

**MAKING WAVES ACADEMY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Property, Plant, and Equipment

Property, plant, and equipment are stated at cost, if purchased, or at estimated fair value, if donated. Depreciation is provided on a straight-line basis over the estimated useful life of the asset. Useful lives range between 5 years for equipment to 39 years for certain leasehold improvements. The School capitalizes all expenditures for land, buildings, and equipment in excess of \$25,000.

Contributed Assets and Services

Contributions of donated noncash assets are recorded at fair value in the period received. Contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at fair value in the period received. There was no contributed assets and services during the year ended June 30, 2023.

Compensated Absences

Accumulated unpaid employee vacation benefits are recognized as a liability of the School. The current portion of the liability, if material, is recognized at year-end. The entire compensated absences liability is reported on the statement of financial position. Employees of the School are paid for days or hours worked based upon board-approved schedules which include vacation. Sick leave is accumulated without limit for each employee at the equivalent rate of two-thirds of a day for each full month of service. Sick leave with pay is provided when employees are absent for health reasons.

Revenue Recognition

Amounts received from the California Department of Education are conditional and recognized as revenue by the School based on the average daily attendance (ADA) of students. Revenue that is restricted is recorded as an increase in net assets without donor restriction, if the restriction expires in the reporting period in which the revenue is recognized. All other restricted revenues are reported as increases in net assets with donor restriction.

Contributions

All contributions are considered to be available for use unless specifically restricted by the donor. Amounts received that are restricted to specific use or future periods are reported as contributions with donor restrictions. Restricted contributions that are received and released in the same period are reported as promises to give without donor restrictions. Unconditional promises to give expected to be received in one year or less are recorded at net realizable value. Unconditional promises to give expected to be received in more than one year are recorded at fair value at the date of the promise. Conditional promises to give are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met.

**MAKING WAVES ACADEMY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Conditional Grants

Grants and contracts that are conditioned upon the performance of certain requirements or the incurrence of allowable qualifying expenses (barriers) are recognized as revenues in the period in which the conditions are met. Amounts received are recognized as revenue when the School has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as deferred revenues in the statement of financial position. As of June 30, 2023, the School has conditional grants of \$5,162,523 of which \$3,868,015 is recognized as deferred revenue in the statement of financial position.

Property Taxes

Secured property taxes attach as an enforceable lien on property as of January 1. Taxes are levied on September 1 and are payable in two installments on or before November 1 and February 1. Unsecured property taxes are not a lien against real property and are payable in one installment on or before August 31. The County bills and collects property taxes for all taxing agencies within the County and distributes these collections to the various agencies. The sponsor agency of the School is required by law to provide in lieu property tax payments on a monthly basis, from August through July. The amount paid per month is based upon an allocation per student, with a specific percentage to be paid each month.

Income Taxes

The School is a nonprofit entity exempt from the payment of income taxes under Internal Revenue Code Section 501(c)(3) and California Revenue and Taxation Code Section 23701d. Accordingly, no provision has been made for income taxes. Management has determined that all income tax positions are more likely than not of being sustained upon potential audit or examination; therefore, no disclosures of uncertain income tax positions are required. The School files an exempt School return in the U.S. federal jurisdiction and with the California Franchise Tax Board.

Leases

In February 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update 2016-02, *Leases* (ASC 842). The School determines if an arrangement is a lease at inception. Operating leases are included in operating lease right-of-use (ROU) assets, and operating lease liabilities on the statement of financial position. Finance leases are included in financing ROU assets, and lease liabilities – financing on the statement of financial position.

ROU assets represent the School's right to use an underlying asset for the lease term and lease liabilities represent the School's obligation to make lease payments arising from the lease. ROU assets and liabilities are recognized at the lease commencement date based on the present value of lease payments over the lease term.

**MAKING WAVES ACADEMY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Leases (Continued)

As most of leases do not provide an implicit rate, the School uses its incremental borrowing rate based on the information available at commencement date in determining the present value of lease payments. The operating lease ROU asset also includes any lease payments made and excludes lease incentives. The lease terms may include options to extend or terminate the lease when it is reasonably certain that the School will exercise that option. The School has elected to recognize payments for short-term leases with a lease term of 12 months or less as expense as incurred and these leases are not included as lease liabilities or ROU assets on the statement of financial position.

Adoption of New Accounting Standards

In February 2016, the FASB issued Accounting Standards Update 2016-02, *Leases* (ASC 842). The new standard increases transparency and comparability among organizations by requiring the recognition of right-of-use (ROU) assets and lease liabilities on the balance sheet. Most prominent of the changes in the standard is the recognition of ROU assets and lease liabilities by lessees for those leases classified as operating leases. Under the standard, disclosures are required to meet the objective of enabling users of financial statements to assess the amount, timing, and uncertainty of cash flows arising from leases. The School adopted the requirements of the guidance effective July 1, 2022 and has elected to apply the provisions of this standard to the beginning of the period of adoption with certain practical expedients available.

The School elected the available practical expedients to account for existing capital leases and operating leases as finance leases and operating leases, respectively, under the new guidance, without reassessing (a) whether the contracts contain leases under the new standard, (b) whether classification of capital leases or operating leases would be different in accordance with the new guidance, or (c) whether the unamortized initial direct costs before transition adjustments would have met the definition of initial direct costs in the new guidance at lease commencement.

In addition, the School elected the hindsight practical expedient to determine the lease term for existing leases. The election of the hindsight practical expedient resulted in the shortening of the lease term for the existing lease and the useful life of the corresponding leasehold improvements.

As a result of the adoption of the new lease accounting guidance, the School recognized on July 1, 2022 a ROU asset at the carrying amount of the operating lease asset of \$205,093. The School also recognized on July 1, 2022 a lease liability of \$158,374, which represents the present value of the remaining finance lease payments discounted using the School's incremental borrowing rate ranging from 2.87% of 3.88%.

Evaluation of Subsequent Events

The School has evaluated subsequent events through REPORT DATE, the date these financial statements were available to be issued.

**MAKING WAVES ACADEMY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023**

NOTE 2 LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure are those without donor or other restrictions limiting their use within one year of the statement of financial position date. Financial assets available for general expenditures comprise cash and cash equivalents and accounts receivable for the total amount of \$14,452,625. As part of its liquidity management plan, the School monitors liquidity required and cash flows to meet operating needs on a monthly basis. The School structures its financial assets to be available as general expenditures, liabilities and other obligations come due.

NOTE 3 CONCENTRATION OF CREDIT RISK

The School maintains cash balances held in banks which are insured up to \$250,000 by the Federal Depository Insurance Corporation (FDIC). At times, cash in these accounts exceeds the insured amounts. The School has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on its cash and cash equivalents.

During the year ended June 30, 2023, approximately 25% of the School's total revenue was derived from one major donor. There was no related accounts receivable balance as of June 30, 2023.

NOTE 4 PROPERTY, PLANT, AND EQUIPMENT

The School's property, plant, and equipment consisted of the following as of June 30, 2023:

Leasehold Improvements	\$	435,813
Vehicles		22,400
Total		458,213
Less: Accumulated Amortization		(188,718)
Total Property, Plant, and Equipment	\$	269,495

Depreciation expense for the year ended June 30, 2023 was \$18,201.

NOTE 5 EMPLOYEE RETIREMENT

Multiemployer Defined Benefit Pension Plans

Qualified employees are covered under multiemployer defined benefit pension plans maintained by agencies of the state of California.

The risks of participating in these multiemployer defined benefit pension plans are different from single-employer plans because: (a) assets contributed to the multiemployer plan by one employer may be used to provide benefits to employees of other participating employers, (b) the required member, employer, and state contribution rates are set by the California Legislature, and (c) if the School chooses to stop participating in the multiemployer plan, it may be required to pay a withdrawal liability to the plan. The School has no plans to withdraw from these multiemployer plans.

**MAKING WAVES ACADEMY

NOTE 5 EMPLOYEE RETIREMENT (CONTINUED)

State Teachers' Retirement System (STRS)

Plan Description

The School contributes to the State Teachers' Retirement System (STRS), a cost-sharing multiemployer public employee retirement system defined benefit pension plan administered by STRS. The plan provides retirement, disability and survivor benefits to beneficiaries. Benefit provisions are established by state statutes, as legislatively amended, within the State Teachers' Retirement Law. According to the most recently available Comprehensive Annual Financial Report and Actuarial Valuation Report for the year ended June 30, 2022 total STRS plan net assets are \$300 billion, the total actuarial present value of accumulated plan benefits is \$434 billion, contributions from all employers totaled \$6.513 billion, and the plan is 74.4% funded. The School did not contribute more than 5% of the total contributions to the plan.

Copies of the STRS annual financial reports may be obtained from STRS, 7667 Folsom Boulevard, Sacramento, CA 95826 and www.calstrs.com.

Funding Policy

Active plan members hired before January 1, 2013 are required to contribute 10.25% of their salary and those hired after are required to contribute 10.21% of their salary. The School is required to contribute an actuarially determined rate. The actuarial methods and assumptions used for determining the rate are those adopted by the STRS Teachers' Retirement Board. The required employer contribution rate for year ended June 30, 2023 was 19.10% of annual payroll. The contribution requirements of the plan members are established and may be amended by state statute.

The School's contributions to STRS for the past three years are as follows:

<u>Year Ending June 30,</u>	<u>Required Contribution</u>	<u>Percent Contributed</u>
2021	\$ 1,402,076	100%
2022	\$ 1,239,354	100%
2023	\$ 1,406,879	100%

Defined Contribution 403(b) Retirement Plan

The School offers an Internal Revenue Code Section 403(b) retirement plan to each of its qualifying employees. Employees may contribute their own amounts to the plan at any time. The employer will match noninstructional staff contributions on the following schedule: after six months of service 3%; after three years of service 4%; after five years of service 5% and after ten years of service 6%. Employees are fully vested at the time contributions are made. The amount of employer contributions used to purchase annuity contracts for the year ended June 30, 2023 was \$124,213.

**MAKING WAVES ACADEMY

NOTE 6 FACILITIES USE AGREEMENT

The School has entered a facilities use agreement with Making Waves Education Foundation which expired in June 2023, and was renewed through June 2024. Lease expense under this agreement for the year ended June 30, 2023 was \$1,840,838.

Future minimum lease payments are as follows:

Year Ending June 30,	Amount
2024	\$ 1,840,838

NOTE 7 OPERATING LEASE AGREEMENTS

The School leases equipment for various terms under long-term, non-cancelable lease agreements. The leases expire at various dates through 2026. The expected amount payable under the residual guarantees is \$158,374 at June 30, 2023

The School classifies the total undiscounted lease payments that are due in the next 12 months as current. A maturity analysis of annual undiscounted cash flows for lease liabilities as of June 30, 2023, is as follows:

Year Ending June 30,	Amount
2024	\$ 67,900
2025	66,937
2026	30,881
Total Lease Payments	165,718
Less: Interest	(7,344)
Present Value of Lease Liabilities	\$ 158,374

The following table provides quantitative information concerning the School's lease for the year ended June 30, 2023:

Quantitative Disclosures:

Lease Cost:

Operating lease cost	\$ 51,395
Total lease cost	51,395

Other Information:

NOTE 8 JOINT POWERS AGREEMENT

The School entered into a Joint Powers Agreement (JPA) known as the California Charter School Association Joint Powers Authority (CCSA-JPA): a self-insurance plan for workers' compensation, property/casualty, and school board liability insurance. The CCSA-JPA is governed by a board of five members, two of which represent member organizations. The board controls the operation of the CCSA-JPA including selection of management and approval of operating budgets independent of any influence by the member organizations beyond their representation on the board. Each member organization pays a premium commensurate with the level of coverage requested and shares surpluses and deficits proportionate to their participation in the CCSA-JPA. The CCSA-JPA is a 501(c) agency trust, which is audited by an independent accounting firm.

NOTE 9 CONTINGENCIES, RISKS, AND UNCERTAINTIES

The School has received state and federal funds for specific purposes that are subject to review and audit by the grantor agencies. Although such audits could generate disallowances under terms of the grants, it is believed that any required reimbursement would not be material.

NOTE 10 SUBSEQUENT EVENTS

In July 2023, Governor Gavin Newsom signed into law a requirement to extend most charter school petitions terms by an additional year. Therefore, the school's charter term are extended to June 30, 2025.

PURPOSE OF SCHEDULES

NOTE 1 SCHEDULE OF INSTRUCTIONAL TIME

This schedule presents information on the amount of instructional time offered by the School and whether the School complied with the provisions of California Education Code.

NOTE 2 SCHEDULE OF AVERAGE DAILY ATTENDANCE

Average daily attendance is a measurement of the number of pupils attending classes of School. The purpose of attendance accounting from a fiscal standpoint is to provide the basis on which apportionments of state funds are made to charter schools. This schedule provides information regarding the attendance of students at various grade levels.

NOTE 3 RECONCILIATION OF ANNUAL FINANCIAL REPORT WITH AUDITED FINANCIAL STATEMENTS

This schedule provides the information necessary to reconcile the net assets of the charter schools as reported on the Annual Financial Report form to the audited financial statements.

NOTE 4 WCCUSD MEASURE G PARCEL TAX REVENUE AND EXPENSES

This schedule provides the revenues and expenditures for Measure G Parcel Tax for the past three years.

NOTE 5 SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of the School under programs of the federal governmental for the year ended June 30, 2023. The information in this Schedule is presented in accordance with the requirements of the Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein, certain types of expenditures are not allowable or are limited as to reimbursement. Because the Schedule presents only a selected portion of operations of the School, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the School.

NOTE 6 INDIRECT COST RATE

The School has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors
Making Waves Academy
Richmond, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Making Waves Academy (the School), a nonprofit California public benefit corporation, which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, cash flows, and functional expenses for the year then ended, the related notes to the financial statements, and have issued our report thereon dated REPORT DATE.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the School's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the School's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Board of Directors
Making Waves Academy

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR
FEDERAL PROGRAM, AND REPORT ON INTERNAL CONTROL
OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDE**

Board of Directors
Making Waves Academy
Richmond, California

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Making Waves Academy's (the School) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the School's major federal programs for the year ended June 30, 2023. The School's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, the School complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the School and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the School's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the School's federal programs.

Board of Directors
 Making Waves Academy

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the School's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the School's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the School's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- obtain an understanding of the School's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less

Board of Directors
Making Waves Academy

severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Compliance

Opinion on State Compliance

We have audited Making Waves Academy's (the School) compliance with the types of compliance requirements applicable to the School described in the *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, published by the Education Audit Appeals Panel for the year ended June 30, 2023. The School's applicable State compliance requirements are identified in the table below.

In our opinion, the School complied, in all material respects, with the compliance requirements referred to above that are applicable to the School for the year ended June 30, 2023.

Basis for Opinion

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*. Our responsibilities under those standards and *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the School and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion. Our audit does not provide a legal determination of the School's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Auditors' Responsibility for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the School's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting* will always detect material noncompliance when it exists. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the School's compliance with the requirements of the government program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting* we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the School's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the School's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting* but not for the purpose of expressing an opinion on the effectiveness of the School's internal control over compliance. Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that a material noncompliance with a compliance requirement will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention from those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit, we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*. **MAKING WAVES ACADEMY
SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS
YEAR ENDED JUNE 30, 2023**

There were no findings and questioned costs related to the basic financial statements, federal awards, or state awards for June 30, 2022.

Draft - For Discussion Only

Board of Directors
Making Waves Academy
Richmond, California

We have audited the financial statements of Making Waves Academy as of and for the year ended June 30, 2023, and have issued our report thereon dated REPORT DATE. We have previously communicated to you information about our responsibilities under auditing standards generally accepted in the United States of America, *Government Auditing Standards*, and Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), and the *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting, published by the Education Appeals Panel*, as well as certain information related to the planned scope and timing of our audit in our planning communication dated June 12, 2023. Professional standards also require that we communicate to you the following information related to our audit.

Significant audit findings or issues

Qualitative aspects of accounting practices

Accounting policies

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Making Waves Academy are described in Note 1 to the financial statements.

The School changed accounting policies related to the change in accounting principle by adopting Financial Accounting Standards Board (FASB) Accounting Standards Update No. 2016-02, Leases (ASC 842), for the year ended June 30, 2023.

We noted no transactions entered into by the entity during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There were no accounting estimates affecting the financial statements which were particularly sensitive or required substantial judgments by management

Financial statement disclosures

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. There were no particularly sensitive financial statement disclosures

The financial statement disclosures are neutral, consistent, and clear.

Significant unusual transactions

We identified no significant unusual transactions.

Difficulties encountered in performing the audit

We encountered no significant difficulties in dealing with management in performing and completing our audit

Uncorrected misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management did not identify and we did not notify them of any uncorrected financial statement misstatements.

Corrected misstatements

Management did not identify and we did not notify them of any financial statement misstatements detected as a result of audit procedures.

Disagreements with management

For purposes of this communication, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. No such disagreements arose during our audit.

Management representations

We have requested certain representations from management that are included in the management representation letter dated REPORT DATE.

Management consultations with other independent accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the entity's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Significant issues discussed with management prior to engagement

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to engagement as the entity's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our engagement.

Supplementary information in relation to the financial statements as a whole

With respect to the schedule of expenditures of federal awards (SEFA) accompanying the financial statements, on which we were engaged to report in relation to the financial statements as a whole, we made certain inquiries of management and evaluated the form, content, and methods of preparing the SEFA to determine that the SEFA complies with the requirements of the Uniform Guidance, the method of preparing it has not changed from the prior period or the reasons for such changes, and the SEFA is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled

the SEFA to the underlying accounting records used to prepare the financial statements or to the financial statements themselves. We have issued our report thereon dated REPORT DATE.

With respect to the Schedule of Instructional Time, Schedule of Average Daily Attendance (ADA), and Reconciliation of Annual Financial Report with Audited Financial Statements (collectively, the supplementary information) accompanying the financial statements, on which we were engaged to report in relation to the financial statements as a whole, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period or the reasons for such changes, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves. We have issued our report thereon dated REPORT DATE.

The Local Education Agency Organization Structure accompanying the financial statements, which is the responsibility of management, was prepared for purposes of additional analysis and is not a required part of the financial statements. Such information was not subjected to the auditing procedures applied in the audit of the financial statements, and, accordingly, we did not express an opinion or provide any assurance on it.

Upcoming accounting standards

Our promise is to get to know you and help you. For your consideration, we provided recent accounting standards applicable to your entity.

Accounting Estimates and Risk Assessment –

- Effective for fiscal years ending on or after December 15, 2023. For your entity – June 30, 2024's financial statements.
- Enhanced financial reporting framework surrounding management estimates, including a method, assumptions, and further audit process on the data (Statement on Auditing Standards (SAS) No. 143).
- Enhances the requirements and guidance on identifying and assessing the risks of material misstatement, particularly the areas of understanding the entity's system of internal control and assessing control risk (SAS 145).
- Additional consideration on the entity and its control environment, requiring separate assessment of inherent risk and control risk.
- Expanded testing and disclosures for the use of specialists and pricing information from external information sources.

This communication is intended solely for the information and use of the Board of Directors and management of Making Waves Academy and is not intended to be, and should not be, used by anyone other than these specified parties.
