Dear Hartford Insured,

Re: An Important Message to Workers Compensation Policyholders

The control of workplace accidents and injuries should be among the highest priorities of your firm. Each accident wastes precious human and financial resources, and introduces inefficiencies into your operations. From a practical standpoint, the control of accidents, and their inevitable costs, simply makes good business sense.

An effective risk engineering program can save you money and aggravation, can positively impact your loss experience (and thus your premium), and most importantly, can help you maintain solid control of your operations.

As a service to you, our valued customer, the Risk Engineering Department of The Hartford in cooperation with your independent agent, can assist you in establishing risk engineering strategies. If you would like assistance, please complete and return to us the reply portion of this brochure, or contact your independent agent.

Services Available

The following is a description of some of the services that we provide. The types of services that may be appropriate for your business depend upon the nature and size of your operations and the specific risk engineering services you have requested. The cost of risk engineering services may or may not be a part of your insurance premium. This depends on the extent of the requested services, agreements stated in your insurance policy and program, and statutory regulations that may require us to provide risk engineering services.

- 1) **Reference Materials** – Information about risk engineering topics that can be provided or made available to you to help you to enhance your risk engineering program.
- 2) **Telephone Consultation** – We can hold a teleconference with you to help you to evaluate your risk engineering program, identify areas for improvement, and recommend ways to implement such improvements.
- 3) **Onsite Consultation** – This consists of visiting your premises and helping you to assess and remedy your risk engineering needs onsite. This level of service is usually only appropriate for larger, higher hazard operations. The following are examples of some of the services that could be provided onsite:
 - o A review of your safety program to determine its adequacy and recommend modifications to that plan where needed.

- o Specific hazard evaluations, including ergonomics, industrial hygiene or material handling.
- o An initial survey and evaluation to address potential safety and health hazards.
- o Consultation to help management establish a comprehensive loss prevention Program.
- o Periodic summaries of accidents and analysis of causes.
- o Follow-up visits to check on progress and to provide continuing assistance when required.

A Word About OSHA

The Occupational Safety and Health Act of 1970 and similarly approved State Plans require employers to provide their employees with safe and healthful places to work. The Occupational Safety and Health Administration (OSHA) of the U.S. Department of Labor and similar State agencies enforce the regulations and apply penalties (civil and criminal) for non-compliance.

New standards have been developed, and through application and interpretation, standards change. You should make yourself aware of the standards that are applicable to your operations, and assure yourself that reasonable efforts are made to be in compliance. Copies of the standards are available through most libraries, or can be obtained through OSHA or the U.S. Government Printing Office.

You should know that neither The Hartford, nor any other party, can fulfill your obligations under the Law. Questions related to your legal obligations should be referred to your legal counsel.

Some Safety Reminders from The Hartford:

Have you considered:

- o The need to formalize your safety efforts to assure compliance and document your efforts?
- o The need to acquire Material Safety Data Sheets on all hazardous materials and the need for training on appropriate safety measures for your employees?
- o Requirements for record keeping of injuries, illnesses, and exposure to hazardous substances?
- o Assessing each job task to determine hazards and needed controls?
- o Measuring each exposure to hazardous substances to determine the need for control or personal protective equipment?
- o What mechanisms are in place to periodically verify that exposure controls (guards, ventilation systems, etc.) are still in place and working?
- o What specific training your employees and your supervisors need to avoid hazards in the workplace?
- o What specific OSHA standards apply to your business?

- What mechanism exists to promptly investigate all accidents and 'near-misses' to limit the chance of another occurrence?
- The financial impact an injury or illness has on your business?
- What resources are available to you to help prevent accidents and illnesses?

Thank you for your business.

Sincerely,

The Hartford's Risk Engineering Department

MAINTAINING YOUR RECORDS FOR AUDIT PURPOSES

WHAT IS A PREMIUM ADJUSTMENT?

When your Workers' Compensation policy was issued you paid a deposit premium based on the nature of your business and estimates of your payroll. At the end of the policy period, we conduct an audit to compare the estimates against the actual figures and operations. Based on this comparison an adjustment is made. If the actual premium is less than what you already have paid, a refund will be made. If it's more, you will be billed for the difference. These adjustments are subject to any minimum premiums that apply.

HOW WILL THE PREMIUM ADJUSTMENT BE MADE?

On smaller, less complex operations we may e-mail you, call you, or mail you a request to ask you to provide the information via our online web-based portal, mail or telephone. If we require this information, we will provide an electronic link to, or a paper copy of, the necessary forms for you to complete.

On larger, more complex operations one of our Premium Auditors will contact you for an appointment. You will be contacted either by e-mail, telephone or mail. If directed, the auditor will contact your accountant to obtain as much information as possible and contact you at a later time for additional information that may be needed.

BASIS OF PREMIUM

Remuneration (Payroll) in most states, includes:

Payment of: Wages, bonuses, commissions, overtime,* sick pay, vacation pay,* tool allowances, contributions to individual retirement accounts, employee contributions to employee benefit plans.

Payments on basis of: Piece work, incentive plans, profit sharing.
The value of: Housing furnished to employees,* meals furnished to employees,* store certificates, merchandise and other dollar substitutes.

Remuneration does not include:

- a. Employer contributions to a group insurance or pension plan other than statutory plans of insurance.
- b. Special awards for individual inventions or discoveries.
- c. Overtime.*

Subcontractors. In the absence of other insurance, most state laws hold a contractor responsible for injuries to employees of subcontractors. At the time of audit Certificates of Insurance must be available for subcontractors with employees, in order to avoid payment of premium.

Independent Contractors, without employees, whose duties closely resemble those of an employee, will be considered your employee with the appropriate premium charged.

The actual working relationship between you and the Independent Contractor is examined. Items such as, but not limited to: whether the work performed is an integral part of your operations, whether you have the right to control the details of the work, the method of payment, who supplied the materials used, does the person regularly work for others, whose regulatory authority did person operate under, whether the person is involved in a separate and distinct business offering the same services to the public.

RECORDS

As part of the policy conditions, we are allowed to examine your financial books and records to determine actual exposures and operations. We would appreciate your cooperation in making the needed records available for the auditor's inspection.

What Records Will Be Needed?

The records needed will vary. In most cases, the Premium Auditor will be able to obtain the necessary audit data from two or more of the following records: Journals, Ledgers, State and Federal Tax Reports, Individual Earning Cards, Checkbooks and Contracts.

How You Should Keep Your Records

By maintaining your payroll records in accordance with the following guidelines, you might reduce your insurance costs.

Overtime. In most states, the amount paid in excess of straight time pay can be deducted if it can be verified in your records. You must maintain your records to show pay separately by employee and in summary by classification of work.

***Division of an employee's payroll** to more than one classification is not allowed in most states.

Exception: For construction, erection or stevedoring operations the payroll of an employee may be allocated to each type of work performed if proper records are kept. Your records must show the number of hours and amount of payroll for each type of work. If you do not keep such a breakdown, the full salary must be charged to the highest rated classification to which the employee is exposed.

Executive Officers in most states are considered employees of their corporation and included in the

computation of premium. Their remuneration is assigned without division to the actual operation in which they are engaged. If their duties are the same as those of a worker, foreman or superintendent, their payroll is assigned to the classification that develops the highest payroll. Minimum and maximum payrolls apply to executive officers.

Automated Records. If your records are automated or you plan to automate in the near future you can obtain maximum benefits by setting up your records to include insurance requirements. Our Premium Auditor will be pleased to assist you in setting up your records. Contact your Hartford Representative if you would like this assistance.

NOTE: The contents of this publication are not intended to supersede any definitions or conditions of your policy, the Workers' Compensation Law or any legal rulings.

**Your state may have specific rules or exceptions. Please contact your Hartford Representative for details that may apply and answer questions you may have.*

POLICY HOLDER NOTICE - PAYROLL BILLING

Thank you for choosing The Hartford. Your policy is on our payroll billing method. The payroll billing method uses actual payrolls received throughout the policy period and a blended rate(s) to determine premiums due during the policy period. To learn more about how your premium is calculated on the payroll billing method please visit: <https://www.thehartford.com/blended>

Below are the blended rate(s) being used for each state and classification code on your policy:

State	Class Code	Blended Rate	Effective

IMPORTANT NOTICE TO POLICYHOLDERS
DISCLOSURE PURSUANT TO TERRORISM RISK
INSURANCE ACT

A. Disclosure Of Premium

In accordance with the federal Terrorism Risk Insurance Act, as amended (TRIA), we are required to provide you with a notice disclosing the portion of your premium, if any, attributable to coverage for "certified acts of terrorism" under TRIA. The charge for terrorism is shown in Item 4 of the Information Page or on the Schedule. The rate for terrorism will apply as of the effective date of your policy. The terrorism rates are subject to change at any time based on state regulatory action.

B. The following definition is added with respect to the provisions of this endorsement:

1. A "certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of TRIA, to be an act of terrorism under TRIA. The criteria contained in TRIA for a "certified act of terrorism" include the following:
 - a. The act results in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to TRIA; and
 - b. The act results in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of an United States mission; and
 - c. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

C. Disclosure Of Federal Share Of Terrorism Losses Under TRIA

The United States Department of the Treasury will reimburse insurers for a portion of such insured losses as indicated in the table below that exceeds the applicable insurer deductible:

Calendar Year	Federal Share of Terrorism Losses
2015	85%
2016	84%
2017	83%
2018	82%
2019	81%
2020 or later	80%

However, if aggregate insured losses attributable to "certified acts of terrorism" under TRIA exceed \$100 billion in a calendar year, the Treasury shall not make any payment for any portion of the amount of such losses that exceeds \$100 billion. The United States Government has not charged any premium for their participation in covering terrorism losses.

D. Cap On Insurer Liability for Terrorism Losses Under TRIA

If aggregate insured losses attributable to "certified acts of terrorism" under TRIA exceed \$100 billion in a calendar year and we have met, or will meet, our insurer deductible under TRIA we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion. In such case, your coverage for terrorism losses may be reduced on a pro-rata basis in accordance with procedures established by the Treasury, based on its estimates of aggregate industry losses

and our estimate that we will exceed our insurer deductible. In accordance with Treasury procedures, amounts paid for losses may be subject to further adjustments based on differences between actual losses and estimates.

E. All other terms and conditions remain the same.

INSTRUCTIONS

EMPLOYEE'S CLAIM FOR WORKERS' COMPENSATION BENEFITS

As of January 1, 1990, California employers are required by law to furnish a claim form to an injured worker within one working day of knowledge of a work-related injury or illness (other than First Aid). While it is mandatory for the employer to furnish the claim form to the employee, **it is not mandatory for the employee to complete it.**

The employer should complete sections 9-17, with the exception of section 13 (which reads, "Date employer received claim form"). This is to be completed **after** the claimant has completed his or her portion of the claim form and returned it to you, at which time section 13 should be **immediately** filled out or date stamped.

Penalties can be invoked if employers fail to provide an injured employee an EMPLOYEE'S CLAIM FOR COMPENSATION BENEFITS form or if employers fail to report the claim to the workers' compensation insurance carrier.

DO NOT DELAY REPORTING A CLAIM TO THE HARTFORD:

Whether or not the employee completes the EMPLOYEE'S CLAIM FOR WORKER'S COMPENSATION BENEFITS, please contact The Hartford's **LossConnect (1-800-327-3636)** to report every occupational injury or illness which results in lost time beyond the date of the incident or requires medical treatment beyond First Aid.

WORKERS COMPENSATION AND EMPLOYERS LIABILITY INSURANCE POLICY

In return for the payment of the premium and subject to all terms of this policy, we agree with you as follows:

GENERAL SECTION

A. The Policy

This policy includes at its effective date the Information Page and all endorsements and schedules listed there. It is a contract of insurance between you (the employer named in Item 1 of the Information Page) and us (the insurer named on the Information Page). The only agreements relating to this insurance are stated in this policy. The terms of this policy may not be changed or waived except by endorsement issued by us to be part of this policy.

B. Who Is Insured

You are insured if you are an employer named in Item 1 of the Information Page. If that employer is a partnership, and if you are one of its partners, you are insured, but only in your capacity as an employer of the partnership's employees.

C. Workers Compensation Law

Workers Compensation Law means the workers or workmen's compensation law and occupational disease

law of each state or territory named in Item 3.A. of the Information Page. It includes any amendments to that law which are in effect during the policy period. It does not include any federal workers or workmen's compensation law, any federal occupational disease law or the provisions of any law that provide nonoccupational disability benefits.

D. State

State means any state of the United States of America, and the District of Columbia.

E. Locations

This policy covers all of your workplaces listed in Items 1 or 4 of the Information Page; and it covers all other workplaces in Item 3.A. states unless you have other insurance or are self-insured for such workplaces.

PART ONE - WORKERS COMPENSATION INSURANCE

A. How This Insurance Applies

This workers compensation insurance applies to bodily injury by accident or bodily injury by disease. Bodily injury includes resulting death.

1. Bodily injury by accident must occur during the policy period.
2. Bodily injury by disease must be caused or aggravated by the conditions of your employment. The employee's last day of last exposure to the conditions causing or aggravating such bodily injury by disease must occur during the policy period.

B. We Will Pay

We will pay promptly when due the benefits required of you by the workers compensation law.

C. We Will Defend

We have the right and duty to defend at our expense any claim, proceeding or suit against you for benefits payable by this insurance. We have the right to investigate and settle these claims, proceedings or suits.

We have no duty to defend a claim, proceeding or suit that is not covered by this insurance.

D. We Will Also Pay

We will also pay these costs, in addition to other amounts payable under this insurance, as part of any claim, proceeding or suit we defend:

1. reasonable expenses incurred at our request, but not loss of earnings;

2. premiums for bonds to release attachments and for appeal bonds in bond amounts up to the amount payable under this insurance;
3. litigation costs taxed against you;
4. interest on a judgment as required by law until we offer the amount due under this insurance; and
5. expenses we incur.

E. Other Insurance

We will not pay more than our share of benefits and costs covered by this insurance and other insurance or self-insurance. Subject to any limits of liability that may apply, all shares will be equal until the loss is paid. If any insurance or self-insurance is exhausted, the shares of all remaining insurance will be equal until the loss is paid.

F. Payments You Must Make

You are responsible for any payments in excess of the benefits regularly provided by the workers compensation law including those required because:

1. of your serious and willful misconduct;
2. you knowingly employ an employee in violation of law;
3. you fail to comply with a health or safety law or regulation; or
4. you discharge, coerce or otherwise discriminate against any employee in violation of the workers compensation law.

If we make any payments in excess of the benefits regularly provided by the workers compensation law on your behalf, you will reimburse us promptly.

G. Recovery From Others

We have your rights, and the rights of persons entitled to the benefits of this insurance, to recover our payments from anyone liable for the injury.

You will do everything necessary to protect those rights for us and to help us enforce them.

H. Statutory Provisions

These statements apply where they are required by law.

1. As between an injured worker and us, we have notice of the injury when you have notice.
2. Your default or the bankruptcy or insolvency of you or your estate will not relieve us of our duties under this insurance after an injury occurs.
3. We are directly and primarily liable to any person entitled to the benefits payable by this insurance. Those persons may enforce our duties; so may an agency authorized by law. Enforcement may be against you and us.
4. Jurisdiction over you is jurisdiction over us for purposes of the workers compensation law. We are bound by decisions against you under that law, subject to the provisions of this policy that are not in conflict with that law.
5. This insurance conforms to the parts of the workers compensation law that apply to:
 - a. benefits payable by this insurance;
 - b. special taxes, payments into security or other special funds, and assessments payable by us under that law.
6. Terms of this insurance that conflict with the workers compensation law are changed by this statement to conform to that law.

Nothing in these paragraphs relieves you of your duties under this policy.

PART TWO - EMPLOYERS LIABILITY INSURANCE

A. How This Insurance Applies

This employers liability insurance applies to bodily injury by accident or bodily injury by disease. Bodily injury includes resulting death.

1. The bodily injury must arise out of and in the course of the injured employee's employment by you.

2. The employment must be necessary or incidental to your work in a state or territory listed in Item 3.A. of the Information Page.
3. Bodily injury by accident must occur during the policy period.
4. Bodily injury by disease must be caused or aggravated by the conditions of your employment. The employee's last day of last

exposure to the conditions causing or aggravating such bodily injury by disease must occur during the policy period.

5. If you are sued, the original suit and any related legal actions for damages for bodily injury by accident or by disease must be brought in the United States of America, its territories or possessions, or Canada.

B. We Will Pay

We will pay all sums that you legally must pay as damages because of bodily injury to your employees, provided the bodily injury is covered by this Employers Liability Insurance.

The damages we will pay, where recovery is permitted by law, include damages:

1. For which you are liable to a third party by reason of a claim or suit against you by that third party to recover the damages claimed against such third party as a result of injury to your employee;
2. For care and loss of services; and
3. For consequential bodily injury to a spouse, child, parent, brother or sister of the injured employee; provided that these damages are the direct consequence of bodily injury that arises out of and in the course of the injured employee's employment by you; and
4. Because of bodily injury to your employee that arises out of and in the course of employment, claimed against you in a capacity other than as employer.

C. Exclusions

This insurance does not cover:

1. Liability assumed under a contract. This exclusion does not apply to a warranty that your work will be done in a workmanlike manner;
2. Punitive or exemplary damages because of bodily injury to an employee employed in violation of law;
3. Bodily injury to an employee while employed in violation of law with your actual knowledge or the actual knowledge of any of your executive officers;
4. Any obligation imposed by a workers compensation, occupational disease, unemployment compensation, or disability benefits law, or any similar law;
5. Bodily injury intentionally caused or aggravated by you;
6. Bodily injury occurring outside the United States of America, its territories or possessions, and Canada.

This exclusion does not apply to bodily injury to a citizen or resident of the United States of America or Canada who is temporarily outside these countries;

7. Damages arising out of coercion, criticism, demotion, evaluation, reassignment, discipline, defamation, harassment, humiliation, discrimination against or termination of any employee, or any personnel practices, policies, acts or omissions;
8. Bodily injury to any person in work subject to the Longshore and Harbor Workers' Compensation Act (33 U.S.C. Sections 901 et seq.), the Noappropriated Fund Instrumentalities Act (5 U.S.C. Sections 8171 et seq.), the Outer Continental Shelf Lands Act (43 U.S.C. Sections 1331 et seq.), the Defense Base Act (42 U.S.C. Sections 1651-1654), the Federal Mine Safety and Health Act (30 U.S.C. Sections 801 et seq. and 901-944) any other federal workers or workmen's compensation law or other federal occupational disease law, or any amendments to these laws;
9. Bodily injury to any person in work subject to the Federal Employers' Liability Act (45 U.S.C. Sections 51 et seq.), any other federal laws obligating an employer to pay damages to an employee due to bodily injury arising out of or in the course of employment, or any amendments to those laws;
10. Bodily injury to a master or member of the crew of any vessel, and does not cover punitive damages related to your duty or obligation to provide transportation, wages, maintenance, and cure under any applicable maritime law;
11. Fines or penalties imposed for violation of federal or state law; and
12. Damages payable under the Migrant and Seasonal Agricultural Worker Protection Act (29 U.S.C. Sections 1801 et seq.) and under any other federal law awarding damages for violation of those laws or regulations issued thereunder, and any amendments to those laws.

D. We Will Defend

We have the right and duty to defend, at our expense, any claim, proceeding or suit against you for damages payable by this insurance. We have the right to investigate and settle these claims, proceedings and suits.

We have no duty to defend a claim, proceeding or suit that is not covered by this insurance. We have no duty to defend or continue defending after we have paid our applicable limit of liability under this insurance.

E. We Will Also Pay

We will also pay these costs, in addition to other amounts payable under this insurance, as part of any claim, proceeding or suit we defend:

1. Reasonable expenses incurred at our request, but not loss of earnings;
2. Premiums for bonds to release attachments and for appeal bonds in bond amounts up to the limit of our liability under this insurance;
3. Litigation costs taxed against you;
4. Interest on a judgment as required by law until we offer the amount due under this insurance; and
5. Expenses we incur.

F. Other Insurance

We will not pay more than our share of damages and costs covered by this insurance and other insurance or self-insurance. Subject to any limits of liability that apply, all shares will be equal until the loss is paid. If any insurance or self-insurance is exhausted, the shares of all remaining insurance and self-insurance will be equal until the loss is paid.

G. Limits of Liability

Our liability to pay for damages is limited. Our limits of liability are shown in Item 3.B. of the Information Page. They apply as explained below.

1. Bodily Injury by Accident. The limit shown for "bodily injury by accident each accident" is the most we will pay for all damages covered by this insurance because of bodily injury to one or more employees in any one accident.

A disease is not bodily injury by accident unless it results directly from bodily injury by accident.

2. Bodily Injury by Disease. The limit shown for "bodily injury by disease policy limit" is the most we will pay for all damages covered by this insurance and arising out of bodily injury by disease, regardless of the number of employees who sustain bodily injury by disease. The limit shown for "bodily injury by disease each employee" is the most we will pay for all damages because of bodily injury by disease to any one employee.

Bodily injury by disease does not include disease that results directly from a bodily injury by accident.

3. We will not pay any claims for damages after we have paid the applicable limit of our liability under this insurance.

H. Recovery From Others

We have your rights to recover our payment from anyone liable for an injury covered by this insurance. You will do everything necessary to protect those rights for us and to help us enforce them.

I. Actions Against Us

There will be no right of action against us under this insurance unless:

1. You have complied with all the terms of this policy; and
2. The amount you owe has been determined with our consent or by actual trial and final judgment.

This insurance does not give anyone the right to add us as a defendant in an action against you to determine your liability. The bankruptcy or insolvency of you or your estate will not relieve us of our obligations under this Part.

PART THREE - OTHER STATES INSURANCE

A. How This Insurance Applies

1. This other states insurance applies only if one or more states are shown in Item 3.C. of the Information Page.
2. If you begin work in any one of those states after the effective date of this policy and are not insured or are not self-insured for such work, all provisions of the policy will apply as though that state were

listed in Item 3.A. of the Information Page.

3. We will reimburse you for the benefits required by the workers compensation law of that state if we are not permitted to pay the benefits directly to persons entitled to them.
4. If you have work on the effective date of this policy in any state not listed in Item 3.A. of the

Information Page, coverage will not be afforded for that state unless we are notified within thirty days.

B. Notice

Tell us at once if you begin work in any state listed in Item 3.C. of the Information Page.

PART FOUR - YOUR DUTIES IF INJURY OCCURS

Tell us at once if injury occurs that may be covered by this policy. Your other duties are listed here.

1. Provide for immediate medical and other services required by the workers compensation law.
2. Give us or our agent the names and addresses of the injured persons and of witnesses, and other information we may need.
3. Promptly give us all notices, demands and legal papers related to the injury, claim, proceeding or suit.

4. Cooperate with us and assist us, as we may request, in the investigation, settlement or defense of any claim, proceeding or suit.
5. Do nothing after an injury occurs that would interfere with our right to recover from others.
6. Do not voluntarily make payments, assume obligations or incur expenses, except at your own cost.

PART FIVE - PREMIUM

A. Our Manuals

All premium for this policy will be determined by our manuals of rules, rates, rating plans and classifications. We may change our manuals and apply the changes to this policy if authorized by law or a governmental agency regulating this insurance.

B. Classifications

Item 4 of the Information Page shows the rate and premium basis for certain business or work classifications. These classifications were assigned based on an estimate of the exposures you would have during the policy period. If your actual exposures are not properly described by those classifications, we will assign proper classifications, rates and premium basis by endorsement to this policy.

C. Remuneration

Premium for each work classification is determined by multiplying a rate times a premium basis. Remuneration is the most common premium basis.

This premium basis includes payroll and all other remuneration paid or payable during the policy period for the services of:

1. All your officers and employees engaged in work covered by this policy; and

2. all other persons engaged in work that could make us liable under Part One (Workers Compensation Insurance) of this policy. If you do not have payroll records for these persons, the contract price for their services and materials may be used as the premium basis. This paragraph 2 will not apply if you give us proof that the employers of these persons lawfully secured their workers compensation obligations.

D. Premium Payments

You will pay all premium when due. You will pay the premium even if part or all of a workers compensation law is not valid.

E. Final Premium

The premium shown on the Information Page, schedules, and endorsements is an estimate. The final premium will be determined after this policy ends by using the actual, not the estimated, premium basis and the proper classifications and rates that lawfully apply to the business and work covered by this policy. If the final premium is more than the premium you paid to us, you must pay us the balance. If it is less, we will refund the balance to you. The final premium will not be less than the highest minimum premium for the classifications covered by this policy.

If this policy is cancelled, final premium will be determined in the following way unless our manuals provide otherwise:

1. If we cancel, final premium will be calculated pro rata based on the time this policy was in force. Final premium will not be less than the pro rata share of the minimum premium.
2. If you cancel, final premium will be more than pro rata; it will be based on the time this policy was in force, and increased by our short rate cancellation table and procedure. Final premium will not be less than the minimum premium.

F. Records

You will keep records of information needed to compute premium. You will provide us with copies of those records when we ask for them.

G. Audit

You will let us examine and audit all your records that relate to this policy. These records include ledgers, journals, registers, vouchers, contracts, tax reports, payroll and disbursement records, and programs for storing and retrieving data. We may conduct the audits during regular business hours during the policy period and within three years after the policy period ends. Information developed by audit will be used to determine final premium. Insurance rate service organizations have the same rights we have under this provision.

PART SIX - CONDITIONS

A. Inspection

We have the right, but are not obligated to inspect your workplaces at any time. Our inspections are not safety inspections. They relate only to the insurability of the workplaces and the premiums to be charged. We may give you reports on the conditions we find. We may also recommend changes. While they may help reduce losses, we do not undertake to perform the duty of any person to provide for the health or safety of your employees or the public. We do not warrant that your workplaces are safe or healthful or that they comply with laws, regulations, codes or standards. Insurance rate service organizations have the same rights we have under this provision.

B. Long Term Policy

If the policy period is longer than one year and sixteen days, all provisions of this policy will apply as though a new policy were issued on each annual anniversary that this policy is in force.

C. Transfer of Your Rights and Duties

Your rights or duties under this policy may not be transferred without our written consent.

If you die and we receive notice within thirty days after your death, we will cover your legal representative as insured.

D. Cancellation

1. You may cancel this policy. You must mail or deliver advance written notice to us stating when the cancellation is to take effect.
2. We may cancel this policy. We must mail or deliver to you not less than ten days advance written notice stating when the cancellation is to take effect. Mailing that notice to you at your mailing address shown in Item 1 of the Information Page will be sufficient to prove notice.
3. The policy period will end on the day and hour stated in the cancellation notice.
4. Any of these provisions that conflict with a law that controls the cancellation of the insurance in this policy is changed by this statement to comply with that law.

E. Sole Representative

The insured first named in Item 1 of the Information Page will act on behalf of all insureds to change this policy, receive return premium, and give or receive notice of cancellation.

Named Insured and Address: The Teaching Well

2950 E 29TH ST
OAKLAND CA 94601

It is agreed that, anything in the policy to the contrary notwithstanding, such insurance as is afforded by this policy by reason of the designation of California in Item 3 of the Information Page is subject to the following provisions:

1. **Minors Illegally Employed - Not Insured.** This policy does not cover liability for additional compensation imposed on you under Section 4557, Division IV, Labor Code of the State of California, by reason of injury to an employee under sixteen years of age and illegally employed at the time of injury.
2. **Punitive or Exemplary Damages - Uninsurable.** This policy does not cover punitive or exemplary damages where insurance of liability therefor is prohibited by law or contrary to public policy.
3. **Increase in Indemnity Payment - Reimbursement.** You are obligated to reimburse us for the amount of increase in indemnity payments made pursuant to Subdivision (d) of Section 4650 of the California Labor Code, if the late indemnity payment which gives rise to the increase in the amount of payment is due less than seven (7) days after we receive the completed claim form from you. You are obligated to reimburse us for any increase in indemnity payments not covered under this policy

and will reimburse us for any increase in indemnity payment not covered under the policy when the aggregate total amount of the reimbursement payments paid in a policy year exceeds one hundred dollars (\$100).

If we notify you in writing, within 30 days of the payment, that you are obligated to reimburse us, we will bill you for the amount of increase in indemnity payment and collect it no later than the final audit. You will have 60 days, following notice of the obligation to reimburse, to appeal the decision of the insurer to the Department of Insurance.

4. **Application of Policy.** Part One, "Workers Compensation Insurance", A, "How This Insurance Applies", is amended to read as follows:
This workers compensation insurance applies to bodily injury by accident or disease, including death resulting therefrom. Bodily injury by accident must occur during the policy period. Bodily injury by disease must be caused or aggravated by the conditions of your employment. Your employee's exposure to those conditions causing or aggravating such bodily injury by disease must occur during the policy period.
5. **Rate Changes.** The premium and rates with respect to the insurance provided by this policy by reason of the designation of California in

Item 3 of the Information Page are subject to change if ordered by the Insurance Commissioner of the State of California pursuant to Section 11737 of the California Insurance Code.

6. **Long Term Policy.** If this policy is written for a period longer than one year, all the provisions of this policy shall apply separately to each consecutive twelve-month period or, if the first or last consecutive period is less than twelve months, to such period of less than twelve months, in the same manner as if a separate policy had been written for each consecutive period.
7. **Statutory Provision.** Your employee has a first lien upon any amount which becomes owing to you by us on account of this policy, and in the case of your legal incapacity or inability to receive the money and pay it to the claimant, we will pay it directly to the claimant.
8. Part Five, "Premium", E, "Final Premium", is amended to read as follows:

The premium shown on the Information Page, schedules, and endorsements is an estimate. The final premium will be determined after this policy ends by using the actual, not the estimated, premium basis and the proper classifications and rates that lawfully apply to the business and work

covered by this policy. If the final premium is more than the premium you paid to us, you must pay us the balance. If it is less, we will refund the balance to you. The final premium will not be less than the highest minimum premium for the classifications covered by this policy.

If this policy is canceled, final premium will be determined in the following way unless our manuals provide otherwise:

- a. If we cancel, final premium will be calculated pro rata based on the time this policy was in force. Final premium will not be less than the pro rata share of the minimum premium.
- b. If you cancel, final premium may be more than pro rata; it will be based on the time this policy was in force, and may be increased by our short-rate cancellation table and procedure. Final premium will not be less than the pro rata share of the minimum premium.

It is further agreed that this policy, including all endorsements forming a part thereof, constitutes the entire contract of insurance. No condition, provision, agreement, or understanding not set forth in this policy or such endorsements shall affect such contract or any rights, duties, or privileges arising therefrom.

This endorsement addresses the requirements of the Terrorism Risk Insurance Act of 2002 as amended and extended by the Terrorism Risk Insurance Program Reauthorization Act of 2015. It serves to notify you of certain limitations under the Act, and that your insurance carrier is charging premium for losses that may occur in the event of an Act of Terrorism.

Your policy provides coverage for workers compensation losses caused by Acts of Terrorism, including workers compensation benefit obligations dictated by state law. Coverage for such losses is still subject to all terms, definitions, exclusions, and conditions in your policy, and any applicable federal and/or state laws, rules, or regulations.

Definitions

The definitions provided in this endorsement are based on and have the same meaning as the definitions in the Act. If words or phrases not defined in this endorsement are defined in the Act, the definitions in the Act will apply.

POLICY ADJUSTMENT NOTICE

The premium we charged for your enclosed Hartford policy was based, in part, on estimates and assumptions related to items such as payroll, sales revenue, and the nature of business operations for the policy period shown. When your coverage period expires, a premium audit will be conducted to ensure the premium you paid for your insurance was accurate. In order to complete the premium audit, when your policy coverage period expires you may receive, via e-mail or US Postal mail, a request to complete an "Insured's Report of Exposure" Form. Alternatively, you may receive notice that a Premium Audit representative will be contacting you to review your records and discuss your business operations over the phone or in person. The purpose of the statement, phone call or visit is for the Premium Audit Department to collect the information required to ensure that the premium you paid for your coverage was accurate.

Once the audit is complete, you will receive a Statement of Premium Adjustment which will reflect the amount of your policy auditable premium, and will indicate whether you are owed a refund or if additional premium is due for the policy period shown.

If we owe you a return premium, The Hartford will apply the refund amount to any current account balance. If your account is paid in full, or if your refund amount is greater than the current account balance, we will issue you a refund check. You can expect to receive this check within the next **30** days.

If you owe us an additional premium, the **entire amount** will appear as due and payable on your next bill. This amount will appear as "Premium Audit" on your bill.

If you have any questions regarding the Premium Audit process, please call your insurance agent.

Thank you for doing business with The Hartford.

POLICYHOLDER NOTICE

CALIFORNIA WORKERS' COMPENSATION INSURANCE RATING LAWS

Pursuant to Section 11752.8 of the California Insurance Code, we are providing you with an explanation of the California workers' compensation rating laws.

1. We establish our own rates for workers' compensation. Our rates, rating plans, and related information are filed with the insurance commissioner and are open for public inspection.
2. The insurance commissioner can disapprove our rates, rating plans, or classifications only if he or she has determined after public hearing that our rates might jeopardize our ability to pay claims or create a monopoly in the market. A monopoly is defined by law as a market where one insurer writes 20% or more of that part of the California workers' compensation insurance that is not written by the State Compensation Insurance Fund. If the insurance commissioner disapproves our rates, rating plans, or classifications, he or she may order an increase in the rates applicable to outstanding policies.
3. Rating organizations may develop pure premium rates that are subject to the insurance commissioner's approval. A pure premium rate reflects the anticipated cost and expenses of claims per \$100 of payroll for a given classification. Pure premium rates are advisory only, as we are not required to use the pure premium rates developed by any rating organization in establishing our own rates.
4. We must adhere to a single, uniform experience rating plan. If you are eligible for experience rating under the plan, we will be required to adjust your premium to reflect your claim history. A better claim history generally results in a lower experience rating modification; more claims, or more expensive claims, generally result in a higher experience rating modification. The uniform experience rating plan, which is developed by the insurance rating organization designated by the insurance commissioner, is subject to approval by the insurance commissioner.
5. A standard classification system, developed by the insurance rating organization designated by the insurance commissioner, is subject to approval by the insurance commissioner. The standard classification system is a method of recognizing and separating policyholders into industry or occupational groups according to their similarities and/or differences. We can adopt and apply the standard classification system or develop and apply our own classification system, provided we can report the payroll, expenses, and other costs of claims in a way that is consistent with the uniform statistical plan or the standard classification system.
6. Our rates and classifications may not violate the Unruh Civil Rights Act or be unfairly discriminatory.
7. We will provide an appeal process for you to appeal the way we rate your insurance policy. The process requires us to respond to your written appeal within 30 days. If you are not satisfied with the result of your appeal, you may appeal our decision to the insurance commissioner.

CALIFORNIA WORKERS' COMPENSATION INSURANCE NOTICE OF NONRENEWAL

Section 11664 of the California Insurance Code requires us, in most instances, to provide you with a notice of nonrenewal. Except as specified in paragraphs 1 through 6 below, if we elect to nonrenew your policy, we are required to deliver or mail to you a written notice stating the reason or reasons for the nonrenewal of the policy. The notice is required to be sent to you no earlier than 120 days before the end of the policy period and no later than 30 days before the end of the policy period. If we fail to provide you the required notice, we are required to continue the coverage under the policy with no change in the premium rate until 60 days after we provide you with the required notice.

We are not required to provide you with a notice of nonrenewal in any of the following situations:

1. Your policy was transferred or renewed without a change in its terms or conditions or the rate on which the premium is based to another insurer or other insurers who are members of the same insurance group as us.
2. The policy was extended for 90 days or less and the required notice was given prior to the extension.
3. You obtained replacement coverage or agreed, in writing, within 60 days of the termination of the policy, to obtain that coverage.
4. The policy is for a period of no more than 60 days and you were notified at the time of issuance that it may not be renewed.
5. You requested a change in the terms or conditions or risks covered by the policy within 60 days prior to the end of the policy period.
6. We made a written offer to you to renew the policy at a premium rate increase of less than 25 percent.
 - (A) If the premium rate in your governing classification is to be increased 25 percent or greater and we intend to renew the policy, we shall provide a written notice of a renewal offer not less than 30 days prior to the policy renewal date. The governing classification shall be determined by the rules and regulations established in accordance with California Insurance Code 11750.3(c).
 - (B) For purposes of this Notice, "premium rate" means the cost of insurance per unit of exposure prior to the application of individual risk variations based on loss or expense considerations such as scheduled rating and experience rating.

This notice does not change the policy to which it is attached.

POLICYHOLDER NOTICE

PAYROLL RECORD AND AUDIT REQUIREMENTS FOR DUAL WAGE CONSTRUCTION OR ERECTION CLASSIFICATIONS

Your policy includes one or more construction or erection classifications. Dual wage classifications are pairs of classifications that describe the same construction or erection operation yet are assigned based upon whether the employee's hourly wage is above or below a specified threshold. Each pair of dual wage classifications contains one "high wage" classification that is assignable to payrolls earned by employees whose regular hourly wage equals or exceeds a specified wage threshold and one "low wage" classification that is assignable to payrolls earned by employees whose regular hourly wage is less than the specified threshold.

Payroll Record Requirements

The assignment of a high wage classification is contingent on verifying that the employee's hourly wage equals or exceeds the specified wage threshold. The determination of the regular hourly wage for any non-salaried employee must be supported by one of the following sources:

- o Original time cards or time book entries for each employee. Original records must include the operations performed, the total hours worked each day and the times the employee started and ended each work period throughout the workday. At job locations where all of the employer's operations cease for a uniform unpaid meal period, recording the start and stop times of the uniform break period is not required.
- o A valid collective bargaining agreement that shows the regular hourly wage rate by job classification of a worker. If using a collective bargaining agreement, the records must include an employee roster by job classification that permits the reconciliation of individual employees to the job classifications set forth in the collective bargaining agreement.

The non-salaried employee's regular hourly wage shall be determined by dividing that employee's total remuneration by the hours worked during the pay period, irrespective of whether the employee is paid on an hourly, piecework, production or commission basis.

The payroll earned by any non-salaried employees for whom the records specified above are not maintained and/or made available will be assigned to the low wage classification that describes the operations performed.

The regular hourly wage of salaried employees is determined by dividing the total annual remuneration by 2000 hours. If an employee is salaried for less than 12 months, the regular hourly wage for the salaried period is calculated on a prorated basis.

Audit Requirements

If your policy has an effective date on or after January 1, 2020 and produces a final premium of \$10,500 or more, a physical audit is required at least once a year; if it produces a final premium of less than \$10,500 and develops payroll in a high wage classification, a physical audit of the policy is required unless the policy is a renewal and a physical audit was completed for one of the two immediately preceding policy periods. A "physical audit" is defined as an audit of payroll, whether conducted at the policyholder's location or at a remote site, that is based upon an auditor's examination of the policyholder's books of accounts and original payroll records (in either electronic or hard copy form) as necessary to determine and verify the exposure amounts by classification.

If you hold a C-39 Roofing Contractor license from the California Contractors State License Board, a physical audit is required on the complete policy period of each policy regardless of the amount of final premium. See California Insurance Code Section 11665(a) for additional requirements regarding the audit of C-39 license holders.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

**NOTIFICATION ENDORSEMENT OF PENDING LAW CHANGE
TO TERRORISM RISK INSURANCE PROGRAM
REAUTHORIZATION ACT OF 2015**

Policy Number: 76 WEG AG4B54

Effective Date: 07/01/20

Named Insured and Address: The Teaching Well

2950 E 29TH ST
OAKLAND CA 94601

Endorsement Number:

Effective hour is the same as stated on the Information Page of the policy.

This endorsement is being attached to your workers compensation and employers liability insurance policy. This endorsement does not replace the separate Terrorism Risk Insurance Program Reauthorization Act Disclosure Endorsement (WC00 04 22 B) that is attached to your current policy and which remains in effect as applicable.

The Terrorism Risk Insurance Act of 2002 (TRIA), as previously amended and extended by the Terrorism Risk Insurance Program Reauthorization Act of 2015 (TRIPRA 2015), provides for a program under which the federal government will share in the payment of insured losses caused by certain acts of terrorism. In the absence of affirmative US Congressional action to extend, update, or otherwise reauthorize TRIPRA2015, in whole or in part, TRIPRA 2015 is scheduled to expire on December 31, 2020.

Since the timetable for any further Congressional action regarding TRIPRA 2015 is presently unknown, and exposure to acts of terrorism remains, we are providing policyholders with relevant information concerning their workers compensation policies in the event of the TRIPRA 2015's expiration.

Your policy provides coverage for workers compensation losses caused by acts of terrorism, including workers compensation benefit obligations dictated by state law, except in Pennsylvania, where injuries or deaths resulting from certain war-related activities are excluded from workers compensation coverage. Coverage for such losses is still subject to all terms, definitions, exclusions, and conditions in your policy.

The premium charge for the coverage that your policy provides for terrorism losses is shown in Item 4 of the policy Information Page or the Terrorism Risk Insurance Program Reauthorization Act Disclosure Endorsement (WC 00 04 22 B) Schedule that is attached to your policy. This amount may continue or change for new, renewal, and in-force policies in effect on or after December 31, 2020, in the event of TRIPRA 2015's expiration, subject to regulatory review in accordance with applicable state law.

You need not do anything further at this time.

This endorsement changes the policy to which it is attached and is effective on the date issued unless otherwise stated.

NOTICE TO POLICYHOLDER

CALIFORNIA WORKERS' COMPENSATION

INSURANCE RATING LAWS

Pursuant to Section 11752.8 of the California Insurance Code, we are providing you with an explanation of the California workers' compensation rating laws applicable to new and renewal policies with policy effective dates on and after January 1, 1995.

1. The laws requiring all insurers to charge the same minimum rate uniformly to all employers within a given classification has been repealed. Beginning January 1, 1995, we will establish our own rates for workers' compensation. Our rates will not be applicable prior to the first normal policy effective date of a policy incepting on or after January 1, 1995. Our rates, rating plans and related information are filed with the Insurance Commissioner and are open for public inspection.
2. The Insurance Commissioner can disapprove our rates, rating plans or classifications only if he has determined after public hearing that our rates might jeopardize our ability to pay claims or create a monopoly in the market. A monopoly is defined by law as a market where one insurer writes 20% or more of that part of the California workers' compensation insurance that is not written by the State Compensation Insurance Fund. If the insurance Commissioner disapproves our rates, rating plans or classification, he may order an increase in the rates applicable to outstanding policies.
3. Rating organizations may develop pure premium rates which are subject to the Insurance Commissioner's approval. A pure premium rate reflects the anticipated cost and expenses of claims per \$100 of payroll for a given classification. Pure premium rates are advisory only, as we are not required to sue the pure premium rates developed by any rating organization in establishing our own rates.
4. We must adhere to a single, uniform experience rating plan. If you are eligible for experience rating under the plan, we will be required to adjust your premium to reflect your claim history. A better claim history generally results in a lower experience rating modification; more claims, or more expensive claims, generally result in a higher experience rating modification. The uniform experience rating plan developed by the insurance rating organization designated by the Insurance commissioner is subject to the approval of the Insurance Commissioner.
5. A standard classification system developed by the insurance rating organization designated by the Insurance Commissioner is subject to approval of the Insurance Commissioner. The standard classification system is a method of recognizing and separating policyholders into industry or occupational groups according to their similarities and/or differences. We can adopt and apply the standard classification system or develop and apply our own classification system, provided that we can report the payroll, expenses and other costs of claims in a way which is consistent with the standard classification system.
6. Our rates and classifications may not violate the Unruh Civil Rights Act or be unfairly discriminatory.
7. We will provide an appeal process for you to appeal the way we rate your insurance policy. The process will require us to respond to your written appeal within 30 days. If you are not satisfied with the result of your appeal, you may appeal our decision to the Insurance Commissioner.
