Table of Contents

- **Successes**
- **Challenges**
- **Priorities**
- **Questions & Conversation**

Successes

Successes

- **Access to the College and Career Counseling Team**
 - CCC team has time back & are able to support students more

- **Student clubs are up and running**
 - Meetings are happening at a regular cadence

- **COVID testing weekly rather than biweekly**

The background of the slide is a solid teal color. On the left side, there are several thick, white, diagonal lines that cross each other, creating a dynamic, abstract graphic element.

Challenges

Challenges

- **No announcements / daily bulletin**
 - Hard to stay in the loop with student activities (clubs, sports, etc.) and general school announcements
- **Underclassmen involvement in clubs**
 - 9th and 10th grade students may not be aware of when clubs meet / how to join
- **Communication**
 - Specifically school leaders to student community
 - *Example:* School closure information went to families but not to students

Priorities

Priorities

- **Fall Spirit Week & Community Building Activities**
 - Fall event for student community building
 - Prioritizing COVID safety

- **Advisory / Wave Community Building**
 - Getting creative around how to build community within and between waves

Questions & Conversation
