Middle School Academic Program

At MWA we strive to create holistic students who have a well-rounded educational experience. MWA's instructional program is designed to empower students to become analytical thinkers who can apply subject knowledge to solve real-world problems. MWA offers a broad range of academic and enrichment courses across all subject areas.

Listed below are the course offerings:

Grade	Math	English	Science	History	Encore	Physical Education
5 th	Math 5	ELA 5	Science 5	Social Studies Early United States	Intro to Technology	Health & Wellness
6 th	Math 6	ELA 6	Science 6	Social Studies The Ancient World	Art	Health & Wellness

Middle School Promotion

The 8th grade promotion at MWA middle school is an event that symbolizes the transition from the middle school to the upper school. It is our expectation that every middle school student will be eligible for 8th grade promotion. It is the belief of MWA that with parent support, all 8th grade students will be able to participate in the promotion ceremony. However, if a student does not meet the behavioral and academic requirements, the student may not *walk* on stage during the ceremony and may not participate in any events (rehearsals, field trips, etc.) related to promotion. Additionally, any monies that were paid beforehand intended for end of the year activities *will not* be refunded. For further information regarding the minimum requirements for promotion, please also see the section below regarding retention.

Middle School Grading Scale

A	90-100%
B	80-89%
C	70-79%
F	0-69%

D's are not part of the MWA grading scale, as a "D" does not receive credit when applying to college. However, percentages will be reflected on the semester report card along with the letter grade in order to show improvement (e.g., raising a 43% to a 68%). Academically, students recommended for promotion to the next grade are those who earn an overall average of "C" (2.0 Grade Point Average) or higher in their core academic classes for that academic year. In high school, the GPA is an indicator and predictor for college success.

Middle School Retention Policy

At MWA we want our students to meet (and exceed) academic and social emotional expectations. MWA provides services that promote social-emotional development and awareness in addition to various academic support systems.

To be promoted to the next grade level, a student *must* have *cumulative* passing grades (equivalent to a "C" or better) in science, mathematics, social studies, **and** English Language Arts. A student shall progress through the grade levels by demonstrating growth in learning and by meeting and/or exceeding the grade-level academic and behavioral expectations as established by MWA.

Should a student receive below a cumulative "C" average, parents/guardians will be advised by the administration that the student will be recommended for retention in their current grade level. In addition to these standards, attendance, test scores, teacher recommendations, and other pertinent data will be used to determine the possibility of retention. Students that are at risk for possible retention in their current grade level will be identified as early in the school year, and as early in their school careers, as practicable. To note, parents/guardians are currently notified mid-semester of their child's academic performance via progress reports and semester report cards. In addition, parents/guardians have access to their child's grades via the online [PowerSchool Public Portal](#). Should the student be recommended for retention, the student may lose opportunities to participate in school-wide extracurricular events (e.g., field trips, campus celebrations, casual dress, etc.).

The middle school is the sole feeder for the upper school. It is imperative that our students successfully transition into the upper school with the skill set required to be successful in high school, college, and in their chosen careers.

Upper School Academic Program

The aim of the MWA upper school is to effectively prepare students to gain acceptance to and graduate from college and to pursue a variety of post-secondary education and career pathway options. The courses offered and required of MWA students are aligned with the "A-G" admissions criteria for the University of California (UC) and California State University (CSU) systems. These criteria are some of the highest high school standards in the country. Students successfully passing these courses with high enough grades have proven to be competitive for admission to top public and private universities around the country. At their core, students will be required to attain and develop strong writing skills, critical reading and thinking skills, and strong mathematical, computational and problem-solving skills. A variety of core subjects are offered in 9th and 10th grades. In the 11th and 12th grades, Advanced Placement (AP) courses and other science, math, and art electives are available. In addition, Career Technical Education (CTE) courses are also available, linking specific courses to education and specific career pathways. Students scoring a 3, 4, or 5 (on the 5-point scale) on an AP exam may earn college credit in that subject.

Upper School Grading Scale

A	92-100%	B	82-84%	C	70-74%
A-	88-91%	B-	78-81%	F	0-69
B+	85-87%	C+	75-77%		

Percentages will be reflected on the report card along with the letter grade in order to show improvement (e.g., raising a 43% to a 68%). The semester letter grades are what are shown in the transcript.

Upper School Graduation

MWA graduation requirements are displayed in comparison to the required and recommended courses for University of California and California State Universities. In order to graduate, students must successfully complete each of the required courses with a grade of "C" or better. Students who do not have enough credits earned in time for a June graduation are not eligible to participate in the graduation ceremony.

Upper School Grade Level Promotion

Students must successfully complete a minimum number of credits to be promoted to the next grade level, earning a “C” or higher in a minimum of four core classes each year, earning at least eight credits in courses required for graduation. Each successfully completed semester course earns one credit. Students who do not successfully earn this minimum number of credits may be retained in their current grade level and reclassified into a different Wave. Reclassification and credit recovery plans occur at the close of the spring semester based on credit standing.

School-wide Services, Expectations, and Guidelines

Student Support Services

Student Success Team (SST)

An SST is a multi-disciplinary team that considers, plans, and assesses general education interventions and supports for students experiencing academic, speech/language, and/or social-emotional/behavioral difficulties. This early intervention for struggling students through the SST process is a function of the general education program and not of special education. The purpose of the (SST) is to problem-solve and to identify supports in the general education setting which allow a student to be successful in that setting.

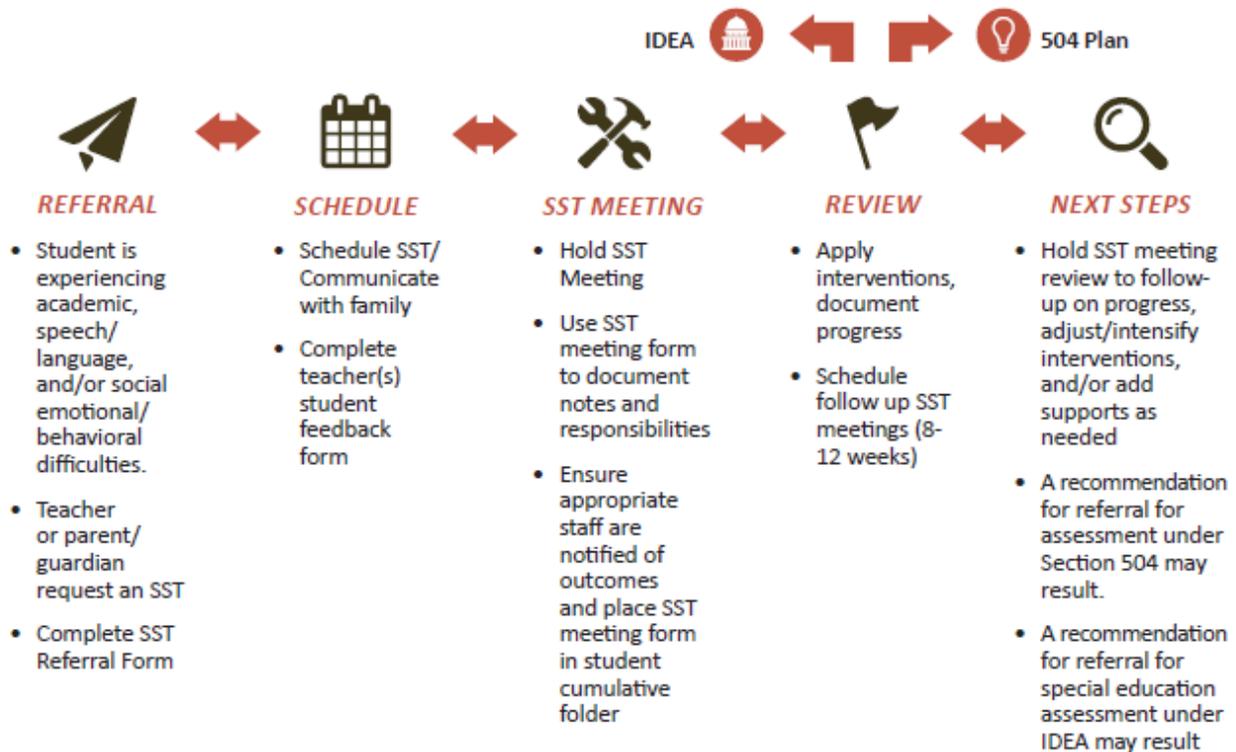

A student may be referred to the SST for:

- Lack of academic progress
- Behavioral/emotional concerns
- Attendance/truancy issues
- Consideration for retention
- Social adjustment
- Consideration for special education disabilities
- Other unresolved parent/guardian concerns

Who participates in the SST team?

The SST is composed of members of the general education school staff and includes meaningful participation of the parent/guardian and the student, if appropriate. The SST reviews and analyzes all screening data, including Response To Instruction and Intervention (RTI2) results and provides a system for accountability. Parents play an integral role in the SST process. If requested, intervention specialists and/or special educators may also participate in SST meetings.

SST FLOWCHART

What is 504 and how is it connected to the SST process?

504 is a section of the Rehabilitation Act of 1973 that ensures individuals with disabilities have equal access and opportunities and may not be discriminated against on the basis of their disability. If interventions in the general education environment prove to be insufficient, the SST team may decide to refer the student to the 504 team, to determine if the student may be eligible for services under 504. If the SST refers a student for special education assessment, and the student does not qualify, a student's 504 eligibility may be considered.

504 Policies and Procedures

Students with a disability may qualify for regular or special education and/or related aids, services, and/or accommodations under Section 504. Please refer to the 504 Policy which can be found in both the middle and upper school offices. Section 504 covers qualified students with a disability who attend schools receiving Federal financial assistance. Section 504 requires that LEAs provide a Free Appropriate Public Education (FAPE) to qualified students in their jurisdictions who have a physical or mental impairment that substantially limits one or more major life activities.

Section 504 defines a person with a disability as one of the following:

- Has a physical or mental impairment that substantially limits one or more major life activities
- Has a record of such an impairment
- Be regarded as having such an impairment

Under Section 504, unless a student actually has an impairment that substantially limits a major life activity, the mere fact that a student has a "record of" or is "regarded as" disabled is insufficient, in itself, to trigger Section 504 protection that require the provision of a Free and Appropriate Public Education (FAPE). The phrases "has a

record of disability" and "is regarded as disabled" are meant to reach the situation in which a student either does not currently have or never had a disability, but is treated by others as such.

Substantial Limitation: A substantial limitation that affects a person's ability to perform an activity in relation to the average person in the general population.

Referrals

When a student is exhibiting academic, social, emotional, participation, attendance, and/or behavioral problems, the student may need to be referred to the intervention/student success team (SST). This referral may lead to a referral to assess under Section 504 and/or a referral to assess under IDEA. A referral to either of the above-mentioned teams, can be initiated by, but is not limited to, the following: parent, administrator, teacher, or school personnel.

Special Education

MWA recognizes the importance of providing educational opportunities to all students regardless of physical challenges or special needs. MWA is committed to serve the exceptional needs of such students in accordance with applicable federal and state laws. MWA collaborates with parents/guardians, the student, teachers, and other agencies, as may be indicated, in order to appropriately serve the educational needs of each student.

Special Education Services are provided to allow students with disabilities to participate in their educational experience within the least restrictive environment (LRE). Special education services are provided by MWA staff and contracted service providers to all eligible MWA students in accordance with the Individuals with Disabilities Education Act (IDEA) and the policies/requirements of MWA's Special Education Local Plan Area ("SELPA"). MWA is part of the El Dorado Charter SELPA. Students may be referred for special education support services through the Response to Intervention model adopted by MWA.

Identification and referral for special education evaluation by MWA is generally made through the Student Study Team (SST) process by evaluating the student's response to intervention and possible need for a higher level of support, as well as by consulting with an appointed Special Education approved designee. Parents/guardians may also request assessments in any areas of suspected disability. Identification can take place at any time in the school year and support will be given as soon as eligibility is determined by an Individual Education Plan (IEP) team. Eligibility of students with disabilities for special education shall be determined by the IEP team, which can include Local Education Agency (LEA) staff and specialists (psychologist, resource specialist, speech and language therapist, program specialist, etc., as appropriate), MWA's Student Support designee, MWA administrator(s), MWA classroom teachers, the parent/guardian of the student, and oftentimes the student themselves.

MWA offers a continuum of special education placements and services based on individual student needs. The Least Restrictive Environment (LRE) mandate of the IDEA requires that students with disabilities receive their education in the "regular education environment" to the maximum extent appropriate or, to the extent such placement is not appropriate, in an environment with the least possible amount of segregation from the students' non-disabled peers and community (34 CFR 300.114 through 34 CFR 300.120). LRE not only applies to instruction taking place in the classroom but also broadly to all aspects of a student's special education program, as well as to students who are not educated in traditional settings (e.g., independent study or virtual programs). The continuum of alternative placements reflects a range of potential placements for which a Local Education Agency (LEA) can implement a student's IEP. The continuum begins with the general education setting and continues to become more restrictive with each placement on the continuum (34 CFR 300.114). The IDEA requires that each LEA ensure:

1. To the maximum extent appropriate, children with disabilities, including children in public or private institutions or other care facilities, are educated with children without disabilities; and
2. Special classes, separate schooling, or other removal(s) of children with disabilities from the general education environment occurs only if the nature or severity of the disability is such that education in the general education setting, with the use of supplementary aids and services, cannot be achieved satisfactorily.

If a student is not accessing FAPE in their current setting, the LEA may convene an IEP team meeting to discuss the student's identified needs and progress towards their current IEP goals. This may include initiating additional assessments to gain information about a student's present levels of performance to drive identified needs, goals, and supplementary aids/supports/services.

Parent Resources

Knowing the basics of special education in California can help parents navigate the IEP process. The El Dorado SELPA provides parents with resources to support parents understand parent's rights, general terminology, and additional resources. Please see SELPA website <https://charterselpa.org/parent-resources/>

Academic Integrity

At MWA, students are expected to give their best at all times and to consistently put forth the effort needed to achieve academic excellence. Forgery, plagiarism, and academic dishonesty of any kind are not tolerated.

Plagiarism and Cheating

The following are not tolerated at MWA:

- Using work without acknowledging the content owner
- Copying assignments that are turned in as original work
- Trading assignments with other students
- Using unauthorized notes or technology, such as bringing notes into a test or using a computer program to translate an assignment and turning it in as one's own
- Sharing answers before, during or after quizzes or tests. Students must be responsible for their own papers and make sure others cannot copy their work

Ways to Avoid Plagiarism and Cheating

- Plan ahead. Rushing to get your work done the night before a big project is due may make it more tempting to cheat or plagiarize.
- Be sure to understand the assignments. Do not rely on friends for information about what is required.
- Do not read someone else's paper or homework before doing your own work. Seek clear direction from teachers about when and how collaboration with partners is appropriate.
- ALWAYS cite the sources used in drafting a paper, report, project, etc. Follow the citation format required by the teacher or content area.
- Keep a list of the sources used (including the author, title, publisher and copyright date). Make sure to note which information you got from which source.
- Protect your own work. Ensure that other students do not have access to homework, essays, projects, tests, or other assigned work that has been completed. If someone else plagiarizes a student's work, the academic integrity of both assignments or assessments is compromised and both students will receive the same grading consequence.
- When in doubt about what to do to avoid cheating or plagiarism, ask the teacher or a school administrator.

Attendance

MWA's Absence/Tardy Line: 510-262-1511

It is imperative that each student be present, punctual, and prepared to participate in each of the classes. A student's academic success is dependent on the student attending school regularly. If students are absent, their parent/guardian must call MWA or provide written documentation of the absence no later than 8:30 am on the day of the absence. Parents/guardians are also required to call if a student is going to be late. MWA will call all parents/guardians of absent students unless they have already notified MWA. Parents/guardians will also receive a call when their student cuts class. Parents/guardians cannot arbitrarily take students out of school before the start of vacation days.

Impact of missing school: Children chronically absent in kindergarten and first grade are much less likely to learn to read by the end of third grade. By 6th grade, chronic absence is a proven early warning sign of drop-out. By 9th grade, good attendance can predict graduation even better than 8th-grade test scores.

Moving on to high school can be an opportunity to reset attendance patterns. A study by the University of Chicago found that 9th grade students who miss more than two weeks of school, on average, fail two courses regardless of their regular academic performance. The same study found that nearly 90% of 9th grade students who miss less than a week of school per semester will graduate. Clearly, going to school regularly matters!

We look forward to working with parents/guardians in a meaningful partnership for their children and we will work very hard to ensure students receive the best education possible. To provide a child with an outstanding education, the child must maintain excellent attendance. Due to California's law of compulsory education (Educ. §§48200, et seq.; 48400; 48293), all children of school age (6-18 years old) are legally required to attend school, so MWA will aggressively pursue solutions to attendance issues.

MWA allows 10 days of excused absences for illness or other purposes specifically identified below (see the section titled "[Excused Absence](#)") without the need for verification from a doctor; however, absences without verification after 5 days will be considered unexcused. No student may have their grade reduced or lose academic credit for any excused absence, when missed assignments and tests that can be reasonably provided are satisfactorily completed within a reasonable amount of time.

Once students have 3 or more full-day unexcused absences or tardy truants, they are subject to the SARB process below.

Attendance Notifications

MWA uses an automated notification system called SchoolMessenger, which broadcasts calls to parents/guardians when a student has an unexcused tardy or absence. When an automated notification that a student is tardy is received, it is critical that parents/guardians work with their child to ensure they arrive on time every day. Tardiness disrupts the classroom setting and interferes with the learning process, often significantly impacting student performance. Patterns of tardiness may affect a student's good standing at MWA.

If a parent/guardian receives a notification that a student had an unexcused absence, parents/guardians should contact MWA by phone immediately at 510-262-1511 to explain and clear the absence, as well as provide a signed note to verify the absence. For example, a note from a doctor counts as an "excused" verification of an absence. The note should be brought to school within 72 hours of the student's return to school.

Tardiness

Arriving to class and school on time is a critical element of academic success, as well as a skill that is necessary for success in post-secondary and work environments. Habitual tardiness may affect a student's good standing at MWA. For unexcused tardies, the following applies:

Middle School	Upper School
<ul style="list-style-type: none"> ● Student reports to the Front Office for Tardy Referral ● Tardy Referral is recorded in PowerSchool ● Student attends 30-minute lunchtime or after-school detention* <p>*Students may opt to serve their detention during lunch or afterschool.</p>	<ul style="list-style-type: none"> ● Student reports to the Front Office for Tardy Referral ● Tardy Referral is recorded in PowerSchool ● If student was late to class, the student attends same-day lunch detention; tardies to PM class results in a next-day lunch detention ● If student was late to a PM class, the student attends an after-school detention

It is the student's responsibility to attend detention on the date that the student is assigned. Arriving late to detention, or incurring multiple tardies on a single day, will result in the issuance of a behavior referral.

Tardies excused for medical reasons require written verification by a medical professional.

Excused Absences

The following are **excused** absences:

- Illness of student including an absence for the benefit of the student's mental or behavioral health (more than 10 absences excused for this reason are considered excessive; verification by a medical professional is required)
- Medical, dental, optometry, or chiropractic appointments. **Parents/guardians are encouraged to schedule appointments after school hours.**
- Quarantine under the direction of a county or city health officer.
- Funeral of immediate family (parent, grandparent, sibling or any relative living in the immediate household of the student) limited to 1 day in state, 3 days out of state
- Legal matters*
- Religious holidays or ceremonies
- Religious retreats, not more than 4 hours per semester*
- Funeral ceremony other than immediate family limited to 1 day in state, 3 days out of state*
- Unforeseen emergencies (i.e. natural disasters) will be handled on a case-by-case basis
- For the purpose of spending time with a member of the student's immediate family, who is an active duty member of the uniformed services, as defined in EC § 49701*
- For the purpose of jury duty in the manner provided for by law
- Attendance at the student's naturalization ceremony to become a United States citizen
- Due to the illness or medical appointment during school hours of a child of whom the student is the custodial parent, including absences to care for a sick child for which the school shall not require a note from a doctor.
- Authorized parental leave for a pregnant or parenting student for up to eight (8) weeks, which may be extended if deemed medically necessary by the student's physician.
- Students in grades 7-12 may be excused from school for the purpose of obtaining confidential medical services, without the consent of the student's parent/guardian.
- Participation in a cultural ceremony or event. "Cultural" means relating to the habits, practices, beliefs, and traditions of a certain group of people.

**Must be requested in writing by parent/guardian prior to absence and approved by a school designated official.*

As a reminder, the **following will not be excused:**

- Family vacations/trips
- DMV Appointments
- Trips related to off-campus activities not related to school
- Work
- Lack of transportation

Unexcused Absences

Student absences will be recorded as unexcused for any absence other than those listed above as excused absence. More than 3 unexcused absences per year are considered concerning and results in a referral to the **School Attendance Review Team (SART)** for truancy proceedings (see section titled "[School Attendance Review Team](#)" below).

Excessive Absences

Students accumulating more than 17 excused absences (or 10% of school days) are considered excessive and may be referred to the **Contra Costa County Office of Education School Attendance Review Board (County SARB)** for truancy proceedings (see section titled "School Attendance Review Board ("SARB")" below).

Early Release

Early Release is a privilege granted by the school administration to specific students who meet the attendance, academic and behavioral expectations outlined below. This privilege allows students the opportunity to leave school after their last core classes in order to engage in an alternate enrichment activity. All early release requests must be verified by a parent/guardian, and in some cases, accompanied by formal documentation.

Authorized Reasons for Early Release and Absences

MWA students will only be considered for early release and absences based on the following reasons:

- Personal reasons (e.g., funeral service, legal obligations, medical/dental appointments, internship program, etc.)
- Observance of or attendance to a religious celebration, holiday, ceremony, or retreat
- Sports, outdoor education, or other educational programs
- Socialization (peer group, psychological services, etc.)
- Additional academic support

School Attendance Review Board ("SARB")

When a student is a habitual truant, or is irregular in attendance at school, the student may be referred to the School Attendance Review Team (SART). The first intervention is conducted by MWA's School Attendance Review Board ("SARB") which is composed of representatives from MWA (administrator, social worker, teacher, staff) and/or member(s) of the county (law enforcement, members from the county office, or welfare). During the first intervention, the family and MWA sign an agreement regarding the student's attendance. Should the student continue to have attendance difficulties that lead to a violation of that agreement, the student may be referred to the Contra Costa County SARB. At the County SARB hearing, the problem is addressed, possible solutions proposed, and a formal, legal binding contract is made between the parent, student, and school. Violations of the contract may lead to referral for legal action to the County District Attorney's office.

It is the responsibility of MWA to maximize the use of all available resources and services to resolve attendance and behavior problems. MWA shall notify a student's parent/guardian of their child's absence in the most cost-effective method possible.

The following procedure will be followed to insure parents are aware of their student's absences and the interventions to be implemented:

- **First Notification of Truancy Letter**
 - Sent for any combination of **3** full day Unexcused Absences (UA) or Unexcused Tardies (TX), or excessive (more than 17 full day) total absences (excused or unexcused)
- **Second Notification of Truancy Letter** (Habitual)

- Sent for **6** full day Unexcused Absences (UA) or Unexcused Tardies (TX) or continued absences after surpassing 17 total absences (excused or unexcused)
- A mandated parent/student conference is held to identify areas of support. SART team meeting is required and fulfills mandated conference requirements.
- **Third Notification of Truancy and Referral to SARB Letter**
 - Sent for **8** or more full day Unexcused Absences (UA) or Unexcused Tardies (UX), or continued absences after surpassing 17 total absences (excused or unexcused). The letter is sent only when MWA is prepared to send the SARB Referral packet, as the letter alerts the family that this will take place.
 - During this hearing, the student's attendance and academic record will be reviewed. A formal legal, binding contract is made between the parent, student, and school. Violations of the contract may lead to referral to the County's Student Attendance Review Board.

School Attendance Review Team (SART) Hearing

The parents/guardians will be given notice by certified mail for the scheduled hearing to meet with MWA's SART to consider a proper plan for correcting problems with attendance. Notices for SART are sent by mail 10 days in advance to the address on file. The parent/guardian and student will be asked to sign an attendance contract. Failure to comply with the contract will result in the order of a citation to appear in a SART hearing.

Students should attend all classes daily and on time. Parents/guardians are expected to notify MWA when the student is out for valid medical reasons by phone or written note. Parents/guardians may also contact MWAs' registrar on a regular basis to make sure there are no attendance issues that have been missed. There is a maximum allowable amount of one week from the date of the absence to clear it before it becomes unexcused.

Contra Costa County Office of Education Student Attendance Review Board (County SARB)

A student may be referred to the County SARB once MWA has utilized all available interventions to support a student's attendance. The CCCOE conducts district-level SARB hearings for students referred from its county-operated community school and its county-authorized charter schools. The County SARB will review information presented by MWA and will interview the student and a parent/guardian. Following the hearing, the student may be placed in a contractual agreement with the County SARB, be required to report their progress, and be referred to the County's District Attorney's Office if they fail to meet the requirements of their agreement.

More information about the Contra Costa County Office of Education's SARB can be found on their website: https://www.ccco.k12.ca.us/programs/for_educators/sarb

Involuntary Removal Process

No student shall be involuntarily removed by MWA for any reason unless the parent or guardian of the student has been provided written notice of intent to remove the student no less than five schooldays before the effective date of the action ("Involuntary Removal Notice"). The written notice shall be in the native language of the student or the student's parent or guardian or, if the student is a foster child or youth or a homeless child or youth, the student's educational rights holder. The Involuntary Removal Notice shall include the charges against the student and an explanation of the student's basic rights including the right to request a hearing before the effective date of the action. The hearing shall be consistent with MWA's expulsion procedures. If the student's parent, guardian, or educational rights holder requests a hearing, the student shall remain enrolled and shall not be removed until MWA issues a final decision. As used herein, "involuntarily removed" includes disenrolled, dismissed, transferred, or terminated, but does not include suspensions or expulsions pursuant to MWA suspension and expulsion policy.

Upon a parent/guardian request for a hearing, MWA will provide notice of the hearing consistent with its expulsion hearing process, through which the student has a fair opportunity to present testimony, evidence, and witnesses and confront and cross-examine adverse witnesses, and at which the student has the right to bring legal counsel

or an advocate. The notice of hearing shall be in the native language of the student or the student's parent or guardian or, if the student is a foster child or youth or a homeless child or youth, the student's educational rights holder and shall include a copy of MWA expulsion hearing process. If the parent/guardian is nonresponsive to the Involuntary Removal Notice, the student will be disenrolled as of the effective date set forth in the Involuntary Removal Notice. If a parent/guardian requests a hearing and does not attend on the date scheduled for the hearing the student will be disenrolled effective the date of the hearing.

If as a result of the hearing the student is disenrolled, notice will be sent to the student's last known district of residence within thirty (30) days. A hearing decision not to disenroll the student does not prevent MWA from making a similar recommendation in the future should student truancy continue or reoccur.

Arrival/Dismissal Policy

In order to protect and ensure student safety, MWA is a **closed campus**. This means that from the time of arrival to the time of dismissal to home, students may not leave campus. All parents/ guardians and students are expected to follow MWA's Arrival and Dismissal Policy, including traffic guidelines, time frames, and directives from MWA staff members and volunteers facilitating arrival/dismissal in order to maintain a safe environment for everyone.

	Time	Procedure
Arrival	8:00am - 8:30am	<ul style="list-style-type: none"> ▪ Cars dropping off must use the drive loop and authorized loading/unloading zones only. Parents/Guardians may not park along Lakeside Drive to drop-off students ▪ Middle school students report directly to the MS campus ▪ Upper school students report directly to the US campus ▪ There is no supervision on campus before the designated arrival time
Dismissal	3:30pm - 4:00pm*	<ul style="list-style-type: none"> ▪ Students may leave campus via the MWA bus, bike, car, and by walking to public transportation or home ▪ Students should report to designated loading/unloading zones only ▪ Students not leaving campus are expected to report directly to sports, club activities, or after school programming under the direct supervision of MWA faculty or staff. Any student remaining on campus after 4:00 pm will be placed in an academic program upon the close of dismissal ▪ Students may not leave campus and return without permission from the Program Director or their designee <p><i>*After the close of the dismissal, parents/guardians picking up students will need to notify the Front Office to grant permission to students to wait in the US Front Office for pick-up.</i></p>

Expectations for Parents/Guardians and Students During Arrival and Dismissal

Parents/guardians are responsible for clearly communicating with their students every day regarding student dismissal plans.

Students may make phone calls home from the front office during breaks or lunch if they need to speak to their parents/guardians about pick-up times, after-school plans, sports and other plans. Students are permitted to use personal cell phones during approved dismissal windows for transportation-related calls.

Students and parents/guardians are expected to respectfully and courteously follow traffic laws, posted signs, and the directions of all MWA staff and volunteers during arrival and dismissal. Additionally, they should be mindful of the volume and appropriateness of their music when on campus.

To ensure student safety, and to ensure families get through the arrival and dismissal line quickly, please follow the directions of staff, faculty and volunteers at all times. The dismissal process takes approximately 30 minutes. Students and parents/guardians should plan ahead if there is an appointment or other commitment for which they need to leave school promptly. Parents/guardians should review the early release procedure if they anticipate needing to leave school early in order to attend an appointment (appointments are excused per the reasons outlined in the section titled "[Excused Absences](#)").

Traffic Procedures

To ensure student and community safety, it is essential to follow the traffic procedure. Families and/or students found violating traffic regulations or operating in an unsafe manner may lose their parking privileges on campus. The local police department will be involved as necessary.

Guidelines

- Always follow directions of the staff, faculty and volunteers directing traffic
- Always use the crosswalks
- Never "j-walk"
- U-Turns on Lakeside are prohibited
- Never park in the bus loading zones
- Speed limit is 5 mph while driving anywhere on campus (e.g. the parking lots and the drive loop)
- Students may only park in designated areas
- Students may not park in faculty or visitor parking spaces
- Students must be dropped off in designated areas **ONLY**
- Student drop-off/pick-up at any of the surrounding businesses (for example, the YMCA) is **strictly prohibited**

Students and parents/guardians who do not follow the Arrival/Dismissal Policy jeopardize the safety of our students and staff, and will be subject to the following:

- School-Wide Behavior Management System interventions – refer to School-Wide Behavior Management System
- Meeting with School Administrator to discuss safety violations
- Report to Law Enforcement as mandated by law

Student athletes are permitted to leave campus and return for later practices and games with the permission of the Athletic Director. Athletes must return promptly at the start time of their activity supervised by MWA staff, or wait in the designated academic program area. Athletes may not wait in unsupervised and closed buildings. Athletes may **not bring unapproved food back to campus.*

Immunizations and Physical Examinations

To ensure a safe learning environment for all students, MWA follows and abides by the health standards set forth by the state of California. Students will not attend school until all required records have been received. This requirement can be waived only if a properly signed health exemption is filed. The immunization status of all students will be reviewed periodically. Those students who do not meet the State guidelines will be excluded from school until the requirements are met. Students who have been exposed to a communicable disease for which they have not been immunized may be excluded from school at the discretion of MWA.

Students will be screened for vision, hearing and scoliosis. A parent/guardian of a child enrolled in MWA may file annually with the Assistant Principal a written and signed statement stating that the parent/guardian will not consent to a physical examination of the child. Thereupon the child shall be exempt from any physical examination, but whenever there is a good reason to believe that the child is suffering from a recognized contagious or infectious disease, the child shall be sent home and shall not be permitted to return until MWA authorities are satisfied that any contagious or infectious disease does not exist.

Nutrition Policy

Part of the MWA holistic approach involves children being properly nourished. Statistics show that brain function is related to nutrition, and unfortunately, many students are less prepared to learn because they do not consume consistently nutritious meals on a regular basis. The purpose of MWA's nutrition/food guidelines is to serve as a point of nutritional reference to provide consistency for both staff and students.

Our priority is the health of our students. Any contradictory messages (regarding healthy food choices and nutrition) undermine our approach and philosophy on student health. We want our students to build healthy eating habits that they follow now and in the future, but they need help in doing this. Some of our students live in communities where a large part of the population suffers from preventable diseases directly related to diet and food choice. As a result of living in communities where healthy food options are not always available, we want to ensure that our community has the requisite knowledge to make healthy food choices.

MWA participates in the National School Lunch Program. Applications/Alternative Income forms for determining eligibility for free or reduced price meals are included in the first day packets to all families and can also be obtained in the main office. **Completing the application is vitally important, as it may bring significant additional funds to MWA, and qualify students for individual benefits such as college application waivers, Advanced Placement (AP) and International Baccalaureate (IB) testing fee waivers, and Pandemic-Electronic Benefits Transfer (P-EBT) benefits. If MWA does not receive enough applications, the funding for some programs may be cut.**

Food Drop-Offs

Any food being dropped off to students by families during the school day must be brought directly to the Front Office of the middle school or upper school. Students may pick up their food from the Front Office once it has been approved by the Senior Dean of Students or their designee. ***Students may not utilize food delivery services, such as Uber Eats, GrubHub, pizza delivery, etc. If a student is found to be in violation, the food will be confiscated (to be picked up at the end of the day by a parent), and a consequence of detention and/or suspension will be applied if violations persist.***

MWA Food Service is committed to:

- Providing students with healthy and nutritious foods; all students will have access to healthy and nutritious food from MWA.
- Encouraging the consumption of fresh fruits and vegetables, low fat milk and whole grains.
- Supporting healthy eating through nutrition education.
- Encouraging students to select and consume all components of the school meal.

The following outline provides a guide to the foods and beverages that are **approved** by MWA for students to bring for everyday breakfast, snack and lunch:

APPROVED	Why is this the healthy choice?
<ul style="list-style-type: none"> • Snack/protein bars • Healthy sandwiches • Cereal/oatmeal • Baked savory snacks (i.e. pretzels, crackers) • Homemade meals (for your child only) • Fruit • Vegetables • Yogurt • Whole grains • Food items that are low in fat/calories • Water 	<ul style="list-style-type: none"> • Whole grains provide fiber and vital nutrients to fuel a healthy metabolism. • Lean protein allows for proper muscle development. • Diets rich in calcium support healthy bone growth. • Fruits and vegetables provide necessary vitamins and nutrients for proper development and brain function. • Water keeps the body hydrated and operating. It also helps flush out toxins.

The following outline provides a guide to the foods and beverages that are **not approved** by MWA for students to bring to school other than on special occasions identified on the school calendar:

NON- APPROVED*	Why is this <i>not</i> healthy for our daily food choice?
<ul style="list-style-type: none"> • Sodas/Sport drinks • Candy • Gum • Chips (<i>outside of recommended personal serving size during designated meal periods</i>) • Sunflower seeds • Cookies/Brownies/ Desserts (<i>outside of recommended personal serving size during designated meal periods</i>) • Fast food • Ramen/Cup of Noodles • Caffeinated beverages 	<ul style="list-style-type: none"> • High sugar consumption can lead to diabetes and excessive weight gain. • Diets that include too much sodium can lead to high blood pressure and heart disease. • Foods high in fat can lead to high blood pressure, high cholesterol, excessive weight gain, and diabetes. • Caffeine is a stimulant, affecting your heart rate and blood pressure. Caffeine also has addictive properties- meaning the growing/developing body can become dependent. • Processed and artificially-flavored foods contain unhealthy chemicals and discourage healthy body development.

*Non-approved foods will be confiscated. Students receiving multiple infractions of this policy will be issued a referral. All student food consumption should take place during designated snack break and lunch periods in approved serving areas.

Note: The Nutrition Policy can be flexible to accommodate special events and celebrations throughout the year when pre-approved by senior leadership.

All students who are transported in a school bus or school student activity bus shall receive instruction in school bus emergency procedures and passenger safety. Upon registration, MWA is required to provide safety regulations to the parents/guardians of all new students in grades 5 or 6 who have not previously been transported by school bus. Additionally, MWA must also provide safety instruction to all students in 5th through 8th grade who receive home-to-school transportation. For more information about MWA's policy, please see the complete policy located at the front office.

*These guidelines are subject to change due to local and state COVID-19 health guidelines and regulations.

MWA Dress Code

MWA strives to foster high standards in all areas of the school program, including student attire and personal appearance. At MWA, we believe that student attire has a significant impact on student mindset and behavior. In order to cultivate a sense of pride in one's appearance, to provide the daily opportunity to acclimate to an external standard of dress, and to promote and maintain a safe and inclusive learning environment, MWA has implemented a school-wide dress code policy.

All students are required to follow the MWA uniform dress code outlined below, from the time they arrive until the time they leave campus. In general, students' clothing should fit properly and reflect a sense of professionalism to the academic environment— clothes should not be ripped, torn, overly baggy, inappropriately tight or revealing. If students or parents/guardians are unsure about the MWA dress code, it is their responsibility to seek clarification.

MWA Dress Code applies in class, on campus, and during off-campus field trips.

Attire for Special Designated Days

Designated Special Attire Days: Professional Dress, College Attire, and Casual Dress Days

Professional Dress Days

Once each month, these days provide students with regular opportunities to demonstrate wearing appropriate attire for professional business environments. Ensuring that we prepare our students to appear confidently and

appropriately in professional environments is the key to their success in the workplace and post-secondary education. The following clothes are appropriate for professional dress and formal wear events (i.e. 8th Grade Promotion, awards ceremonies, etc):

- Slacks, pants, or knee-length skirts in black, brown, navy blue or gray
- Formal blouses or long sleeved, buttoned up, collared dress shirts in white, pastels or neutral colors
- Blazers, suit jackets in black, brown, navy blue or gray
- Sweaters in black, brown, navy blue, gray, pastels or neutral colors
- Suits and ties
- Formal dress shoes and a belt
- Jewelry should not detract from ability to learn or participate in on-campus activities

***Note: if a student does not own or cannot obtain business attire, standard dress code attire is acceptable.**

College Attire Days

As part of our comprehensive efforts to develop a college-going culture at MWA, students have the opportunity to participate in weekly College Attire days every Friday to foster an early appreciation for and sense of pride related to colleges and universities of a student's choice or interest. On these days, students may wear the following attire:

- Any bottoms, sweaters, hoodies, jackets, or accessories representing official colleges and universities.

Casual Dress Days

MWA students have the opportunity to earn Casual Dress days to demonstrate individuality and personal responsibility through choosing their own attire on selected days. On these days, students may wear non-uniform clothing that adheres to the following guidelines:

- No ripped or tattered clothing
- No skin-baring tops or tank tops
- No inappropriate logos or images that depict illicit or illegal activity
- Bottom hem of bottoms may not be more than 3 inches above the knee

One Casual Dress day can be awarded to the student body each month. Casual Dress days may also be earned for individual classes and grade levels that collectively demonstrate MWA's Core Values on campus and throughout the community. Casual Dress days are also earned for grade levels demonstrating attendance excellence (no more than two students absent within a grade) for two or more days in a school week.

MWA Student Behavior Management and Restorative Practices

MWA believes that each student has liberties that include freedom of expression (artistic, intellectual, individual), freedom from physical aggression, and freedom from concerns regarding personal safety in the school environment. Our model of student support is rooted in restorative justice, which focuses on building positive relationships, comprehensively addressing harm/conflict, and restoring relationships. Our model also asserts that students, especially students coming from urban environments, are not broken, but have valuable skill sets to be accessed. In honor of this approach to behavior management, MWA provides resources that target the development and acquisition of various skills (academic, intellectual, and socio-emotional) in preparation for collegiate and professional environments. Our goal for student development is holistic centered, but we also understand that part of student development includes disciplinary measures as well to ensure the safety of our school community. When appropriate, we will exercise discipline measures to maintain the integrity of our programmatic structure and community safety.

Student Code of Conduct

Teaching and learning for all students is the highest priority. Therefore, one student's misbehavior will not be allowed to interfere with the learning opportunities of other students, or the teacher's responsibility to teach all students. In working to promote both academic and social development, MWA's school-wide behavior management policies are intended to uphold school-wide behavior and academic expectations. Students who fail to adhere to these expectations will be subject to an appropriate consequence.

Classroom Management Policy

When a student does not follow classroom expectations, the following strategies are utilized by faculty to redirect behavior for positive individual and learning outcomes:

- Verbal warning: spoken cue to student that behavior is not appropriate
- "Pause" or "check-in": provision of time/space for student to reflect, de-escalate as necessary and make the choice to positively change their behavior
- Application of classroom consequences per teacher's classroom management system, as listed in their syllabus
- Parent/guardian contact by teacher
- Scheduling of parent/guardian conference by teacher, as needed
- Application of academic and/or behavioral intervention strategies by teacher

If the student does not positively redirect their behavior, the student will be issued a behavior referral and sent to the Dean of Students. The section below outlines the school-wide behavior management model. The below chart represents a non-exhaustive list of examples of types of behavior and resulting consequences. Depending on the infraction, a single incident may constitute a suspendable or expellable infraction under the [MWA Suspension and Expulsion Policy](#). The school will make every effort to support a student before utilizing consequences involving suspension and or expulsion*.

School-Wide Behavior Management System

Behavior Infraction Category: Level 1, Procedural (Core Value Connection: Responsibility)

Procedural: Behaviors that affect only the student exhibiting the behavior and impedes the student from being responsible for their own learning. This behavior can impact how the student engages the process of learning.

Staff Oversight: Teachers

Procedural Infraction Examples:

- Not having appropriate equipment and materials
- Sleeping in class
- Gum chewing and unauthorized eating in classroom or hallways
- Being off task, but not disrupting others
- Improper use of school equipment or materials
- Dress code violations
- Truancy/Repeated lateness
- Skipping/Cutting class
- Failing to follow a reasonable request of a staff member or volunteer
- Non-Report to detention
- Usage or possession of cell phone or other electronic device during school hours

School Safety Policy Guidelines

It is the policy of MWA to provide a safe environment for students and staff by removing students whose actions cause a potential or continuing danger to students and/or staff. If a student commits any of the following infractions on or under school jurisdiction (while the student is at school, in route to or from school, or at a school-sponsored event/activity), the student **will be recommended for expulsion** from MWA:

- Possessing, selling, or otherwise furnishing a firearm, explosive, or other destructive device unless, in the case of possession of any device of this type, the student had obtained written permission to possess the item from a certificated school employee, with the Assistant Principal or designee's concurrence.

- Brandishing a knife at another person. As used in this section, “knife” means any dirk, dagger, or other weapon with a fixed, sharpened blade fitted primarily for stabbing, a weapon with a blade longer than 3 ½ inches, a folding knife with a blade (any size) that locks into place, or a razor with an unguarded blade.
- Unlawfully selling a controlled substance.
- Committing or attempting to commit a sexual assault or battery as defined in subdivision (n) of Section 48900.

Fights/Threats/Bullying: Students are encouraged and expected to take the following steps to resolve conflict instead of resulting to physical action, threats, or intimidation:

- Inform a Dean of Students, teacher, site monitor, security or any adult in the general vicinity,
- Walk away from the situation that appears to be escalating, then seek out assistance from an adult,
- Take deep breaths to help calm down,
- Request a conflict mediation meeting with the Dean of Students to help resolve potential conflicts.

Consequently, fighting, repeated threats to fight, or bullying as a means of creating or resolving conflicts will result in a recommendation for expulsion from MWA.

Controlled Substances (Drugs or Alcohol):

The following circumstances can result in suspension and a possible recommendation for expulsion:

- Using, possessing, attempting to buy or selling a controlled substance (illegal drugs or alcohol) or being under the influence.
- Unlawfully possessed or unlawfully offered, arranged, or negotiated to sell any drug paraphernalia.
- Possession of tobacco or nicotine products, including but not limited to cigarettes (including electronic smoking devices, e-cigarettes, hookah pens) snuff and smokeless tobacco.

Please Note: Any of the aforementioned offenses may be reported to the proper legal authorities. Further, repeated or severe violations of the school disciplinary policies may also result in a recommendation for expulsion as identified in the [Suspension and Expulsion Policy and Procedures](#).

The above school rules and regulations apply to all school activities, on or off campus, including school-sponsored activities and events, as well as in transport to/from school grounds.

Searches and Seizures

MWA is fully committed to promoting a safe learning environment. To ensure this, MWA will act in accordance with state law to provide procedures and policies with the goal of eliminating the possession and use of prohibited items, including weapons, controlled substances, or other dangerous items, by students on school premises and at school activities. As necessary to protect the health and welfare of students and staff, law enforcement, MWA security personnel, and/or Executive/Senior Leadership may search a student’s personal property, and/or property belonging to MWA under the student’s use and may seize illegal, unsafe, or otherwise prohibited items. A student and their belongings may be searched if there is reasonable suspicion that the student has violated or is violating the law or established school rules.

Any illegal items and the possession of illegal items (as defined by state law and MWA’s policies and guidelines) may be subject to law enforcement. Student lockers are MWA property and remain at all times under the control of MWA. The acceptance and use of locker facilities on MWA campus by any student shall constitute consent by the student to the search of such locker facilities by authorized MWA personnel and/or law enforcement. Inspections of lockers may be conducted by school personnel and/or law enforcement through the use of trained dogs. Copies of the MWA Search and Seizure policy can be requested at the middle and upper school Front Offices.

Mental Health Services

MWA recognizes that unidentified and unaddressed mental health challenges can lead to poor academic performance, increased likelihood of suspension and expulsion, chronic absenteeism, student attrition, homelessness, incarceration, and violence. Access to mental health services at MWA and in our community is not only critical to improving the physical and emotional safety of students, but it also helps address barriers to learning and provides support so that all students can learn problem-solving skills and achieve in school and, ultimately, in life. Our students can ask for support from MWA’s division social worker by contacting the Main Office in person or by phone at 510-262-1511. The parent/guardian would then share their child's current grade and support needed (e.g. family divorce, grief/loss, concerned about depressive symptoms) in order to connect with the assigned social worker.

Suicide Prevention and Intervention

The Centers for Disease Control and Prevention (“CDC”) reports that suicide is the second leading cause of death among people 10 to 34 years of age in the United States[i]. MWA’s Suicide Prevention and Intervention policy, along with MWA’s Death Policy, outlines MWA’s suicide prevention, intervention and postvention procedures to protect the health and well-being of all MWA students. Please see MWA’s Death Policy for postvention procedures on how to respond to a student who has died by suicide or other circumstances. A full copy of the Suicide Prevention and Intervention Policy and MWA’s Death Policy can be found on MWA’s website or available by request. In order to request, please contact our main office and ask to be connected to your grade level social worker.

Prevention Programming for Students

Students will participate in workshops and trainings that will inform them about the warning signs of suicide, symptoms of mental health disorders commonly experienced by adolescents, resources for mental health support, and how to access mental health services at MWA and in the community.

In order to be responsive to the needs of high-risk students, MWA will provide services to the following categories of students, which have been determined by available research to be at elevated risk for suicide (not a comprehensive list):

- Youth bereaved by suicide
- Youth with disabilities, mental illness, or substance use disorders
- Youth experiencing homelessness or in out-of-home settings, such as foster care
- Lesbian, gay, bisexual, transgender, or questioning youth

Services are provided through: case management, critical incident debriefings, grief support groups, group therapy, individual therapy, and referrals for external support.

Risk Factors and Protective Factors

Risk factors for suicide are characteristics or conditions that increase the chance that a person may try to take her or his life. Suicide risk tends to be highest when someone has several risk factors at the same time. (<https://www.thetrevorproject.org/resources/preventing-suicide/suicide-risk-factors/>)

FACTORS OF THE MIND AND BODY	FACTORS FROM THE ENVIRONMENT	FACTORS THAT A PERSON TAKES PART IN, EXPERIENCES OR LEARNS
<ul style="list-style-type: none"> ● History or signs of depression ● History of mental illness ● History of being abused or mistreated 	<ul style="list-style-type: none"> ● Barriers to mental health services ● Lack of community support ● Homelessness ● A death or relationship breakup 	<ul style="list-style-type: none"> ● Risky health behaviors (e.g. substance abuse, unsafe sex practices, etc.) ● Lack of support from other youth

<ul style="list-style-type: none"> ● History of self-injury ● Tendency to be impulsive ● Major physical illness ● Affective disorders (i.e. mood disorders) ● Previous suicide attempt(s) 	<ul style="list-style-type: none"> ● A job loss or change in financial security ● Feeling unsafe ● Family history of suicide ● High stress family environment or dynamic ● Academic or family crisis ● Easy access to lethal materials 	<ul style="list-style-type: none"> ● Cultural or religious beliefs that suggest suicide as a solution ● Exposure to suicide through the media, family, friends or co-workers ● Unwillingness to seek help ● Non-suicidal self-injury ● Victimization at home or in school ● Difficulty in school, failing grades, bullying others
--	--	---

It is important to bear in mind that the large majority of people with mental disorders or other suicide risk factors do not engage in suicidal behavior.

Protective factors for suicide are characteristics or conditions that may help to decrease a person’s suicide risk. While these factors do not eliminate the possibility of suicide, especially in someone with risk factors, they may help to reduce that risk. Protective factors for suicide have not been studied as thoroughly as risk factors, so less is known about them.

Protective factors for suicide include:

- Easy access to effective, culturally competent care
- Support from medical and mental health care professionals
- Coping, problem solving and conflict resolution skills
- Restricted access to highly lethal means of suicide (e.g. firearms)
- Strong connections to family members
- Connectedness to safe schools
- Academic, artistic, athletic achievements
- Nonviolent problem solving and conflict resolution
- Family acceptance for their sexual orientation and/or gender identity
- Positive connections with friends who share similar interests
- Cultural and religious beliefs that discourage suicide
- Positive role models and self esteem

Note that protective factors do not entirely remove risk, especially when there is a personal or family history of depression or other mental disorders.

Re-Entry Procedures

When a student returns to school after a mental health crisis, the Dean(s) of Students and a school mental health professional (i.e. MWA Social Worker or clinician) will meet with the student’s parent/guardian and the student to discuss the process for re-entry and the student’s readiness to return to school. This includes:

- A school mental health professional will coordinate mental health services with the student, parent/guardian, and external mental health care providers with authorization of exchange/release of information,
- The parent/guardian will provide documentation from a mental health care provider of the student’s discharge plan that includes the hospitalization dates and contact information of the treating clinician,
- A school mental health professional will inform the senior leadership team of the support plan for the student,
- A school mental health professional or one of the Deans will share with the student’s Grade Level Lead the support plan and accommodations or adjustments that should be put in place to help re-integrate the student back to school. If needed, MWA mental health professionals will work with the support services team to determine appropriate next steps for support. This may include convening a Student Success Team (SST) meeting or referral to 504 plan or special education if appropriate.

- A school mental health professional will assess the students risk level for at least six weeks after hospitalization and will schedule periodic check-ins with the student and parents/guardians to help the student readjust to the school community and address any ongoing concerns. The student may engage in mental health treatment at MWA if they are not being provided by an external mental health care provider.

Expectant and Parenting Students

The MWA mission states, “Making Waves commits to rigorously and holistically preparing students to gain acceptance to and graduate from college to ultimately become valuable contributors to the workforce and their communities.” This statement is inclusive of expectant and parenting students. MWA encourages expectant and parenting students to continue their education while receiving necessary health, social service, and day care services. MWA recognizes that expectant and parenting students face challenges that may interfere with academic success and are entitled to accommodations that provide them with the opportunity to succeed academically while protecting their health and the health of their children. This policy outlines the protocol that MWA will utilize to best support expectant and parenting students.

A pregnant or parenting student is entitled to eight weeks of parental leave, or more if deemed medically necessary by the student’s physician, which the student may take before the birth of the student’s infant if there is a medical necessity and after childbirth during the school year in which the birth takes place, inclusive of any mandatory summer instruction, in order to protect the health of the student who gives or expects to give birth and the infant, and to allow the pregnant or parenting student to care for and bond with the infant. A pregnant or parenting student who does not wish to take all or part of the parental leave to which they are entitled shall not be required to do so. When a student takes parental leave, MWA will ensure that absences from the student’s regular school program are excused until the student is able to return to the regular school program or an alternative education program. MWA shall not require a pregnant or parenting student to complete academic work or other school requirements during the leave. A pregnant or parenting student may return to the school and the course of study in which the student was enrolled before taking parental leave.

Upon return to school after taking parental leave, a parenting student will be able to make up work missed during their leave, including, but not limited to, makeup work plans and re- enrollment in courses. Notwithstanding any other law, a pregnant or parenting student may remain enrolled for a fifth year of instruction in MWA if it is necessary in order for the student to be able to complete any graduation requirements, unless MWA determines that the student is reasonably able to complete the graduation requirements in time to graduate from high school by the end of the student’s fourth year of high school. If a student chooses not to return to MWA after taking parental leave, they are entitled to alternative education options offered by MWA. A pregnant or parenting student who participates in an alternative education program shall be given educational programs, activities, and courses equal to those he or she would have been in if participating in the regular education program. A student shall not incur an academic penalty as a result of the student’s use of the accommodations to which it is entitled under the law.

Complaints of noncompliance with laws relating to pregnant or parenting students may be filed under the [Uniform Complaint Procedures \(“UCP”\)](#) of MWA. The complaint may be filed in writing with the UCP compliance officer:

Elizabeth Martinez, Chief Operating Officer

What Does Federal Law Say Regarding Expectant and/or Parenting Students?

Title IX of the Educational Amendments of 1972 stipulates the following in regards to expectant and/or parenting students:

- No rule concerning a student's actual or potential parental, family, or marital status which treats students differently on the basis of sex shall be applied (5 CCR § 4950; 34 CFR § 106.40(a)).
- Schools must treat pregnancy, childbirth, false pregnancy, termination of pregnancy and recovery therefrom in the same manner and under the same policies as any other temporary disability with respect to any medical or hospital benefit, service, plan or policy MWA administers, operates, offers, or participates in with respect to MWA's students (5 CCR § 4950(d); 34 CFR § 106.40(b)(4)).
- A physician's note certifying that the student is physically and emotionally able to continue participation may be required only if such certification is required for all students for other physical or emotional conditions requiring the attention of a physician (5 CCR § 4950(b); 34 CFR § 106.40(b)(2)).
- Students are permitted to take a leave of absence for pregnancy, childbirth, false pregnancy, termination of pregnancy and recovery therefrom for so long a period of time as is deemed medically necessary by the student's physician, at the conclusion of which the student shall be reinstated to the status which she held when the leave began (34 CFR § 106.40(b)(5)).
- Students shall not be discriminated against or excluded from education programming or activity, including any class or extracurricular activity, on the basis of such student's pregnancy, childbirth, false pregnancy, termination of pregnancy or recovery therefrom, unless the student requests voluntarily to participate in a separate portion of the program or activity of MWA. (34 CFR § 106.40(b)).
- A student may participate in a program or activity for pregnant students if provided by MWA, but participation must be completely voluntary and the separate program or activity must be comparable to that offered to non-pregnant students (34 CFR § 106.40(b)(3)).
- Requiring or refusing to allow a student to take a course or participate in a program on the basis of sex is prohibited (34 CFR § 106.34).
- Discriminatory counseling and use of materials that treat students differently on the basis of sex are prohibited (34 CFR § 106.36).
- Discrimination is prohibited in activities that are part of MWA's education program even if they are not directly run by MWA. Thus, a student cannot be excluded from a program such as student exchange, study abroad, or coursework programs on any basis prohibited by Title IX (34 CFR § 106.31(d)).

Social Work Support

Students who are identified as expectant or parenting will be referred to MWA's Division Social Worker. The Division Social Worker will work alongside the student to ensure that MWA is providing academic and socio-emotional support in-school, in addition to referring the student to these types of support within the community. Once an expectant or parenting student is referred to the Division Social Worker, the following protocol will be implemented:

- The Division Social Worker will meet with the expectant and/or parenting student to assess the student's physical, mental, and emotional state. The Social Worker will review Title IX rights and confidentiality with the student. If the student consents, the Social Worker will set-up a meeting with the student, student's family, and school administrators.
- The Division Social Worker will collaborate with academic interventionists in order to develop a graduation plan with each expectant and/or parenting student, which will include maternity/paternity leave dates, academic goals, an academic plan, and academic and socio-emotional supports needed.
- The Division Social Worker will collaborate with school staff to ensure the delivery of support systems.
- The Division Social Worker will refer the student to community resources and supports that serve expectant and parenting students, including Cal-Safe Programs.

School Adjustments

MWA will make reasonable adjustments to facilitate equal access and full participation of expectant and parenting students. Adjustments will be made on a case-by-case basis, and may include:

- Home-based study with support from teachers
- Online learning
- Class schedule flexibility
- Provide a private location where the student can pump milk
- Allow additional time for passing periods, lunch, pumping, and breastfeeding as needed

Confidentiality

Expectant and parenting students have the right to have their health and personal information kept confidential. MWA staff should make every effort to keep personal information and health records confidential within the boundaries of applicable law, including but not limited to:

- Personal information that students share with the Division Social Worker will be kept confidential.
- The Division Social Worker should encourage these youth to consider informing their parents of a pregnancy. However, the Division Social Worker and/or school staff may not disclose this information to the student's parents or force or coerce the youth to inform their parents, or any other individual, of any pregnancy or parenting related information.
 - Fear of disclosure prevents some minors from seeking services. When minors are assured that providers will respect their privacy and provide confidential care, they are more likely to seek care, especially reproductive healthcare. Generally, when a minor has the right to consent to treatment or testing, healthcare providers and school staff should keep information related to the service confidential. However, there are circumstances in which confidentiality may not be possible, including: cases of suspected child abuse or neglect, threats by the minor against self or others, cases where there is a serious risk to the minor's life or health (learning of a pregnancy or parenting status is not in and of itself a serious risk to the minor's life or health).

Expecting and/or Parenting Students Attendance

Every child between the ages of 6 and 18 has the right and the obligation to attend school. Expectant and parenting students have the same right and obligation under compulsory school attendance laws. This attendance right and obligation applies to students regardless of their marital or parental status. Below are important guidelines to monitor the attendance of expectant and/or parenting students.

- Students are entitled to an extended absence or leave of absence for reasons of pregnancy and related medical conditions, including pregnancy-related illness or health condition, childbirth, and recovery therefrom. The leave shall be for at least the duration deemed medically necessary by the student's licensed health care provider. Documentation from students' licensed health care providers may be required for verification of pregnancy and related medical conditions only if it is also required for absences due to other medical conditions. Student parents are also entitled to a fair and reasonable parental leave following the birth of a new child. That leave may be taken sequentially following pregnancy leave. The student's family, school staff and medical professionals shall specify a fair and reasonable term for parental leave with each expectant student.
- Students with excused absences or tardiness such as pregnancy-related illnesses or the medical care of related conditions shall be treated like all other students with excused absences or tardiness for short-term disability or medical reasons. Students with excused absences shall be allowed to complete all assignments and tests missed, or a reasonable equivalent of the work missed, during the absences within a reasonable time period. Students shall be given full credit upon satisfactory completion of that work.
- A student who is the parent of a child shall be considered excused when their absence or tardiness is due to the illness or the medical appointment of their child or as a result of the student's pre- or post-natal medical conditions.
- A student who is the parent of a child shall also be considered excused due to lack of child care when the student has made a reasonable effort to secure and maintain reliable child care. The Division Social Worker will take part in determining whether the student has made a reasonable effort to secure child care. MWA requires verification of appointments from expectant students' licensed healthcare providers or the licensed healthcare providers for students' children, however, any such oral or written verification will not appear in the student's school records and shall be stored in a separate confidential file managed by the Division Social Worker.
- At the conclusion of a pregnancy and/or parental leave, students will be reinstated at MWA with the same status as before the leave began. MWA will support the continuation of learning during excused absence and leave with the supports listed above.

Homeless Students

Liaison for Homeless, Foster and/or Mobile Youth:
Rachel Navarro, Social Worker
4123 Lakeside Drive, Richmond, CA 94806
(510) 262-1511

The term "homeless children and youth" means individuals who lack a fixed, regular and adequate nighttime residence due to economic hardship. It includes children and youths who (42 USC 11434a):

- Are sharing the housing of other persons **due to loss of housing, economic hardship, or a similar reason**; are living in motels, hotels, trailer parks or camping grounds due to the lack of alternative adequate accommodations; are living in emergency or transitional shelters; or are abandoned in hospitals;
- Have a primary nighttime residence that is a public or private place not designed for or ordinarily used as regular sleeping accommodations for human beings;
- Are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations,

or similar settings; and/or

- Migratory children and unaccompanied youth (youth not in the physical custody of a parent or guardian) may be considered homeless if they meet the above definition of “homeless.”

Homeless status is determined in cooperation with the parent/guardian during student registration and re-enrollment. In the case of unaccompanied youth, the status is determined by the MWA Liaison.

A copy of [MWA's annual notice on Homeless Youth](#) is located in the appendices section.

Foster Youth

The following definitions apply:

1. “Foster youth” refers to any child who has been removed from their home pursuant Welfare and Institutions Code section 309 and/or is the subject of a petition filed under Welfare and Institutions Code section 300 or 602. This includes children who are the subject of cases in dependency court and juvenile justice court.
2. “Former juvenile court school students” refers to a student who, upon completion of the student’s second year of high school, transfers from a juvenile court school to MWA.
3. “Child of a military family” refers to a student who resides in the household of an active duty military member.

School Property and Personal Possessions

Lockers and Locks

Students will be assigned a locker with a lock. Only locks provided by MWA will be used on the lockers. Students should keep the combination to themselves. There will be a \$5 replacement fee for any lost locks. Lockers are for your belongings and school supplies. Students are responsible for the organization and cleanliness of their locker. Lockers may be searched at any time by school officials to the extent allowed by law. As such, students:

- Should not have any unauthorized and/or illegal items such as weapons, cigarettes, drugs (even prescription drugs, which should be kept in the nurse’s office).
- Should not leave food in their locker as it attracts rodents and ants.
- Should not leave any PE clothing in the locker over the weekend.
- Should not leave any electronics, irreplaceable items or other valuables in their locker, including money.

Textbooks

Students will be issued textbooks for their classes. Instructional materials are an expensive resource and MWA provides sufficient instructional materials in accordance with state law. Instructional materials provided for use by students remain the property of MWA. Students are responsible for returning borrowed materials in good condition, with no more wear and tear than usually results from normal use. Students are expected to handle all instructional materials in good condition. Damages to instructional materials may be billed to the family/guardian.

If a student textbook is found not under the possession of its owner on campus, it is returned to the Front Office and the parent/guardian is notified.

The parent/guardian of a minor student shall be liable for the replacement cost for any textbooks that the student fails to return or that is willfully cut, defaced or otherwise damaged. The cost of the textbook varies based on the subject matter and cost of shipping. Textbooks purchased by the student or parent/guardian will not be accepted as a replacement in lieu of funds. If the student or parent/guardian are unable to return the property or pay for the damages, they can work with MWA administration to work out a solution.

Computer/Internet Use Policy

MWA provides internet access to students for educational purposes only. The use of the internet is necessary for many school research projects. Misuse of the internet or other MWA technology violates MWA Technology Acceptable Use Policy and subjects a student to school disciplinary consequences. Guidelines:

- Students must complete a cyber-ethics and safety course every year.
- Students should have no expectation of privacy at any time while using MWA technology, nor at home when it pertains to school business.
- MWA is authorized to, and does, monitor the use of MWA technology including but not limited to email logs and internet histories of students.
- Students may only use MWA technology, including its internet network, for appropriate educational purposes and research.
- Student access to the internet shall be for school related purposes only; students may not use the network in a fashion inconsistent with directions from teachers or other staff or in violation of the MWA Technology Acceptable Use Policy, which includes, but is not limited to the following prohibited actions:

Visitor Policy/Guidelines

Partnership between MWA, parents/guardians and families is essential to support student achievement. To promote family involvement, community building, and academic growth, parents/guardians and educational advocates are always welcome on campus, on the condition that they adhere to the visitor policy outlined below.

All visitors are expected to register by providing a formal identification card, reading and signing a copy of the Visitor Policy/Guidelines and returning it to the Front Office staff prior to being approved for visit.

MWA complies with all applicable health and safety guidelines and orders issued by federal, state, or local governments or health departments. Visitors (including volunteers) who demonstrate signs of a contagious disease (e.g., fever, coughing, etc.) may be denied registration. When recommended or required by the State or County Department of Public Health, visitors will be required to wear personal protective equipment, such as masks, and adhere to physical distancing protocols. MWA reserves the right to implement additional measures for the protection of its school community, such as limiting nonessential visitors on campus or requiring forehead temperature checks before entry to the same extent being utilized for students and employees.

A "visitor" is any person seeking to enter the school grounds during school hours who is not an MWA employee or current student. A "visitor" does not include a parent or guardian of a current student who is solely on school grounds for pick-up or drop-off of their child. All visitors who are not a parent or guardian of a current student must have a specific and educationally-relevant purpose for their visit.

All campus visitors must have the prior consent and approval of the school leader or their designee.

Visitors are required to adhere to the following procedures:

- Visitors may request school leader consent through the front office or by contacting the front office at 510-262-1511.
- The request should include the purpose of the visit, dates, and times of the visit and the specific classroom or student being observed.
- Immediately upon arriving on campus, all visitors must check in at the front office to sign in and obtain a visitor's pass.
- All visitors must wear a visitor's pass in a visible place throughout the duration of their stay on campus.
- All visitors must sign out upon the completion of their visit and return their visitor's badge.

If the visitor is a government officer/official (including but not limited to local law enforcement officers, immigration enforcement officers, social workers, district attorneys, or U.S. attorneys) the officer/official will also be asked to produce any documentation that authorizes school access. MWA shall make reasonable efforts to notify parents/guardians prior to permitting a student to be interviewed or searched, consistent with the law and/or any court order, warrant or instructions from the officer/official. A copy of the documentation provided by the officer

and notes from the encounter may be maintained by MWA, consistent with the law. The MWA Board of Directors and Bureau of Children's Justice in the California Department of Justice, at BCJ@doj.ca.gov, will be timely informed regarding any attempt by a law-enforcement officer to access a school site or a student for immigration-enforcement purposes, as recommended by the Attorney General.

Visitor Conduct While on Campus

In order to maintain a safe and productive learning environment for students and staff, we request that visitors adhere to the following:

- Enter and leave the classroom as quietly as possible.
- Do not converse with students, teachers or other instructional assistants during the visit unless given permission.
- Visitors should not address nor confront other students.
- Keep the length and frequency of classroom visits reasonable, based on the activity being observed.
- No electronic listening or recording device may be used in a classroom without the Assistant Principal or designee's permission. No recordings may be published publicly.
- Visitors are expected to conduct themselves as professionals, and as such this entails not entering campus under the influence of alcohol or drugs. Nor should visitors show up smelling like drugs, e.g., marijuana. If the visitor does not meet the stated expectations they will be asked to leave the premises.

Parents/Guardians, Visitors Shall Not:

- Willfully interfere with the behavior management, order or conduct in any classroom or school activity with the intent to disrupt, obstruct, or inflict damage to property or bodily injury to any person.
- Disrupt class work, extracurricular activities or cause disorder in a place where a school employee is required to perform their duties.
- Willfully interfere with or disregard any safety-related operations and procedures (e.g. moving traffic cones for convenience), including for student sign-out, arrival and dismissal.

Administrator Authority

All visitors who enter MWA and fail to adhere to the visitor policy or who defy the school policy and administration's authority may be reported to the appropriate police agency and may be subject to criminal charges.

Parent/Guardian Rights

- Parents have the right to observe classrooms in which their child is enrolled after making a request in advance, within a reasonable timeframe.
- Parents have the right to request a meeting with a classroom teacher, the school Director or their designee after observing their student.

Removal of Visitors

- MWA administration may refuse to register a visitor if it is believed that the presence of the visitor would cause a threat of disruption, physical injury to staff members or students, and/or threat of destruction of property.
- MWA administration may withdraw consent to be on campus whenever there is reason to believe that the person has willfully disrupted or is likely to disrupt MWA's orderly operation. If consent is withdrawn by someone other than the Assistant Principal, they may reinstate consent for the visitor if he/she believes that the person's presence will not constitute a disruption or substantial and material threat to MWA's orderly operation. Consent can be withdrawn for up to fourteen (14) days.
- MWA Administration may request that a visitor who has failed to register, or whose registration privileges have been denied or withdrawn, promptly leave school grounds. When a visitor is directed

to leave, MWA administration shall inform the visitor that if he/she reenters MWA without following the posted requirements he/she will be guilty of a misdemeanor and will be referred to law enforcement.

- Any visitor that is denied registration or has their registration revoked may request a conference with the Assistant Principal. The request shall be in writing, shall state why the denial or revocation was improper, shall give the address to which notice of conference is to be sent, and shall be delivered to the Assistant Principal within 14 days of the denial or revocation of consent. The Assistant Principal shall promptly mail a written notice of the date, time, and place of the conference to the person who requested the conference. A conference with them shall be held within seven days after they receive the request. If no resolution can be agreed upon, the Assistant Principal shall forward notice of the complaint to the MWA Board of Directors. The MWA Board of Directors shall address the complaint at the next regular board meeting and make a final determination.
- At each entrance to the campus, signs shall be posted specifying the hours during which registration is required, stating where the office of the Director or designee is located, and what route to take to that office, and setting forth the penalties for violation of this Policy.
- MWA administration will seek the assistance of the police in managing or reporting any visitor in violation of this policy.

Volunteer Criminal Background Checks and Tuberculosis Testing

As required by law, all individuals working or volunteering at MWA will be required to submit to a criminal background investigation. No condition or activity will be permitted that may compromise MWA's commitment to the safety, and the well-being of students. Conditions that preclude volunteering at MWA include conviction of a controlled substance or sex offense, or a serious or violent felony. Additionally, should a volunteer, during their volunteer service with MWA, be convicted of a controlled substance or sex offense, or serious or violent felony, the volunteer must immediately report such a conviction to the Director of Human Resources.

All volunteers of MWA whose functions require frequent or prolonged contact with students must submit written proof from a physician of a risk assessment examination for tuberculosis (TB) within the last sixty (60) days. If TB risk factors are identified, a physician must conduct an examination to determine whether the volunteer is free of infectious TB. The examination for TB consists of an approved TB test, which, if positive, will be followed by an x-ray of the lungs, or in the absence of skin testing, an x-ray of the lungs. All volunteers whose functions require frequent or prolonged contact with students will be required to undergo TB risk assessments and, if risk factors are found, the examination at least once every four (4) years. The costs of the TB risk assessment and, if indicated, the examination will be borne by the volunteer. Food handlers may be required to have annual TB exams. Documentation of volunteer compliance with TB risk assessments and examinations will be kept on file in the HR office.

All-School Emergency Evacuation Plan

MWA has a detailed comprehensive safety and emergency plan. A copy of the plan may be requested at the middle school or upper school Front Offices. In the case of an emergency, it is important that students listen to, and follow exactly, the instructions given by any MWA staff member or emergency personnel.

All-School Lockdown Drill

In the event of a dangerous situation, crisis in process or stranger on campus, "Lockdown Campus" would be declared by the Incident Commander.

The procedure for the lock down as facilitated by faculty and staff is as follows:

- "Lockdown Campus" is announced over the PA system,
- Staff will quickly check outside their rooms to allow any nearby staff or students to enter before locking the door.
- Doors are locked. Lights are turned off. Windows are covered.
- All students and staff will duck out of sight, cover and remain in place until notified that the need for lockdown is over.

If your students feel anxiety as a result of this drill, they are encouraged to speak with any on-site psychological counselor or staff member.

Notice of Pipeline Hazard

An 8-inch diameter liquid petroleum pipeline, owned and operated by Kinder Morgan Energy, Partners, LP traverses the western portion of the MWA property, primarily behind US Building 2 (4131 Lakeside Drive). J House Environmental, Inc. prepared a pipeline hazard analysis to identify potential safety hazards associated with school facility operations in proximity to this pipeline.

This analysis concluded, “The Kinder-Morgan refined petroleum product pipeline that traverses the western portion of the 4123 and 4131 Lakeside Drive site is not anticipated to pose a significant safety hazard to students or staff at the proposed charter school.”

A copy of the complete 26-page pipeline hazard analysis is available for viewing at the upper school Front Office, MWA, 4123 Lakeside Drive, Richmond, CA.

Appendix C: Professional Boundaries: Staff/Student Interaction Policy

MWA recognizes its responsibility to make and enforce all rules and regulations governing student and employee behavior to bring about the safest and most learning-conducive environment possible.

Corporal Punishment

Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of, or willfully causing the infliction of, physical pain on a student.

For purposes of this policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, students, staff or other persons or to prevent damage to property.

For clarification purposes, the following examples are offered for direction and guidance of school personnel:

Examples of PERMITTED actions (NOT corporal punishment)

1. Stopping a student from fighting with another student;
2. Preventing a student from committing an act of vandalism;
3. Defending yourself from physical injury or assault by a student;
4. Forcing a student to give up a weapon or dangerous object;
5. Requiring an athletic team to participate in strenuous physical training activities designed to strengthen or condition team members or improve their coordination, agility, or physical skills;
6. Engaging in group calisthenics, team drills, or other physical education or voluntary recreational activities.

Examples of PROHIBITED actions (corporal punishment)

1. Hitting, shoving, pushing, or physically restraining a student as a means of control;
2. Making unruly students do push-ups, run laps, or perform other physical acts that cause pain or discomfort as a form of punishment;
3. Paddling, swatting, slapping, grabbing, pinching, kicking, or otherwise causing physical pain.

Acceptable and Unacceptable Staff/Student Behavior

This policy is intended to guide all school faculty and staff in conducting themselves in a way that reflects the high standards of behavior and professionalism required of school employees and to specify the boundaries between students and staff.

Although this policy gives specific, clear direction, it is each staff member's obligation to avoid situations that could prompt suspicion by parents, students, colleagues, or school leaders. One viable standard that can be quickly applied, when you are unsure if certain conduct is acceptable, is to ask yourself, "Would I be engaged in this conduct if my family or colleagues were standing next to me?"

For the purposes of this policy, the term "boundaries" is defined as acceptable professional behavior by staff members while interacting with a student. Trespassing the boundaries of a student/teacher relationship is deemed an abuse of power and a betrayal of public trust.

Some activities may seem innocent from a staff member's perspective, but can be perceived as flirtation or sexual insinuation from a student or parent point of view. The objective of the following lists of acceptable and unacceptable behaviors is not to restrain innocent, positive relationships between staff and students, but to prevent relationships that could lead to, or may be perceived as, sexual misconduct.

Staff must understand their own responsibility for ensuring that they do not cross the boundaries as written in this policy. Disagreeing with the wording or intent of the established boundaries will be considered irrelevant for disciplinary purposes. Thus, it is crucial that all employees learn this policy thoroughly and apply the lists of acceptable and unacceptable behaviors to their daily activities. Although sincere, competent interaction with students certainly fosters learning, student/staff interactions must have boundaries surrounding potential activities, locations and intentions.

Duty to Report Suspected Misconduct

When any employee reasonably suspects or believes that another staff member may have crossed the boundaries specified in this policy, he or she must immediately report the matter to a school administrator. All reports shall be as confidential as possible under the circumstances. It is the duty of the administrator to investigate and thoroughly report the situation. Employees must also report to the administration any awareness or concern of student behavior that crosses boundaries or where a student appears to be at risk for sexual abuse.

Examples of Specific Behaviors, the following examples are not an exhaustive list:

Unacceptable Staff/Student Behaviors (Violations of this Policy)

- (a) Giving gifts to an individual student that are of a personal and intimate nature.
- (b) Kissing of any kind.

Cautionary Staff/Student Behaviors

(These behaviors should only be exercised when a reasonable and prudent person, acting as an educator, is prevented from using a better practice or behavior. Staff members should inform their supervisor of the circumstance and occurrence prior to or immediately after the occurrence)

- (a) Remarks about the physical attributes or development of anyone.
- (b) Excessive attention toward a particular student.

Appendix D: Annual Notices for Academic Programs

California Assessment of Student Performance and Progress (“CAASPP”)

MWA shall annually administer required state testing to the applicable grades (e.g., the California Assessment of Student Performance and Progress.) Notwithstanding any other provision of law, a parent’s or guardian’s written request to school officials to excuse their child from any or all parts of the CAASPP shall be granted.

Teacher Qualifications

All parents may request information regarding the professional qualifications of classroom teachers and/or paraprofessionals including at a minimum:

1. Whether the student’s teacher:
 - a. Has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
 - b. Is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived; and
 - c. Is teaching in the field of discipline of the certification of the teacher; and
2. Whether the child is provided services by paraprofessionals and, if so, their qualifications.

Upon request, MWA will provide the information to the parents/guardians in a timely manner. Parents/guardians may contact Human Resources (humanresources@mwacademy.org) to obtain this information.

Parent and Family Engagement Policy

MWA aims to provide all students in our school significant opportunity to receive a fair, equitable, and high-quality education, and to close educational achievement gaps while abiding by guidelines within the Elementary and Secondary Education Act (“ESEA”). MWA staff recognizes a partnership with families is essential to meet this goal. Our Parent and Family Engagement Policy leverages and promotes active involvement of all families as partners with schools to ensure student success. A copy of the MWA’s complete Policy is available upon request in the main office.

Homework Policy

Homework is an important part of the instructional program at MWA. Homework assignments increase appropriately in quantity and variety as a student progresses each year. Homework reinforces classroom studies and helps to develop student capacity to do independent work. Students will be given a planner and are required to use it daily for recording homework assignments. Students are expected to complete homework neatly, on time, and with a parent signature (as required by the teacher). Any problems or concerns regarding the completion of homework should be communicated with the classroom teacher.

In the event of an unplanned absence, students are expected to request and make arrangements to complete homework that was due on the day(s) they were absent upon their return to school. Accepting late homework due to unexcused absences is the discretion of the teacher. For every day of an excused absence, students have that number of days to turn in late assignments.

Cal Grant Program Annual Notice

MWA is required by state law to submit the GPA of all high school seniors by October 1 of each year, unless the student over age 18 or parent/guardian for those under 18 opt out. Students currently in eleventh (11th) grade will be deemed a Cal Grant applicant, unless the student (or parent, if the student is under 18) has opted out by or before February 1, 2021.

Human Trafficking Prevention

California has the highest number of incidents of human trafficking in the U.S., and all students may be vulnerable. MWA believes it is a priority to inform our students about (1) prevalence, nature of and strategies to reduce the risk of human trafficking, techniques to set healthy boundaries, and how to safely seek assistance, and (2) how social media and mobile device applications are used for human trafficking. Human trafficking prevention information and resources are available at:

<https://www2.ed.gov/about/offices/list/ose/osh/factsheet.html>

<https://www.cdss.ca.gov/inforesources/child-welfare-protection/child-trafficking-response>

In accordance with the California Healthy Youth Act, MWA will provide age-appropriate instruction on the prevention of human trafficking, including sexual abuse, assault, and harassment. You have the right to excuse your child from all or part of the instruction on the prevention of human trafficking. An opt-out form is available at the main office for your convenience. Your consent for this instruction is NOT required. If we do not receive a written request to excuse your child, your child will be included in the instruction.

Information Regarding Financial Aid

MWA shall ensure that each of its students receives information on how to properly complete and submit the Free Application for Federal Student Aid (FAFSA) or the California Dream Act Application, as appropriate, at least once before the student enters grade 12. MWA will provide a paper copy of the FAFSA or the California Dream Act Application upon request.

Upper School Interscholastic Athletics Program Annual Notice

Interscholastic Athletic Participation is an enriching co-curricular opportunity for the students in the Upper School. While all students are welcomed to try out and participate, there are expectations set by the Bay Area Conference (BAC), North Coast Section (NCS) and California Intercollegiate Federation (CIF), the three governing bodies for our participation in high school athletics. In addition, MWA has expectations for its student athletes as well. Participation in athletics helps teach resilience, teamwork, cooperation, sportsmanship, dedication, perseverance, fitness, and so much more. Please be advised that parents/guardians must sign a concussion/head injury information sheet on a yearly basis if their student is an athlete on any of the MWA's athletic teams. This does not apply to an athlete engaging in an athletic activity during the regular school day or as part of a physical education course. For eligibility and participation requirements, please review our MWA Athletics Participation Policy located at the upper and middle school offices.

- For a full list of sports offered at MWA, visit our [Interscholastic Athletics](#) and [MS Athletics](#) pages on the MWA website

Concussion/Head Injuries

A concussion is a brain injury that can be caused by a bump, blow, or jolt to the head, or by a blow to another part of the body with the force transmitted to the head. Even though most concussions are mild, all concussions are potentially serious and may result in complications including prolonged brain damage and death if not recognized and managed properly. Because MWA has elected to offer an athletic program, we must immediately remove from a school-sponsored athletic activity for the remainder of the day an athlete who is suspected of sustaining a concussion or head injury during that activity. The athlete may not return to that activity until the athlete is evaluated by, and receives written clearance from, a licensed healthcare provider. If the licensed health care provider determines the athlete has a concussion or head injury, the athlete shall also complete a graduated return-to-play protocol of no less than seven days in duration under the supervision of a licensed health care provider. On a yearly basis, a concussion and head injury information sheet must be signed and returned by the athlete and the athlete's parent or guardian before the athlete initiates practice or competition. This requirement does not apply to an athlete engaging in an athletic activity during the regular school day or as part of a physical education course.

Opioid Information Sheet

MWA annually provides each athlete with an Opioid Factsheet for Patients published by the Centers for Disease Control and Prevention. The athlete and, if the athlete is 17 years of age or younger, the athlete's parent or guardian shall sign a document acknowledging receipt of the Opioid Factsheet for Patients and return that document to MWA before the athlete initiates practice or competition. The fact sheet is available at:

<https://www.cdc.gov/drugoverdose/pdf/AHA-Patient-Opioid-Factsheet-a.pdf>

Sudden Cardiac Arrest

MWA is invested in the health of its athletes, especially their heart health. Sudden cardiac arrest (SCA) is when the heart stops beating, suddenly and unexpectedly. Those wishing to participate in athletics at MWA must review the information sheet on sudden cardiac arrest via the link below and provided prior to participation:

http://assets.ngin.com/attachments/document/0115/1081/Sudden_Cardiac_Arrest_Info_.pdf

English Learners

MWA is committed to the success of its English learners and support will be offered both within academic classes and in supplemental settings for students who need additional support for English language learning. MWA will meet all applicable legal requirements for English learners as they pertain to annual notification to parents, student identification, placement, program options, English learners and core content instruction, teacher qualifications and training, reclassification to fluent English proficient status, monitoring and evaluating program effectiveness, and standardized testing requirements. MWA will implement policies to assure proper placement, evaluation, and communication regarding English learners and the rights of students and parents.

Sexual Health Education

MWA offers comprehensive sexual health education to its students. A parent or guardian of a student has the right to excuse their child from all or part of comprehensive sexual health education, HIV prevention education, and assessments related to that education through a passive consent ("opt-out") process. MWA does not require active parental consent ("opt-in") for comprehensive sexual health education and HIV prevention education. Parents and guardians may:

- Inspect written and audiovisual educational materials used in comprehensive sexual health education and HIV prevention education.
- Excuse their child from participation in comprehensive sexual health education and HIV prevention education in writing to MWA.
- Be informed whether the comprehensive sexual health or HIV/AIDS prevention education will be taught by MWA personnel or outside consultants. When MWA chooses to use outside consultants or to hold an assembly with guest speakers to teach comprehensive sexual health or HIV/AIDS prevention education, be informed of:
 - The date of the instruction
 - The name of the organization or affiliation of each guest speaker
- Request a copy of Education Code sections 51930 through 51939.

Anonymous, voluntary, and confidential research and evaluation tools to measure students' health behaviors and risks may be administered to students. A parent or guardian has the right to excuse their child from the test, questionnaire, or survey ("opt-out"). Parents or guardians shall be notified in writing that this test, questionnaire, or survey is to be administered, given the opportunity to review the test, questionnaire, or survey if they wish, notified of their right to excuse their child from the test, questionnaire, or survey, and informed that in order to excuse their child they must state their request in writing to MWA.

A student may not attend any class in comprehensive sexual health education or HIV prevention education, or participate in any anonymous, voluntary, and confidential test, questionnaire, or survey on student health behaviors and risks, if MWA has received a written request from the student's parent or guardian excusing the student from participation. An alternative educational activity shall be made available to students whose parents or guardians have requested that they not receive the instruction or participate in the test, questionnaire, or survey.

Tests on Personal Beliefs

Unless a parent or guardian gives written permission, a student will not be given any test, questionnaire, survey, or examination containing any questions about the student's, or their parents'/guardians' personal beliefs or practices in sex, family life, morality, or religion.

California Healthy Kids Survey

MWA will administer the California Healthy Kids Survey ("CHKS") to fifth and sixth grade students whose parents provide written permission, and seventh through twelfth graders whose parents provide passive consent. The CHKS is an anonymous, confidential survey of school climate and safety, student wellness, and youth resiliency that enables MWA to collect and analyze data regarding local youth health risks and behaviors, school connectedness, school climate, protective factors, and school violence.

Animal Dissections

Students at MWA perform animal dissections as part of the science curriculum. Any student who provides their teacher with a written statement, signed by their parent/guardian, specifying the student's moral objection to dissecting or otherwise harming or destroying animals, or any parts thereof, may be excused from such activities if the teacher believes that an adequate alternative education project is possible. The alternative education project shall require a comparable time and effort investment by the student. It shall not, as a means of penalizing the student, be more arduous than the original education project. The student shall not be discriminated against based upon their moral objection to dissecting or otherwise harming or destroying animals, or any parts thereof. Students choosing an alternative educational project shall pass all examinations of the respective course of study in order to receive credit for that course of study. However, if tests require the harmful or destructive use of animals, a student may, similarly, request alternative tests as set forth above.

Diabetes Annual Notification to Parents

MWA will provide an information sheet regarding type 2 diabetes to the parent or guardian of incoming 7th grade students, pursuant to Education Code Section 49452.7. The information sheet shall include, but shall not be limited to, all of the following:

1. A description of type 2 diabetes.
2. A description of the risk factors and warning signs associated with type 2 diabetes.

1. A description of type 1 diabetes.
2. A description of the risk factors and warning signs associated with type 1 diabetes.
3. A recommendation that parents or guardians of students displaying warning signs associated with type 1 diabetes should immediately consult with the student's primary care provider to determine if immediate screening for type 1 diabetes is appropriate.
4. A description of the screening process for type 1 diabetes and the implications of test results.
5. A recommendation that, following a type 1 diagnosis, parents or guardians should consult with the pupil's primary care provider to develop an appropriate treatment plan, which may include consultation with and examination by a specialty care provider, including, but not limited to, a properly qualified endocrinologist.

A copy of the information sheet regarding type 1 diabetes is available at: [\[INSERT CDE LINK WHEN AVAILABLE\]](#). Please contact the office if you need a copy of this information sheet or if you have any questions about this information sheet.

Use of Student Information Learned from Social Media

MWA complies with all federal, state, and local guidelines regarding the gathering and/or maintenance of information about any enrolled student obtained from social media in the student's educational record. MWA gathers student information from social media. Such information shall be maintained in MWA's records with regard to the student and shall be destroyed within one (1) year after a student turns 18 years of age or within one (1) year after the student is no longer enrolled in MWA, whichever occurs first. A non-minor student or a student's parent or guardian may access the student's records for examination of the information, request the removal of information or corrections made to information gathered or maintained by MWA by contacting the Assistant Principal.

Appendix E: Anti-Bullying, Harassment, Intimidation, Discrimination and Title IX Policy

MWA is committed to providing a work and educational atmosphere that is free of unlawful discrimination, sexual harassment, harassment, intimidation, and bullying. MWA will not condone or tolerate discrimination or harassment of any type, including bullying, or intimidation, by any employee, independent contractor or other person with whom it does business, or any other individual, student, or volunteer. As used in this policy, discrimination, sexual harassment, harassment, intimidation, and bullying are described as the intentional conduct, including verbal, physical, written communication or cyber-bullying, including cyber sexual bullying, based on the actual or perceived characteristics of mental or physical disability, sex (including pregnancy and related conditions, and parental status), sexual orientation, gender, gender identity, gender expression, immigration status, nationality (including national origin, country of origin, and citizenship), race or ethnicity (including ancestry, color, ethnic group identification, ethnic background, and traits historically associated with race, including, but not limited to, hair texture and protective hairstyles such as braids, locks, and twist), religion (including agnosticism and atheism), religious affiliation, medical condition, genetic information, marital status, age or association with a person or group with one or more of these actual or perceived characteristics or any other basis protected by federal, state, local law, ordinance or regulation. Hereafter, such actions are referred to as "misconduct prohibited by this policy."

All complaints of misconduct prohibited by this policy will be treated seriously. Students are expected to guide all of their actions with others using the MWA Core Values. Material that is considered verbally or physically threatening, obscene, racist, discriminatory, will not be tolerated. MWA will address misconduct prohibited by this policy, which includes but is not limited to harassment in social networking threatening posts and/or correspondence, that comes to the attention of MWA. MWA reserves the right to access and review any and all information in accordance with the law and MWA policies in an attempt to preserve the safety, health, and overall well-being of the student.

To the extent possible, MWA will make reasonable efforts to prevent students from being discriminated against, harassed, intimidated and/or bullied, and will take action to investigate, respond to, and address any reports of such behaviors in a timely manner. MWA staff who witness acts of misconduct prohibited by this policy will take immediate steps to intervene, when safe to do so.

This policy applies to all employees, students, and/or volunteer actions and relationships, regardless of position or gender. MWA will promptly and thoroughly investigate and respond to any complaint of misconduct prohibited by this policy, including but not limited to those instances occurring on social networking sites and communication devices during regularly scheduled work days and hours, in a manner that is not deliberately indifferent and will take appropriate corrective action, if warranted. * "Reasonable student" is defined as a student, including, but not limited to, an exceptional needs student, who exercises care, skill and judgment in conduct for a person of their age, or for a person of their age with their exceptional needs.

What is Cyberbullying?

"Cyberbullying" is an electronic act that includes the transmission of harassing communication, direct threats, or other harmful texts, sounds, or images on the Internet, social media, or other technologies using a telephone, computer, or any wireless communication device. Cyberbullying also includes breaking into another person's electronic account and assuming that person's identity in order to damage that person's reputation.

"Electronic Act" means the creation or transmission originated on or off the school site by means of an electronic device, including, but not limited to, a telephone, wireless telephone, or other wireless communication device, computer, or pager, of a communication, including, but not limited to, any of the following:

 4. Notwithstanding the definitions of "bullying" and "electronic act" above, an electronic act shall not constitute pervasive conduct solely on the basis that it has been transmitted on the Internet or is currently posted on the Internet

Bullying and Cyberbullying Prevention Procedures

MWA has adopted the following procedures for preventing acts of bullying, including cyberbullying.

1. Cyberbullying Prevention Procedures

MWA advises students:

- A. To never share passwords, personal data, or private photos online.
- B. To think about what they are doing carefully before posting and by emphasizing that comments cannot be retracted once they are posted.
- C. That personal information revealed on social media can be shared with anyone including parents, teachers, administrators, and potential employers. Students should never reveal information that would make them uncomfortable if the world had access to it.
- D. To consider how it would feel receiving such comments before making comments about others online.

MWA informs school employees, students, and parents/guardians of MWA's policies regarding the use of technology in and out of the classroom. MWA encourages parents/guardians to discuss these policies with their children to ensure their children understand and comply with such policies.

2. Education

MWA employees cannot always be present when bullying incidents occur, so educating students about bullying is a key prevention technique to limit bullying from happening. MWA advises students that hateful and/or demeaning behavior is inappropriate and unacceptable in our society and at MWA and encourages students to practice compassion and respect each other.

MWA educates students to accept all student peers regardless of protected characteristics (including but not limited to actual or perceived sexual orientation, gender identification, physical or cognitive disabilities, race, ethnicity, religion, and immigration status) and about the negative impact of bullying other students based on protected characteristics.

MWA's bullying prevention education also discusses the differences between appropriate and inappropriate behaviors and includes sample situations to help students learn and practice appropriate behavior and to develop

techniques and strategies to respond in a non-aggressive way to bullying-type behaviors. Students will also develop confidence and learn how to advocate for themselves and others, and when to go to an adult for help.

MWA informs MWA employees, students, and parents/guardians of this Policy and encourages parents/guardians to discuss this Policy with their children to ensure their children understand and comply with this Policy.

3. Professional Development

MWA annually makes available the online training module developed by the California Department of Education pursuant Education Code section 32283.5(a) to its certificated employees and all other MWA employees who have regular interaction with students.

MWA informs certificated employees about the common signs that a student is a target of bullying including:

- Physical cuts or injuries
- Lost or broken personal items
- Fear of going to school/practice/games
- Loss of interest in school, activities, or friends
- Trouble sleeping or eating
- Anxious/sick/nervous behavior or distracted appearance
- Self-destructiveness or displays of odd behavior
- Decreased self-esteem

MWA also informs certificated employees about the groups of students determined by MWA, and available research, to be at elevated risk for bullying. These groups include but are not limited to:

- Students who are lesbian, gay, bisexual, transgender, or questioning youth (“LGBTQ”) and those youth perceived as LGBTQ; and
- Students with physical or learning disabilities.

MWA encourages its employees to demonstrate effective problem-solving, anger management, and self-confidence skills for MWA’s students.

Grievance Procedures

Scope of Grievance Procedures

MWA will comply with its [Uniform Complaint Procedures \(“UCP”\) policy](#) when investigating and responding to complaints alleging unlawful harassment, discrimination, intimidation or bullying against a protected group or on the basis of a person’s association with a person or group with one or more of the protected characteristics set forth in the UCP that:

- a. Are written and signed;
- b. Filed by an individual who alleges that that individual has personally suffered unlawful discrimination, harassment, intimidation or bullying, or by one who believes any specific class of individuals has been subjected to discrimination, harassment, intimidation or bullying prohibited by this Policy, or by a duly authorized representative who alleges that an individual student has been subjected to discrimination, harassment, intimidation, or bullying; and
- c. Submitted to the [MWA UCP Compliance Officer](#) not later than six (6) months from the date the alleged unlawful discrimination, harassment, intimidation or bullying occurred, or the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation or bullying.

The following grievance procedures shall be utilized for reports of misconduct prohibited by this policy that do not comply with the writing, timeline, or other formal filing requirements of a uniform complaint. For formal complaints of sexual harassment, MWA will utilize the following grievance procedures in addition to its UCP when applicable.

Reporting

All staff are expected to provide appropriate supervision to enforce standards of conduct and, if they observe or become aware of misconduct prohibited by this policy, to intervene as soon as it is safe to do so, call for assistance, and report such incidents. The MWA Board requires staff to follow the procedures in this policy for reporting alleged acts of misconduct prohibited by this policy.

Any student who believes they have been subject to misconduct prohibited by this policy or has witnessed such prohibited misconduct is encouraged to immediately report such misconduct to the Coordinator for students. Complaints regarding such misconduct may also be made to the U.S. Department of Education, Office for Civil Rights. Civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders may also be available to complainants.

While submission of a written report is not required, the reporting party is encouraged to submit a written report to the Coordinator. MWA will investigate and respond to all oral and written reports of misconduct prohibited by this Policy in a manner that is not deliberately indifferent. Reports may be made anonymously, but formal disciplinary action cannot be based solely on an anonymous report. Students are expected to report all incidents of misconduct prohibited by this policy or other verbal or physical abuses. Any student who feels she/he is a target of such behavior should immediately contact a teacher, counselor, administrator, staff person or a family member so that she/he can get assistance in resolving the issue in a manner that is consistent with this policy.

MWA acknowledges and respects every individual's right to privacy. All reports shall be investigated in a manner that protects the confidentiality of the parties and the integrity of the process to the greatest extent possible. This includes keeping the identity of the reporter confidential, as appropriate, except to the extent necessary to comply with the law, carry out the investigation and/or to resolve the issue, as determined by the Coordinator or administrative designee on a case-by-case basis.

MWA prohibits any form of retaliation against any individual who files a report or complaint, testifies, assists, participates, or refuses to participate in any investigation or proceeding related to misconduct prohibited by this Policy. Such participation or lack of participation shall not in any way affect the status, grades or work assignments of the individual. Individuals alleging retaliation in violation of this Policy may file a grievance using the procedures set forth in this Policy. Knowingly making false statements or knowingly submitting false information during the grievance process is prohibited and may result in disciplinary action. All supervisors of staff will receive sexual harassment training within six months of their assumption of a supervisory position and will receive further training once every two years thereafter. All staff and any individual designated as a coordinator, investigator or decision-maker and any person who facilitates an informal resolution process will receive sexual harassment training and/or instruction concerning sexual harassment as required by law.

Supportive Measures

Upon the receipt of an informal or formal complaint of sexual harassment, the Coordinator will promptly contact the complainant to discuss the availability of supportive measures. The Coordinator will consider the complainant's wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint of sexual harassment, and explain the process for filing a formal complaint of sexual harassment.

Supportive measures are non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint of sexual harassment or where no formal complaint of sexual harassment has been filed. Such measures are designed to restore or preserve equal access to MWA's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or MWA's educational environment, or deter sexual harassment. Supportive measures available to complainants and respondents may include but are not limited to counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. MWA will maintain as confidential any supportive measures

provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of MWA to provide the supportive measures.

Investigation and Response

Upon receipt of a report of misconduct prohibited by this policy from a student, staff member, parent, volunteer, visitor or affiliate of MWA, the Coordinator or administrative designee will promptly initiate an investigation. At the conclusion of the investigation, the Coordinator or administrative designee will notify the complainant of the outcome of the investigation. However, the Coordinator or administrative designee will not reveal confidential information related to other students or employees, including the type and extent of behavior management issued against such students or employees. Complaints shall be investigated and resolved within 30 school days, unless circumstances reasonably require additional time.

For investigations of and responses to formal complaints of sexual harassment, the following grievance procedures will apply:

Notice of the Allegations

- Upon receipt of a formal complaint of sexual harassment, the Coordinator will give all known parties written notice of its grievance process, including any voluntary informal resolution process. The notice will include:
 - A description of the allegations of sexual harassment at issue and to the extent known, the identities of the parties involved in the incident, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident;
 - A statement that the respondent is presumed not responsible for the alleged conduct until a final decision is reached;
 - A statement that the parties may have an advisor of their choice, who may be an attorney, and may inspect and review evidence; and
 - A statement that MWA prohibits an individual from knowingly making false statements or knowingly submitting false information during the grievance process.

Emergency Removal

- MWA may place a non-student employee respondent on administrative leave during the pendency of a formal complaint of sexual harassment grievance process in accordance with MWA's policies.
- MWA may remove a respondent from MWA's education program or activity on an emergency basis, in accordance with MWA's policies, provided that MWA undertakes an individualized safety and risk analysis, determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal, and provides the respondent with notice and an opportunity to challenge the decision immediately following the removal.
- This provision may not be construed to modify any rights under the IDEA, Section 504, or the ADA.

Informal Resolution

- If a formal complaint of sexual harassment is filed, MWA may offer a voluntary informal resolution process, such as mediation, to the parties at any time prior to reaching a determination regarding responsibility. If MWA offers such a process, it will do the following:
 - Provide the parties with advance written notice of:
 - The allegations;
 - The requirements of the voluntary informal resolution process including the circumstances under which the parties are precluded from resuming a formal complaint of sexual harassment arising from the same allegations;
 - The parties' right to withdraw from the voluntary informal resolution process and resume the grievance process at any time prior to agreeing to a resolution; and
 - Any consequences resulting from participating in the voluntary informal resolution process, including the records that will be maintained or could be shared; and
 - Obtain the parties' advance voluntary, written consent to the informal resolution process.
 - MWA will not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.

Investigation Process

- The decision-maker will not be the same person(s) as the Coordinator or the investigator. MWA shall ensure that all decision-makers and investigators do not have a conflict of interest or bias for or against complainants or respondents.
- In most cases, a thorough investigation will take no more than twenty-five (25) school days. If the investigator determines that an investigation will take longer than twenty-five (25) school days and needs to be delayed or extended due to good cause, the investigator will inform the complainant and any respondents in writing of the reasons for the delay or extension and provide an approximate date when the investigation will be complete.
- The parties will be provided with an equal opportunity to present witnesses, to inspect and review any evidence obtained that is directly related to the allegations raised, and to have an advisor present during any investigative meeting or interview.
- The parties will not be prohibited from discussing the allegations under investigation or to gather and present relevant evidence.
- A party whose participation is invited or expected at an investigative meeting or interview will receive written notice of the date, time, location, participants, and purpose of the meeting or interview with sufficient time for the party to prepare to participate.
- Prior to completion of the investigative report, MWA will send to each party and the party's advisor, if any, a copy of the evidence subject to inspection and review, and the parties will have at least ten (10) days to submit a written response for the investigator's consideration prior to the completion of the investigation report.
- The investigator will complete an investigation report that fairly summarizes all relevant evidence and send a copy of the report to each party and the party's advisor, if any, at least ten (10) days prior to the determination of responsibility.

Dismissal of a Formal Complaint of Sexual Harassment

- If the investigation reveals that the alleged harassment did not occur in MWA's educational program in the United States or would not constitute sexual harassment even if proved, the formal complaint with regard to that conduct must be dismissed. However, such a dismissal does not preclude action under another applicable MWA policy.
- MWA may dismiss a formal complaint of sexual harassment if:
 - o The complainant provides a written withdrawal of the complaint to the Coordinator;
 - o The respondent is no longer employed or enrolled at MWA; or
 - o The specific circumstances prevent MWA from gathering evidence sufficient to reach a decision on the formal complaint or the allegations therein.
- If a formal complaint of sexual harassment or any of the claims therein are dismissed, MWA will promptly send written notice of the dismissal and the reason(s) for the dismissal simultaneously to the parties.

Determination of Responsibility

- The decision-maker(s) will not be the same person(s) as the Coordinator, the investigator or the decision-maker(s) for the appeal.
- The standard of evidence used to determine responsibility is the preponderance of the evidence standard.
- Determinations will be based on an objective evaluation of all relevant evidence and credibility determinations will not be based on a person's status as a complainant, respondent, or witness.
- MWA will send a written decision on the formal complaint to the complainant and respondent simultaneously that describes:
 - o The allegations in the formal complaint of sexual harassment;
 - o All procedural steps taken including any notifications to the parties, interviews with parties and witnesses, site visits, and methods used to gather other evidence;
 - o The findings of facts supporting the determination;
 - o The conclusions about the application of MWA's code of conduct to the facts;
 - o The decision and rationale for each allegation;
 - o Any disciplinary sanctions the recipient imposes on the respondent, and whether remedies designed to restore or preserve equal access to the education program or activity will be provided to the complainant; and
 - o The procedures and permissible bases for appeals.

Appeal

Should the reporting individual find MWA's resolution unsatisfactory, the reporting individual may, within five school days of the date of resolution, file an appeal with the Designated Appeals Committee. In such cases, at

least three certificated MWA employees who are unfamiliar with the case and who have been previously designated and trained for this purpose shall be assembled to conduct a confidential review of the complainant's appeal and render a final disposition.

The following appeal rights and procedures will apply to formal complaints of sexual harassment:

- The complainant and the respondent shall have the same appeal rights and MWA will implement appeal procedures equally for both parties.
- Within five (5) business days of MWA's written decision or dismissal of the complaint, the complainant or respondent may submit a written appeal to the Coordinator.
- The decision-maker(s) for the appeal will not be the same person(s) as the Coordinator, the investigator or the initial decision-maker(s).
- The complainant and respondent may appeal from a determination regarding responsibility, and from MWA's dismissal of a formal complaint or any allegations therein, on the following bases:
 - Procedural irregularity that affected the outcome of the matter;
 - New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and
 - The Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.
- MWA will notify the other party in writing when an appeal is filed.
- The decision-maker for the appeal will give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome; issue a written decision describing the result of the appeal and the rationale for the result; and provide the written decision simultaneously to both parties.

Consequences

Students or employees who engage in misconduct prohibited by this policy, knowingly make false statements, or knowingly submit false information during the grievance process are subject to disciplinary action; students may receive behavior management up to and including suspension or expulsion and employees may be subject to disciplinary action up to and including termination. Bullying by **any individual** at MWA is strictly prohibited. MWA will report all abuse to the *appropriate legal authorities* as required by the law. The Coordinator is responsible for effective implementation of any remedies ordered by MWA in response to a formal complaint of sexual harassment.

In addition, any student involved who engages in misconduct prohibited by this policy, regardless of their role, may be required to participate in the following:

- *Bullying Education*: Participation in a specific number of bullying workshop sessions centered around bullying education (i.e. statistics, prevalence, impact of bullying).
- *Restorative Justice*: Specific activities aimed to address and repair the damage caused to the MWA community by bullying (i.e. write an essay on the harmful effects of bullying and present an essay to the MWA community).
- *Psychological Services*: A specific number of individual or group counseling sessions facilitated by a therapeutic clinician.

Recordkeeping

All records related to any investigation of complaints under this Policy are maintained in a secure location by the Dean of Students or designee.

MWA will maintain the following records for at least seven (7) years:

- Records of each sexual harassment investigation, including any determination of responsibility; any audio or audiovisual recording or transcript; any disciplinary sanctions imposed on the respondent; and any remedies provided to the complainant.
- Records of any appeal of a formal sexual harassment complaint and the results of that appeal.
- Records of any informal resolution of a sexual harassment complaint and the results of that informal resolution.

- All materials used to train Title IX coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process.
- Records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment.

For the purpose of this definition, "treatment" does not include remedial educational activities or activities that are part of the program of instruction at MWA;

- Grades on peer-graded papers before they are collected and recorded by a teacher.

Personally Identifiable Information

Personally identifiable information is information about a student that is contained in their education records that cannot be disclosed without compliance with the requirements of the Family Educational Rights and Privacy Act of 2001 (20 U.S.C. § 1232g) ("FERPA"). Directory Information

Directory information is information contained in an education record of a student that would not generally be considered harmful or an invasion of privacy if disclosed. MWA has designated the following information as directory information:

- Student's name

- Telephone listing
- Student's electronic mail address
- Parent/guardian's electronic mail address
- Photograph
- Date and place of birth

Eligible student means a student who has reached eighteen (18) years of age.

School Official

A school official is a person employed by MWA as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the Board of Directors of MWA. A school official also may include a volunteer or an independent contractor of MWA, consultant, vendor, or other party who performs an institutional service or function for which MWA would otherwise use its own employees and who is under the direct control of MWA with respect to the use and maintenance of personally identifiable information from education records, such as an attorney, auditor, medical consultant, therapist, or contracted provider of digital educational platforms and/or services; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing their tasks.

Legitimate Educational Interest

A school official has a legitimate educational interest if the official **needs** to review an education record **in order to fulfill their professional responsibility**.

Disclosure of Directory Information

At the beginning of each school year, MWA shall provide parents and eligible students with a notice containing the following information: 1) the type of personally identifiable information it designates as directory information; 2) the parent's or eligible student's right to require that MWA not release "directory information" without obtaining prior written consent from the parent or eligible student; and 3) the period of time within which a parent or eligible student must notify MWA in writing of the categories of "directory information" that it may not disclose without the

parent's or eligible student's prior written consent. MWA will continue to honor a valid request to opt out of the disclosure of a former student's directory information made while the former student was in attendance unless the parent or eligible student rescinds the opt out request.

Annual Notification to Parents and Eligible Students

At the beginning of each school year, in addition to the notice required for directory information, MWA shall provide eligible students currently in attendance and parents of students currently in attendance with a notice of their rights under the FERPA. The notice shall inform the parents and eligible students that they have the right to:

- Inspect and review the student's education records;
- Seek amendment of the student's education records that the parent or eligible student believes to be inaccurate, misleading or otherwise in violation of the student's privacy rights;
- Consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that disclosure is permitted without prior written consent pursuant to FERPA;
- File with the U.S. Department of Education a complaint concerning alleged failures by MWA to comply with the requirements of FERPA and its promulgated regulations; and
- Request that MWA not release student names, addresses and telephone listings to military recruiters or institutions of higher education without prior written parental consent.

The notice must also include the following:

- The procedure for exercising the right to inspect and review educational records;
- The procedure for requesting amendment of records;
- A statement that MWA forwards education records to other agencies or institutions that have requested the records and in which the student seeks or intends to enroll or is already enrolled so long as the disclosure is for purposes related to the student's enrollment or transfer; and
- The criteria for determining who constitutes a school official and what constitutes a legitimate educational interest.

Parental and Eligible Student Rights Relating to Educational Records

Parents and eligible students have the right to review the student's education records. In order to do so, parents and eligible students shall submit a request to review education records in writing to the MWA Assistant Principal. Within five (5) business days, MWA shall comply with the request.

Copies of Education Records

MWA will provide copies of requested documents within five (5) business days of a written request for copies. MWA may charge reasonable fees for copies it provides to parents or eligible students. However, no charge shall be made for furnishing: 1) up to two transcripts of former students' records or 2) up to two verifications of various records of former students. The charge will not include a fee to search for or to retrieve the education records.

Request for Amendment to Education Records

To challenge a student's education record, a parent/guardian must file a written request with the Chief Executive Officer to correct or remove any information recorded in the student's education record that is any of the following: 1) inaccurate; 2) misleading; or 3) in violation of the privacy rights of the student.

Within thirty (30) days of receipt of a written request from a parent, the Chief Executive Officer or their designee must meet with the parent/guardian or eligible student and the certificated employee who recorded the information in question, if any. The Chief Executive Officer or their designee must then sustain or deny the parent/guardian or eligible student's request to amend the records and provide a written statement of the decision to the parent/guardian or eligible student within forty-five (45) days of the receipt of request to amend. If MWA decides

not to amend the record as requested, it shall inform the parent or eligible student of their right to a hearing. If the Chief Executive Officer or their designee sustains any or all of the allegations, the Chief Executive Officer or their designee must order the correction or the removal and destruction of the information. The Chief Executive Officer or designee must then inform the parent or eligible student of the amendment in writing.

If the Chief Executive Officer or their designee sustains the parent or eligible student's request to change the student's name and/or gender, MWA shall add a new document to the student's record that includes all of the following information, which shall be indefinitely maintained in a confidential manner by MWA:

- a. The date of the request.
- b. The date the requested records were corrected.
- c. A list of the records requested to be corrected.
- d. The type of documentation, if any, provided to demonstrate a legal change to the student's name and/or gender. The parent or guardian of the student is not required to provide documentation of a legal change to the student's name and/or gender.
- e. The name of the employee who completed the request.
- f. The student's corrected and former names and/or genders.

MWA shall immediately update a former student's records to include the student's updated legal name or gender if MWA receives government-issued documentation demonstrating that the former student's legal name or gender has been changed. Acceptable government issued identification includes but is not limited to:

- a. State-issued driver's license.
- b. Birth certificate.
- c. Passport.
- d. Social security card.
- e. Court order indicating a name change or a gender change, or both.

If requested by the former student, MWA shall reissue any documents conferred upon the former student with the former student's updated legal name or gender. Documents that may be reissued by MWA include, but are not limited to, a transcript, a high school diploma, a high school equivalency certificate, or other similar documents conferred upon the former student.

If a former student requests that their name or gender be changed and the requested records are reissued, MWA shall add a new document to the former student's file that includes all of the following:

- a. The date of the request.
- b. The date the requested records were reissued to the former student.
- c. A list of the records that were requested by, and reissued to, the former student.
- d. The type of documentation provided by the former student in order to demonstrate the legal name or gender change.
- e. The name of the MWA staff person that completed the request
- f. The current and former name or gender of the former student.

Hearing to Challenge Education Record

If MWA denies a parent or eligible student's request to amend an education record, the parent or eligible student may, within thirty (30) days of the denial, request in writing that the parent or eligible student be given the opportunity for a hearing to challenge the content of the student's education record on the grounds that the information contained in the education record is inaccurate, misleading or in violation of the privacy rights of the student.

The Chief Executive Officer or the MWA Board President may convene a hearing panel to assist in making determinations regarding educational record challenges provided that the parent has given written consent to release information from the student's records to the members of the panel convened. The hearing panel shall consist of the following persons:

- The MWA Assistant Principal or designee of a public school other than the public school at which the record is on file;
- A certificated employee;
- A parent appointed by the Chief Executive Officer or by the Board of Directors, depending upon who convenes the panel.

The hearing to challenge the education record shall be held within thirty (30) days of the date of the request for a hearing. Notice of the date, time and place of the hearing will be sent by MWA to the parent or eligible student no later than five (5) days before the hearing.

The hearing will be conducted by the Chief Executive Officer or their designee, who shall not be required to use formal rules of evidence or procedure. The parent or eligible student will be given a full and fair opportunity to present evidence relevant to the issues relating to the challenge to the education record. The parent or eligible student may also, at their own expense, be assisted or represented by one or more individuals of their choice, including an attorney. The decision of the Chief Executive Officer or their designee will be based solely on the evidence presented at the hearing and is final. Within 30 days after the conclusion of the hearing, MWA's decision regarding the challenge will be made in writing and will include a summary of the evidence and the reasons for the decision.

If, as a result of the hearing, MWA decides that the information is inaccurate, misleading or otherwise in violation of the privacy rights of the student, it will amend the record accordingly and inform the parent or eligible student of the amendment in writing.

If, as a result of the hearing, MWA decides that the information in the education record is not inaccurate, misleading or otherwise in violation of the privacy rights of the student, it shall inform the parent or eligible student of the right to place a statement in the record commenting on the contested information in the record or stating why they disagree with the decision of MWA, or both. If MWA places a statement by the parent or eligible student in the education records of a student, it will maintain the statement with the contested part of the record for as long as the record is maintained and disclose the statement whenever it discloses the portion of the record to which the statement relates.

Disclosure of Education Records and Directory Information

MWA must have a signed and dated written consent from the parent or eligible student before releasing any non-directory information from a student's education record except as provided below. The written permission must specify the records that may be disclosed, the purpose of the disclosure and the party or class of parties to whom the disclosure may be made. When disclosure is made pursuant to written permission, the parent or eligible student may request a copy of the disclosed records and MWA shall provide the requestor with a copy of the records disclosed upon request. Signed and dated written consent may include a record and signature in electronic form if it identifies and authenticates a particular person as the source of the electronic consent and indicates such person's approval of the information contained in the electronic consent.

MWA will only disclose personally identifiable information on the condition that the receiving party not disclose the information to any party without the prior written consent of the parent or eligible student and that the receiving party use the information for the purposes for which the disclosure was made. This restriction does not apply to disclosures that fall within the disclosure exceptions listed below. MWA must maintain the appropriate records related to these disclosure exceptions, as described below. Except for disclosures pursuant to a warrant, judicial order or lawfully issued subpoena, or directory information or to parents or eligible students, MWA will inform a receiving party of the requirement that the party not disclose the information to any other party without the prior written consent of the parent or eligible student and that the receiving party use it for the purpose for which the

disclosure was made. Note specifically that MWA will not release information to third parties for immigration-enforcement purposes, except as required by law or court order.

MWA will disclose education records, without prior written consent of the parent or eligible student, to the following parties:

- School officials who have a legitimate educational interest as defined by 34 C.F.R. Part 99;
- Other schools to which a student seeks or intends to enroll so long as the disclosure is for purposes related to the student's enrollment or transfer. When a student transfers schools, MWA will mail the original or a copy of a student's cumulative file to the receiving district or private school within ten (10) school days following the date the request is received from the public school or private school where the student intends to enroll. MWA will make a reasonable attempt to notify the parent or eligible student of the request for records at their last known address, unless the disclosure is initiated by the parent or eligible student. Additionally, MWA will give the parent or eligible student, upon request, a copy of the record that was disclosed and give the parent or eligible student, upon request, an opportunity for hearing pursuant to Section (IV)(3) above;
- Certain government officials listed in 20 U.S.C. § 1232g(b)(1) in order to carry out lawful functions;
- Appropriate parties in connection with a student's application for, or receipt of, financial aid if it is necessary to determine eligibility, amount of aid, conditions for aid or enforcing the terms and conditions of the aid;

- Accrediting organizations in order to carry out their accrediting functions;
- Parents of a dependent student as defined in section [152 of the Internal Revenue Code](#) of 1986;
- Individuals or entities, in compliance with a judicial order or lawfully issued subpoena. Subject to the exceptions found in 34 C.F.R. 99.31(a)(9)(i), reasonable effort must be made to notify the parent or eligible student of the order or subpoena in advance of compliance, so that the parent or eligible student may seek a protective order;
- Persons who need to know in cases of health and safety emergencies;
- State and local authorities, within a juvenile justice system, pursuant to specific State law;
- A foster family agency with jurisdiction over a currently enrolled or former student, a short-term residential treatment program staff responsible for the education or case management of a student, and a caregiver (regardless of whether the caregiver has been appointed as the student's educational rights holder) who has direct responsibility for the care of the student, including a certified or licensed foster parent, an approved relative or non-related extended family member, or a resource family, may access the current or most recent records of grades, transcripts, attendance, behavior management, and online communication on platforms established by MWA for student and parents, and any individualized education program ("IEP") or Section 504 plan that may have been developed or maintained by MWA; and/or
- A victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense. The disclosure may only include final results of the disciplinary proceedings conducted by MWA with respect to that alleged crime or offense. MWA may disclose the final results of the disciplinary proceeding, regardless of whether MWA concluded a violation was committed.
- Federal, state and local government agencies for required compliance/state reporting requirements
- Third party vendors for the purposes of providing instruction

Record-Keeping Requirements

MWA will maintain a record of each request for access to and each disclosure of personally identifiable information from the education records of each student for as long as the records are maintained. For each request, the record must include the following information: the parties who have requested or received the information and the legitimate interests the parties had in requesting or obtaining the information.

For disclosures of personally identifiable information to institutions that make disclosures of the information on behalf of MWA in accordance with 34 C.F.R. 99.33(b), the record must include the names of the additional parties to which the receiving party may disclose the information on behalf of MWA and the legitimate interests that each of the additional parties has in requesting or obtaining the information.

These record keeping requirements do not apply to requests from or disclosure to parents or eligible students, MWA officials with a legitimate purpose of inspecting the records, a party with written consent from the parent or eligible student, a party seeking directory information, or a party seeking or receiving the records as directed by a court order or subpoena.

The records relating to disclosures of personally identifiable student information may be inspected by parents and eligible students, MWA officials (or their assistants) responsible for the custody of the records, and parties authorized by regulations for the purpose of auditing the recordkeeping procedures of MWA.

Student cumulative records may not be removed from the premises of the MWA, unless the individual removing the record has a legitimate educational interest, and is authorized by the MWA Assistant Principal, or by a majority of a quorum of the Board of Directors at a duly agendized meeting. Employees who remove student cumulative records or other student records from the MWA premises without a legitimate educational interest and authorization may be subject to behavior management. Employees are permitted to take student work-product, or other appropriate student records, off premises without authorization for legitimate academic purposes (e.g. grading work-product, assigning credit, reviewing materials for classroom discussion, etc.)

5. Complaints alleging noncompliance regarding child nutrition programs established pursuant to Education Code sections 49490-49590 are governed by Title 7, Code of Federal Regulations (“C.F.R.”) sections 210.19(a)(4), 215.1(a), 220.13(c), 225.11(b), 226.6(n), and 250.15(d) and Title 5, California Code of Regulations (“C.C.R.”) sections 15580 - 15584.

(510) 262-1511, mwacompliance@mwacademy.org
8. Complaints alleging unlawful discrimination, harassment, intimidation, or bullying, must be filed within six months from the date the alleged discrimination, harassment, intimidation, or bullying, occurred or the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation, or bullying. All other complaints under the UCP shall be filed not later than one (1) year from the date the alleged violation occurred. For complaints relating to the LCAP, the date of the alleged violation is the date on which MWA’s Board of Directors approved the LCAP or the annual update was adopted by Charter School.

Only complaints regarding pupil fees or LCAP compliance may be filed anonymously and only if the anonymous complainant provides evidence or information leading to evidence to support an allegation of noncompliance with laws relating to pupil fees or LCAP.

Complaints will be investigated and a written decision or report will be sent to the complainant within 60 days from the receipt of the complaint. This 60-day time period may be extended by written agreement of the complainant. The compliance officer responsible for investigating the complaint shall conduct and complete the investigation in accordance with California regulations and in accordance with MWA’s UCP Policy.

The complainant has a right to appeal MWA’s decision to the California Department of Education (CDE) by filing a written appeal within 30 calendar days of the date of the MWA’s written Decision, except if MWA has used its UCP to address a complaint that is not subject to the UCP requirements. The appeal must include a copy of the complaint filed with MWA, a copy of MWA’s decision, and the complainant must specify and explain the basis for the appeal of the decision, including at least one of the following:

1. MWA failed to follow its complaint procedures.
2. Relative to the allegations of the complaint, MWA’s decision lacks material findings of fact necessary to reach a conclusion of law.
3. The material findings of fact in MWA’s decision are not supported by substantial evidence.
4. The legal conclusion in MWA’s decision is inconsistent with the law.
5. In a case in which MWA’s decision found noncompliance, the corrective actions fail to provide a proper remedy.

A complainant who appeals MWA’s decision on a UCP complaint to the CDE shall receive a written appeal decision within sixty (60) calendar days of the CDE’s receipt of the appeal, unless extended by written agreement with the complainant or the CDE documents exceptional circumstances and informs the complainant.

Within thirty (30) calendar days of the date of the CDE’s appeal Decision pursuant to 5 C.C.R. section 4633(f)(2) or (3), either party may request reconsideration by the State Superintendent of Public Instruction (“SSPI”) or the

SSPI's designee. The request for reconsideration shall specify and explain the reason(s) for contesting the findings of fact, conclusions of law, or corrective actions in the CDE's appeal Decision.

If a UCP complaint is filed directly with the CDE and the CDE determines that it merits direct intervention, the CDE shall complete an investigation and provide a written decision to the complainant within sixty (60) calendar days of receipt of the complaint, unless the parties have agreed to extend the timeline or the CDE documents exceptional circumstances and informs the complainant.

If MWA finds merit in a UCP complaint, or the CDE finds merit in an appeal, MWA shall take corrective actions consistent with the requirements of existing law that will provide a remedy to the affected student and/or parent/guardian as applicable.

Civil law remedies may be available under state or federal discrimination, harassment, intimidation, or bullying laws, if applicable. In appropriate cases, an appeal may be filed pursuant to Education Code Section 262.3. A complainant may pursue available civil law remedies outside of MWA's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For unlawful discrimination, harassment, intimidation or bullying complaints arising under state law, however, a complainant must wait until sixty (60) calendar days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if the MWA has appropriately, and in a timely manner, apprised the complainant of the complainant's right to file a complaint in accordance with 5 CCR § 4622.

A copy of the full UCP is available free of charge in the middle school and upper school Front Offices. For further information on any part of the UCP, including filing a complaint or requesting a copy of the UCP, please contact the front office or the compliance officer listed above. Appendix K: Suspension and Expulsion Policy and Procedures

General Principles

MWA is committed to educating students in an environment of safety, behavior management and high achievement for all students. As a result, MWA makes significant efforts to help students understand the rules of comportment at MWA, the self-behavior management necessary for success in school and the community, and the way to interact with other students, staff and community members in a respectful and positive manner.

MWA develops and maintains a comprehensive set of student behavior management policies. These policies are printed and distributed as part of the school's student handbook. This handbook is available in English and Spanish and clearly describes the school's expectations regarding attendance, mutual respect, work habits, safety, fighting, violence and substance use, as well as MWA's policies regarding the grounds for suspension or expulsion. Each student and their parent/guardian is required to verify that they have reviewed and understand the policies prior to enrollment. MWA's Board of Directors, staff and school community reviews our comportment policy each year.

MWA has increased its use of restorative justice practices to replace suspensions. The aim is to help students identify and understand some of the motivations behind their choices. Restorative circles and conferences are aimed at addressing communication issues, personal injuries, and social emotional development. MWA utilizes a combination of traditional behavior management practices and increasing restorative justice practices. MWA wants to limit suspension as a means of student behavior management when possible.

Responsibilities of Parties

Student Responsibilities

- Read, understand and follow the MWA school rules and regulations,
- Submit to the authority of teachers, administrators and classified employees who have student supervisory assignments with respect to student behavior during school hours and activities,
- Demonstrate good behavior while on MWA grounds, while going to and from school, during the lunch period, and during or while going to or coming from a school-sponsored activity,
- Respond to MWA staff in a fashion that shows individual respect, and
- Read and understand the behavior management policies outlined in the MWA handbook and posted in classrooms. If a rule or policy is unclear, request that a faculty member explain its meaning.

Parent/Guardian Responsibilities

- Read and understand school rules and regulations relating to behavior management,
- Discuss all components of the school Comportment Policy with the student,
- Work with the school to modify and correct unacceptable student behavior, and
- Respond to MWA staff in a timely and respectful manner.

Teacher Responsibilities

- Support and enforce all MWA rules and regulations fairly within classrooms, halls and campus,
- Communicate with and respond to students and parents in a respectful and timely manner,
- Propose, participate, and recommend conferences with parents/guardians, counselors and administrators concerning students with serious behavioral problems,
- Report to the Assistant Principal or deans all serious or willful acts of misconduct by students and other individuals, and

- If appropriate, give detentions for tardiness, unexcused absences, minor behavior infractions, or institute other appropriate consequences for these kinds of behaviors.

Administrator Responsibilities

- MWA administration shall inform teachers of each student who has engaged in or is reasonably suspected to have engaged in any of the acts listed in Education Code Section 49079 and the corresponding enumerated offenses listed in this Policy. MWA administration shall provide the information to teachers based upon any written records that the school maintains in its ordinary course of business or receives from a law enforcement agency,
- Communicate with and respond to students and parents in a fashion that shows individual respect;
- Issue suspensions and detentions for those students who demonstrate unacceptable behavior and who fail to honor this policy,
- Give suspensions from one to five consecutive school days to students when other means of correction fail to bring about good conduct or when the action of that student presents a danger to persons or property or threatens to disrupt the educational process, and
- Monitor at-risk students with 10 or more days of suspension and keep parents/guardians informed about corrective actions being instituted to assist students to improve behavior.

Community Responsibilities

- On a limited basis, the community police may cooperate with the MWA administration in the investigation of incidents where the law may have been violated.

Suspension and Expulsion Policy and Procedures

This student Suspension and Expulsion Policy has been established in order to promote learning and protect the safety and well being of all students at MWA. In creating this policy, MWA has reviewed Education Code Section 48900 *et seq.* which describes the non-charter schools' list of offenses and procedures to establish its list of offenses and procedures for suspensions, expulsions and involuntary removals. The language that follows is largely consistent with the language of Education Code Section 48900 *et seq.* MWA is committed to annual review of policies and procedures surrounding suspensions, expulsions, and involuntary removals and, as necessary, modification of the lists of offenses for which students are subject to suspension, expulsion or involuntary removal.

Consistent with this policy, it may be necessary to suspend or expel a student from regular classroom instruction. This policy shall serve as MWA's policy and procedures for student suspension, expulsion and involuntary removal and it may be amended from time to time without the need to seek a material revision of the charter so long as the amendments comport with legal requirements. MWA staff shall enforce disciplinary policies and procedures fairly and consistently among all students. This policy and its procedures will be printed and distributed annually as part of the student handbook and will clearly describe behavior management expectations. It will be reviewed and updated by the Board of Directors when they review and update other Board policies and procedures, or more frequently as needed.

Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of or willfully causing the infliction of physical pain on a student. For purposes of this policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, students, staff or other persons or to prevent damage to school property.

MWA administration shall ensure that students and their parents/guardians are notified in writing upon enrollment of all behavior management and involuntary removal policies and procedures. The notice shall state that this policy and its procedures are available on request at the Front Offices.

Suspended or expelled students shall be excluded from all school and school-related activities unless otherwise agreed during the period of suspension or expulsion.

A student identified as an individual with disabilities or for whom MWA has a basis of knowledge of a suspected disability pursuant to the Individuals with Disabilities Education Improvement Act of 2004 or who is qualified for services under Section 504 of the Rehabilitation Act of 1973 ("Section 504") is subject to the same grounds for suspension and expulsion and is accorded the same due process procedures applicable to general education students except when federal and state law mandates additional or different procedures. MWA will follow all applicable federal and state laws including but not limited to the applicable provisions of the California Education Code, when imposing any form of behavior management on a student identified as an individual with disabilities or for whom MWA has a basis of knowledge of a suspected disability or who is otherwise qualified for such services or protections in according due process to such students.

No student shall be involuntarily removed by MWA for any reason unless the parent or guardian of the student has been provided written notice of intent to remove the student no less than five schooldays before the effective date of the action. The written notice shall be in the native language of the student or the student's parent or guardian or, if the student is a foster child or youth or a homeless child or youth, the student's educational rights holder, and shall inform the student, the student's parent/guardian, or educational rights holder of the basis for which the student is being involuntarily removed and the student's parent, guardian, or educational rights holder's right to request a hearing to challenge the involuntary removal. If a student's parent, guardian, or educational rights holder requests a hearing, MWA shall utilize the same hearing procedures specified below for expulsions, before the effective date of the action to involuntarily remove the student. If the student's parent, guardian, or educational rights holder requests a hearing, the student shall remain enrolled and shall not be removed until MWA issues a final decision. As used herein, "involuntarily removed" includes disenrolled, dismissed, transferred, or terminated, but does not include removals for misconduct which may be grounds for suspension or expulsion as enumerated below.

Grounds for Suspension and Expulsion of Students

A student may be suspended or expelled for prohibited misconduct if the act is related to school activity or school attendance occurring at any time including but not limited to: a) while on school grounds; b) while going to or coming from school; c) during the lunch period, whether on or off the school campus; d) during, going to, or coming from a school-sponsored activity.

Non-Discretionary Suspension and Expellable Offenses

Students must be suspended and recommended for expulsion when it is determined the student:

- Possessed, sold, or otherwise furnished any firearm, explosive, or other destructive device unless, in the case of possession of any device of this type, the student had obtained written permission to possess the item from a certificated school employee, with the Assistant Principal or designee's concurrence.

Suspension Procedure

Suspensions shall be initiated according to the following procedures:

Conference

Suspension shall be preceded, if possible, by a conference conducted by the Assistant Principal or the Assistant Principal's designee with the student and their parent/guardian and, whenever practical, the teacher, supervisor or Charter School employee who referred the student to the Division Director or designee.

The conference may be omitted if the Assistant Principal or designee determines that an emergency situation exists. An "emergency situation" involves a clear and present danger to the lives, safety or health of students or MWA personnel. If a student is suspended without this conference, both the parent/guardian and student shall be notified of the student's right to return to school for the purpose of a conference.

At the conference, the student shall be informed of the reason for the disciplinary action and the evidence against the student and shall be given the opportunity to present their version and evidence in their defense, in accordance with Education Code Section 47605(c)(5)(J)(i). This conference shall be held within two (2) school days, unless the student waives this right or is physically unable to attend for any reason including, but not limited to, incarceration or hospitalization. No penalties may be imposed on a student for failure of the student's parent or guardian to attend a conference with Charter School officials. Reinstatement of the suspended student shall not be contingent upon attendance by the student's parent or guardian at the conference.

Notice to Parents/Guardians

At the time of the suspension, an administrator or designee shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a student is suspended, the parent/guardian shall be notified in writing of the suspension and the date of return following suspension. This notice shall state the specific offense(s) committed by the student as well as the date the student may return to school following the suspension. In addition, the notice may also state the time when the student may return to school. If MWA officials wish to ask the parent/guardian to confer regarding matters pertinent to the suspension, the notice may request that the parent/guardian respond to such requests without delay.

Suspension Time Limits/Recommendation for Expulsion

Suspensions, when not including a recommendation for expulsion, shall not exceed five consecutive school days per suspension. Upon a recommendation of expulsion by the Assistant Principal or designee, the student and the student's parent/guardian or representative will be invited to a conference to determine if the suspension for the student should be extended pending an expulsion hearing. In such instances when MWA has determined a suspension period shall be extended, such extension shall be made only after a conference is held with the student or the student's parents/guardians, unless the student and the student's parents/guardians fail to attend the conference. This determination will be made by the Assistant Principal or designee upon either of the following: 1) the student's presence will be disruptive to the education process; or 2) the student poses a threat or danger to others. Upon either determination, the student's suspension will be extended pending the results of an expulsion hearing.

Homework Assignment During Suspension

In accordance with Education Code Section 47606.2(a), upon the request of a parent, a legal guardian or other person holding the right to make education decisions for the student, or the affected student, a teacher shall provide to a student in any of grades 1 to 12, inclusive, who has been suspended from school for two or more schooldays, the homework that the student would otherwise have been assigned.

In accordance with Education Code Section 47606.2(b), if a homework assignment that is requested pursuant to Section 47606.2(a) and turned into the teacher by the student either upon the student's return to school from suspension or within the timeframe originally prescribed by the teacher, whichever is later, is not graded before the end of the academic term, that assignment shall not be included in the calculation of the student's overall grade in the class.

Authority to Expel

As required by Education Code Section 47605(c)(5)(J)(ii), students recommended for expulsion are entitled to a hearing adjudicated by a neutral officer to determine whether the student should be expelled. The procedures herein provide for such a hearing and the notice of said hearing, as required by law.

A student may be expelled either by the neutral and impartial MWA Board of Directors following a hearing before it or by the MWA Board of Directors upon the recommendation of a neutral and impartial administrative panel, to be assigned by the Board of Directors as needed. The administrative panel shall consist of at least three members who are certificated and neither a teacher of the student nor a member of the Board of Directors. Each entity shall be presided over by a designated neutral hearing chairperson. The administrative panel may recommend expulsion of any student found to have committed an expellable offense, and the Board of Directors shall make the final determination.

Expulsion Procedures

Students recommended for expulsion are entitled to a hearing to determine whether the student should be expelled. Unless postponed for good cause, the hearing shall be held within thirty (30) school days after the Assistant Principal or designee determines that the student has committed an expellable offense and recommends the student for expulsion.

In the event an administrative panel hears the case, it will make a recommendation to the Board for a final decision whether to expel. The hearing shall be held in closed session (complying with all student confidentiality rules under FERPA) unless the student makes a written request for a public hearing in open session three days prior to the date of the scheduled hearing.

Steps to Expulsion

The following steps will occur when a student commits an offense that may be considered expellable:

- A timely investigation of what happened;
- Suspension of the student while the investigation is underway, which may be extended as described above;
- The parents/guardians and student are notified of the findings of the investigation including MWA's determination of whether the offense is expellable;
- An expulsion hearing is scheduled and held within thirty (30) school days after the Assistant Principal or designee determines that the student has committed an expellable offense, unless postponed for good cause;
- Written notice of the hearing will be forwarded to the student and the student's parents/guardians no later than ten (10) calendar days before the hearing;
- The MWA Board of Directors or an administrative panel conduct the hearing;
- If the administrative panel conducts the hearing, the recommendation shall be in the form of written findings of fact and a written recommendation to the Board of Directors, which will make a final determination regarding the expulsion during closed session at a public board meeting;
- The final decision by the MWA Board of Directors shall be made within ten (10) school days following the conclusion of the hearing (the decision of the MWA Board of Directors is final);
- The student or the student's parents/guardians will be forwarded a written notice of the expulsion including a copy of the Board of Directors' adopted written findings of fact; and
 - Notice of this specific offense committed by the student; and
 - Notice of the student's or parents/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status with MWA;
- The MWA Board of Directors' decision to expel is final and is documented in the student's file and forwarded to the school's chartering authority and the student's last known school district of residence.

Written notice of the hearing shall be forwarded to the student and the student's parent/guardian at least 10 calendar days before the date of the hearing. Upon mailing the notice, it shall be deemed served upon the student. The notice shall include:

- The date and place of the expulsion hearing;
- A statement of the specific facts, charges and offenses upon which the proposed expulsion is based;
- A copy of MWA's disciplinary rules which relate to the alleged violation;
- Notification of the student's or parents'/guardians' obligation to provide information about the student's status at MWA to any other school district or school to which the student seeks enrollment;
- The opportunity for the student and or the student's parent or guardian to appear in person or to employ and be represented by counsel or a non-attorney advisor;
- The right to inspect and obtain copies of all documents to be used at the hearing;
- The opportunity to confront and question all witnesses who testify at the hearing;
- The opportunity to question all evidence presented and to present oral and documentary evidence on the student's behalf including witnesses.

Special Procedures for Expulsion Hearings Involving Sexual Assault or Battery Offenses

MWA may, upon a finding of good cause, determine that the disclosure of either the identity of the witness or the testimony of that witness at the hearing, or both, would subject the witness to an unreasonable risk of

psychological or physical harm. Upon this determination, the testimony of the witness may be presented at the hearing in the form of sworn declarations that shall be examined only by the school or the hearing officer. Copies of these sworn declarations, edited to delete the name and identity of the witness, shall be made available to the student.

- The complaining witness in any sexual assault or battery case must be provided with a copy of the applicable disciplinary rules and advised of their right to (a) receive five days notice of their scheduled testimony, (b) have up to two (2) adult support persons of their choosing present in the hearing at the time the complaining witness testifies, which may include a parent, guardian, or legal counsel, and (c) elect to have the hearing closed while testifying.
- MWA must also provide the victim a room separate from the hearing room for the complaining witness' use prior to and during breaks in testimony.
- At the discretion of the entity conducting the expulsion hearing, the complaining witness shall be allowed periods of relief from examination and cross-examination during which the complaining witness may leave the hearing room.
- The entity conducting the expulsion hearing may also arrange the seating within the hearing room to facilitate a less intimidating environment for the complaining witness.
- The entity conducting the expulsion hearing may also limit time for taking the testimony of the complaining witness to the hours the complaining witness is normally in school, if there is no good cause to take the testimony during other hours.
- Prior to a complaining witness testifying, the support persons must be admonished that the hearing is confidential. Nothing in the law precludes the entity presiding over the hearing from removing a support person whom the presiding person finds is disrupting the hearing. The entity conducting the hearing may permit any one of the support persons for the complaining witness to accompany the complaining witness to the witness stand.
- If one or both of the support persons is also a witness, MWA must present evidence that the witness' presence is both desired by the witness and will be helpful to MWA. The entity presiding over the hearing shall permit the witness to stay unless it is established that there is a substantial risk that the testimony of the complaining witness would be influenced by the support person, in which case the presiding official shall admonish the support person or persons not to prompt, sway, or influence the witness in any way. Nothing shall preclude the presiding officer from exercising their discretion to remove a person from the hearing whom they believe is prompting, swaying, or influencing the witness.
- The testimony of the support person shall be presented before the testimony of the complaining witness and the complaining witness shall be excluded from the courtroom during that testimony.
- Especially for charges involving sexual assault or battery, if the hearing is to be conducted in public at the request of the student being expelled, the complaining witness shall have the right to have their testimony heard in a closed session when testifying at a public meeting would threaten serious psychological harm to the complaining witness and there are no alternative procedures to avoid the threatened harm. The alternative procedures may include videotaped depositions or contemporaneous examination in another place communicated to the hearing room by means of closed-circuit television.
- Evidence of specific instances of a complaining witness' prior sexual conduct is presumed inadmissible and shall not be heard absent a determination by the entity conducting the hearing that extraordinary circumstances exist requiring the evidence be heard. Before such a determination regarding extraordinary circumstances can be made, the witness shall be provided notice and an opportunity to present opposition to the introduction of the evidence. In the hearing on the admissibility of the evidence, the complaining witness shall be entitled to be represented by a parent, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of the complaining witness is not admissible for any purpose.

Record of Hearing

A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made.

Presentation of Evidence

While technical rules of evidence do not apply to expulsion hearings, evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. A recommendation by the administrative panel to expel must be supported by substantial evidence that the student committed an expellable offense. Findings of fact shall be based solely on the evidence at the hearing. While hearsay evidence is admissible, no decision to expel shall be based solely on hearsay. Sworn declarations may be admitted as testimony from witnesses of whom the Board or administrative panel determines that disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm.

If, due to a written request by the expelled student, the hearing is held at a public meeting, and the charge is committing or attempting to commit a sexual assault or committing a sexual battery as defined in Education Code Section 48900, a complaining witness shall have the right to have their testimony heard in a session closed to the public.

Expulsion Decision

The decision of the administrative panel shall be in the form of written findings of fact and a written recommendation to the Board of Directors, which will make a final determination regarding the expulsion. The final decision by the MWA Board of Directors shall be made within 10 school days following the conclusion of the hearing. The decision of the Board of Directors is final.

If the Administrative Panel decides not to recommend expulsion, or the Board of Directors ultimately decides not to expel, the student shall immediately be returned to their previous educational program.

Written Notice to Expel

The Assistant Principal or designee, following a decision of the MWA Board of Directors to expel, shall send written notice of the decision to expel, including the MWA Board of Directors' adopted findings of fact, to the student and the student's parent/guardian. This notice shall also include the following: (a) notice of the specific offense committed by the student; and (b) notice of the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status with MWA.

The Assistant Principal or designee shall send a copy of the written notice of the decision to expel to the chartering authority. This notice shall include the following: (a) the student's name; and (b) the specific expellable offense committed by the student.

Disciplinary Records

MWA shall maintain records of all student suspensions and expulsions at the school. Such records shall be made available to the chartering authority upon request.

No Right to Appeal

The student shall have no right of appeal from expulsion from MWA as the Board of Directors' decision to expel shall be final.

Expelled Students/Alternative Education

Parents/guardians of students who are expelled shall be responsible for seeking alternative education programs including, but not limited to, programs within the county or their school district of residence. MWA shall work cooperatively with parents/guardians as requested by parents/guardians or by the school district of residence to assist with locating alternative placements during expulsion.

Rehabilitation Plans

Students who are expelled from MWA shall be given a rehabilitation plan upon expulsion as developed by the Board of Directors at the time of the expulsion order, which may include, but is not limited to, periodic review as well as assessment at the time of review for readmission. The rehabilitation plan should include a date not later than one year from the date of expulsion when the student may reapply to MWA for readmission.

Readmission or Admission of Previously Expelled Student

The decision to readmit a student after the end of the student's expulsion term or to admit a previously expelled student from another school district or charter school who has not been readmitted/admitted to another school or school district after the end of the student's expulsion term, shall be in the sole discretion of the MWA Board of Directors following a meeting with the Assistant Principal or designee and the student and the student's parent/guardian or representative to determine whether the student has successfully completed the rehabilitation plan and to determine whether the student poses a threat to others or will be disruptive to the school environment. The Assistant Principal or designee shall make a recommendation to the MWA Board of Directors following the meeting regarding the Assistant Principal's or designee's determination. The Board shall then make a final decision regarding readmission or admission of the student during the closed session of a public meeting, reporting out any action taken during closed session consistent with the requirements of the Brown Act. The student's readmission is also contingent upon MWA's capacity at the time the student seeks readmission or admission to MWA.

Notice to Teachers

MWA shall notify teachers of each student who has engaged in or is reasonably suspected to have engaged in any of the acts listed in Education Code Section 49079 and the corresponding enumerated offenses set forth above.

Special Procedures for the Consideration of Suspension and Expulsion or Involuntary Removal of Students with Disabilities

- 1. Notification of SELPA**

MWA shall immediately notify the SELPA and coordinate the procedures in this policy with the SELPA of the behavior management of any student with a disability or student who MWA or the SELPA would be deemed to have knowledge that the student had a disability. MWA will also notify the SELPA of which it is a part of any suspension or expulsion.

- 2. Services During Suspension**

Students suspended for more than 10 school days in a school year shall continue to receive services so as to enable the student to continue to participate in the general education curriculum, although in another setting (which could constitute a change of placement and the student's IEP would reflect this

change), and to progress toward meeting the goals set out in the child's IEP/504 Plan; and receive, as appropriate, a functional behavioral assessment and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur. These services may be provided in an interim alternative educational setting.

3. Procedural Safeguards/Manifestation Determination

Within 10 school days of a recommendation for expulsion or any decision to change the placement of a child with a disability because of a violation of a code of student conduct, MWA the parent/guardian, and relevant members of the IEP/504 Team shall review all relevant information in the student's file, including the child's IEP/504 Plan, any teacher observations, and any relevant information provided by the parents to determine:

- a. If the conduct in question was caused by, or had a direct and substantial relationship to, the child's disability; or
- b. If the conduct in question was the direct result of the local educational agency's failure to implement the IEP/504 Plan.

If MWA, the parent/guardian, and relevant members of the IEP/504 Team determine that either of the above is applicable for the child, the conduct shall be determined to be a manifestation of the child's disability.

If MWA, the parent/guardian, and relevant members of the IEP/504 Team make the determination that the conduct was a manifestation of the child's disability, the IEP/504 Team shall:

- a. Conduct a functional behavioral assessment and implement a behavioral intervention plan for such child, provided that MWA had not conducted such assessment prior to such determination before the behavior that resulted in a change in placement;
- b. If a behavioral intervention plan has been developed, review the behavioral intervention plan if the child already has such a behavioral intervention plan, and modify it, as necessary, to address the behavior; and
- c. Return the child to the placement from which the child was removed, unless the parent and MWA agree to a change of placement as part of the modification of the behavioral intervention plan.

If MWA, the parent/guardian, and relevant members of the IEP/504 Team determine that the behavior was not a manifestation of the student's disability and that the conduct in question was not a direct result of the failure to implement the IEP/504 Plan, then MWA may apply the relevant disciplinary procedures to children with disabilities in the same manner and for the same duration as the procedures would be applied to students without disabilities.

4. Due Process Appeals

The parent/guardian of a child with a disability who disagrees with any decision regarding placement, or the manifestation determination, or MWA believes that maintaining the current placement of the child is substantially likely to result in injury to the child or to others, may request an expedited administrative hearing through the Special Education Unit of the Office of Administrative Hearings or by utilizing the dispute provisions of the 504 Policy and Procedures.

When an appeal relating to the placement of the student or the manifestation determination has been requested by either the parent/guardian or the school, the student shall remain in the interim alternative educational setting pending the decision of the hearing officer in accordance with state and federal law, including 20 USC Section 1415(k), until the expiration of the 45 -day time period provided for in an interim alternative educational setting, unless the parent/guardian and the school agree otherwise.

In accordance with 20 U.S.C. Section 1415(k)(3), if a parent/guardian disagrees with any decision regarding placement, or the manifestation determination, or if MWA believes that maintaining the current placement of the child is substantially likely to result in injury to the child or to others, the parent/guardian or school may request a hearing.

In such an appeal, a hearing officer may: (1) return a child with a disability to the placement from which the child was removed; or (2) order a change in placement of a child with a disability to an appropriate interim alternative educational setting for not more than 45 school days if the hearing officer determines that maintaining the current placement of such child is substantially likely to result in injury to the child or to others.

5. *Special Circumstances*

MWA personnel may consider any unique circumstances on a case-by-case basis when determining whether to order a change in placement for a child with a disability who violates a code of student conduct.

The Assistant Principal or designee may remove a student to an interim alternative educational setting for not more than forty-five (45) school days without regard to whether the behavior is determined to be a manifestation of the student's disability in cases where a student:

- a. Carries or possesses a weapon, as defined in 18 U.S.C. Section 930, to or at school, on school premises, or to or at a school function;
- b. Knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function; or
- c. Has inflicted serious bodily injury, as defined by 20 U.S.C. Section 1415(k)(7)(D), upon a person while at school, on school premises, or at a school function.

6. *Interim Alternative Educational Setting*

The student's interim alternative educational setting shall be determined by the student's IEP/504 Team.

7. *Procedures for Students Not Yet Eligible for Special Education Services*

A student who has not been identified as an individual with disabilities pursuant to IDEA and who has violated MWA's disciplinary procedures may assert the procedural safeguards granted under this administrative regulation only if MWA had knowledge that the student was disabled before the behavior occurred.

WA shall be deemed to have knowledge that the student had a disability if one of the following conditions exists:

- a. The parent/guardian has expressed concern in writing, or orally if the parent/guardian does not know how to write or has a disability that prevents a written statement, to school supervisory or administrative personnel, or to one of the child's teachers, that the student is in need of special education or related services.
- b. The parent/guardian has requested an evaluation of the child.
- c. The child's teacher, or other school personnel, has expressed specific concerns about a pattern of behavior demonstrated by the child, directly to the director of special education or to other supervisory personnel.

If MWA knew or should have known the student had a disability under any of the three circumstances described above, the student may assert any of the protections available to IDEA-eligible children with disabilities, including the right to stay-put.

If MWA had no basis for knowledge of the student's disability, it shall proceed with the proposed behavior management. MWA shall conduct an expedited evaluation if requested by the parents; however the student shall remain in the education placement determined by MWA pending the results of the evaluation.

MWA shall not be deemed to have knowledge that the student had a disability if the parent/guardian has not allowed an evaluation, refused services, or if the student has been evaluated and determined to not be eligible.

Appendix L: Homeless Youth Annual Notice

The term “homeless children and youth” means individuals who lack a fixed, regular and adequate nighttime residence. It includes children and youths who (42 U.S.C. 11434a):

- Are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason; are living in motels, hotels, trailer parks or camping grounds due to the lack of alternative adequate accommodations; are living in emergency or transitional shelters; or are abandoned in hospitals;
- Have a primary nighttime residence that is a public or private place not designed for or ordinarily used as regular sleeping accommodations for human beings;
- Are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings; and/or
- Migratory children and unaccompanied youth (youth not in the physical custody of a parent or guardian) may be considered homeless if they meet the above definition of “homeless.”

Homeless status is determined in cooperation with the parent/guardian. In the case of unaccompanied youth, status is determined by the MWA Liaison.

The Chief Executive Officer or designee designates the following staff person as the MWA Liaison for homeless students ((42 U.S.C. 11432(g)(1)(J)(ii)):

[Rachel Navarro](#)

4123 Lakeside Drive
Richmond, CA 94806
Ph. (510) 262-1511

The MWA Liaison shall ensure that (42 U.S.C. 11432(g)(6)):

- Homeless students are identified by school personnel and through outreach and coordination activities with other entities and agencies.
- Homeless students enroll in, and have a full and equal opportunity to succeed at MWA.
- Homeless students and families receive educational services for which they are eligible, including services through Head Start programs (including Early Head Start programs) under the Head Start Act, early intervention services under part C of the Individuals with Disabilities Education Act, any other preschool programs administered by MWA, if any, and referrals to health care services, dental services, mental health services and substance abuse services, housing services, and other appropriate services.
- Parents/guardians are informed of the educational and related opportunities available to their children and are provided with meaningful opportunities to participate in the education of their children.
- Public notice of the educational rights of homeless children is disseminated at places frequented by parents or guardians of such youths, and unaccompanied youths, including schools, shelters, public libraries, and soup kitchens, and in a manner and form understandable to the parents and guardians of homeless youth and unaccompanied youth.
- Enrollment/admissions disputes are mediated in accordance with law, MWA charter, and board policy.
- Parents/guardians and any unaccompanied youth are fully informed of all transportation services, as applicable.
- MWA personnel providing services receive professional development and other support.
- The MWA Liaison collaborates with State coordinators and community and school personnel responsible for the provision of education and related services to homeless children and youths.
 - Unaccompanied youth are enrolled in school; have opportunities to meet the same challenging State academic standards as the State establishes for other children and youth; and are informed of their status as independent students under section 480 of the Higher Education Act of 1965

and that the youths may obtain assistance from The MWA Liaison to receive verification of such status for the purposes of the Free Application for Federal Student Aid described in section 483 of the Act.

The California Department of Education publishes a list of the contact information for the Homeless Education Liaisons in the state, which is available at: <https://www.cde.ca.gov/sp/hs/>

Housing Questionnaire

MWA shall administer a housing questionnaire for purposes of identifying homeless children and youth. MWA shall ensure that the housing questionnaire is based on the best practices developed by the CDE. MWA shall annually provide the housing questionnaire to all parents/guardians of students and to all unaccompanied youths at MWA. The housing questionnaire shall include an explanation of the rights and protections a student has as a homeless child or youth or as an unaccompanied youth. The housing questionnaire shall be available in paper form. The housing questionnaire shall be available in English, and if fifteen (15) percent or more of the students enrolled at MWA speak a single primary language other than English, it shall also be written in the primary language. The questionnaire shall be translated into other languages upon request of a student's parent/guardian or an unaccompanied youth. MWA shall collect the completed housing questionnaires and annually report to the CDE the number of homeless children and youths and unaccompanied youths enrolled.

High School Graduation Requirements

Homeless students who transfer to MWA any time after the completion of their second year of high school shall be exempt from any of MWA's graduation requirements that are in excess of the California minimum graduation requirements specified in Education Code section 51225.3 ("additional graduation requirements") unless MWA makes a finding that the student is reasonably able to complete MWA's graduation requirements by the end of the student's fourth year of high school.

To determine whether a homeless student is in their third or fourth year of high school, either the number of credits the student has earned to the date of transfer or the length of the student's school enrollment may be used, whichever will qualify the student for the exemption.

Within thirty (30) calendar days of the date that a student who may qualify for exemption under the above requirements transfers into MWA, MWA shall notify the student, the student's educational rights holder, and the MWA Liaison of the availability of the exemption and whether the student qualifies for an exemption.

MWA shall notify students who are exempted from MWA's additional graduation requirements and the student's educational rights holder of how any of the requirements that are waived will affect the student's ability to gain admission to a postsecondary educational institution and provide information about transfer opportunities available through the California Community Colleges.

MWA shall not require any student who would otherwise be entitled to remain in attendance at MWA to accept the exemption from MWA's additional graduation requirements or deny the student enrollment in, or the ability to complete, courses for which the student is otherwise eligible. MWA shall not revoke an exemption and shall grant an eligible student's request for the exemption at any time if the student qualifies, regardless of whether the student previously declined the exemption. An eligible student's exemption from MWA's additional graduation requirements will continue to apply while the student is enrolled in MWA or if the student transfers to another school even after the student no longer meets the definition of a homeless child.

MWA shall not require or request that a student transfer schools in order to qualify the student for the exemption. Nor shall a student, a student's parent/guardian or educational rights holder, or a student's social worker or probation officer request a transfer solely to qualify for an exemption from MWA's additional graduation requirements.

If a student who is exempted from MWA's additional graduation requirements completes the California minimum coursework requirements specified in Education Code section 51225.3 before the end of the student's fourth year of high school and would otherwise be entitled to remain in attendance at MWA, MWA shall not require or request that the student graduate before the end of the student's fourth year of high school.

If MWA determines the student is reasonably able to complete MWA's graduation requirements by the end of the student's fifth year of high school, MWA shall do the following:

1. Inform the student of the student's option to remain at MWA for a fifth year to complete MWA's graduation requirements.
2. Inform the student, and the educational rights holder for the student, about how remaining in school for a fifth year to complete MWA's graduation requirements will affect the student's ability to gain admission to a postsecondary educational institution.
3. Provide information to the student about transfer opportunities available through the California Community Colleges.
4. Permit the student to stay at MWA for a fifth year to complete MWA's graduation requirements upon agreement with the student, if the student is 18 years of age or older, or, if the student is under 18 years of age, upon agreement with the educational rights holder for the student.

Acceptance of Course Work: MWA will accept any coursework satisfactorily completed at any public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency by a homeless student.

MWA will provide homeless students credit for the partial completion of courses taken while attending a public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency. If the student did not complete the entire course, MWA shall not require the student to retake the portion of the course the student completed unless MWA, in consultation with the holder of educational rights for the student, finds that the student is reasonably able to complete the requirements in time to graduate from high school. When partial credit is awarded in a particular course, the homeless student shall be enrolled in the same or equivalent course, if applicable, so that the student may continue and complete the entire course. These students shall not be prevented from taking or retaking a course to meet California State University or the University of California admission eligibility requirements.

For any homeless student who enrolls at MWA, a copy of MWA's complete policy shall be provided at the time of enrollment. A copy of the complete Policy is available upon request at the main office.

Appendix M: Foster Youth Annual Notice

Definitions: For the purposes of this annual notice the terms are defined as follows:

1. "Foster youth" means any of the following:
 - a. A child who is the subject of a petition filed pursuant to California Welfare and Institutions Code ("WIC") section 309 (whether or not the child has been removed from the child's home by juvenile court).
 - b. A child who is the subject of a petition filed pursuant WIC section 602, has been removed from the child's home by the juvenile court, and is in foster care.
 - c. A nonminor under the transition jurisdiction of the juvenile court, as described in WIC section 450, who satisfies all of the following criteria:
 - i. The nonminor has attained 18 years of age while under an order of foster care placement by the juvenile court.
 - ii. The nonminor is in foster care under the placement and care responsibility of the county welfare department, county probation department, Indian tribe, consortium of tribes, or tribal organization.
 - iii. The nonminor is participating in a transitional independent living case plan.
 - d. A dependent child of the court of an Indian tribe, consortium of tribes, or tribal organization who is the subject of a petition filed in the tribal court. MWA shall not require an Indian tribe or tribal court representative to certify that any student is a dependent of an Indian tribe, consortium of tribes, or tribal organization.
 - e. A child who is the subject of a voluntary placement agreement, as defined in WIC section 11400.
2. "Former juvenile court school students" refers to a student who, upon completion of the student's second year of high school, transfers from a juvenile court school to MWA.
3. "Child of a military family" refers to a student who resides in the household of an active duty military member.
4. "Currently Migratory Child" refers to a child who, within the last 12-months, has moved with a parent, guardian, or other person having custody to MWA from another Local Educational Agency ("LEA"), either within California or from another state, in order that the child or a member of the child's immediate family might secure temporary or seasonal employment in an agricultural or fishing activity, and whose parents or guardians have been informed of the child's eligibility for migrant education services. This includes a child who, without the parent/guardian, has continued to migrate annually to secure temporary or seasonal employment in an agricultural or fishing activity.
5. "Student participating in a newcomer program" means a student who is participating in a program designed to meet the academic and transitional needs of newly arrived immigrant students that has as a primary objective the development of English language proficiency.

Within this notice, foster youth, former juvenile court school students, a child of a military family, a currently migratory child, and a student participating in the newcomer program will be collectively referred to as "Foster and Mobile Youth." Within this notice, a parent, guardian, or other person holding the educational rights for a Foster and Mobile Youth will be referred to as a "parent/guardian."

Foster and Mobile Youth Liaison: The Chief Executive Officer or designee designates the following staff person as the Liaison for Foster and Mobile Youth:

[Rachel Navarro](#)
4123 Lakeside Drive
Richmond, CA 94806
Ph. (510) 262-1511

The Foster and Mobile Youth Liaison's responsibilities include but are not limited to the following:

1. Ensuring and facilitating the proper educational placement, enrollment in school, and checkout from school of foster children.
2. Assisting foster children when transferring from one school to another school in ensuring proper transfer of credits, records and grades.

School Stability: MWA will work with foster youth and their parent/guardian to ensure that each student is placed in the least restrictive educational programs, and has access to the academic resources, services, and extracurricular and enrichment activities that are available to all students, including, but not necessarily limited to, interscholastic sports. All decisions regarding a foster youth's education and placement will be based on the best interest of the child and shall consider, among other factors, educational stability and the opportunity to be educated in the least restrictive educational setting necessary to achieve academic progress.

Foster youth, currently migratory children and children of military families have the right to remain in their school of origin if it is in their best interest. MWA will immediately enroll a foster youth, currently migratory child or child of a military family seeking re-enrollment in MWA as the student's school of origin (subject to MWA's capacity and pursuant to the procedures stated in MWA's charter and Board policy). If a dispute arises regarding a foster youth's request to remain in MWA as the school of origin, the foster youth has the right to remain in MWA pending the resolution of the dispute. MWA will also immediately enroll any foster youth, currently migratory child or child of a military family seeking to transfer to the MWA (subject to MWA's capacity and pursuant to the procedures stated in MWA's charter and Board policy) regardless of the student's ability to meet normal enrollment documentation or uniform requirements (e.g. producing medical records or academic records from a previous school).

Foster youth, currently migratory children, and children of military families have the right to remain in their school of origin following the termination of the child's status as a foster youth, currently migratory child or child of a military family, as follows:

1. For students in Kindergarten through eighth grade, inclusive, the student will be allowed to continue in the school of origin through the duration of the academic year in which the student's status changed.
2. For students enrolled in high school, the student will be allowed to continue in the school of origin through graduation.

Graduation Requirements: Foster and Mobile Youth who transfer to MWA any time after the completion of their second year of high school, and students participating in a newcomer program who are in their third or fourth year of high school, shall be exempt from any of MWA's graduation requirements that are in excess of the California minimum graduation requirements specified in Education Code section 51225.3 ("additional graduation requirements") unless MWA makes a finding that the student is reasonably able to complete MWA's graduation requirements by the end of the student's fourth year of high school.

To determine whether a Foster and Mobile Youth is in their third or fourth year of high school, either the number of credits the student has earned to the date of transfer or the length of the student's school enrollment may be used, whichever will qualify the student for the exemption. In the case of a student participating in a newcomer program, enrollment in grade 11 or 12 may be used to determine whether the student is in their third or fourth year of high school.

Within thirty (30) calendar days of the date that a student who may qualify for exemption under the above requirements transfers into MWA, MWA shall notify the student, the parent/guardian, and where applicable, the student's social worker or probation officer, of the availability of the exemption and whether the student qualifies for an exemption.

MWA shall notify students who are exempted from MWA's additional graduation requirements and the student's parent/guardian how any of the requirements that are waived will affect the student's ability to gain admission to a postsecondary educational institution and provide information about transfer opportunities available through the California Community Colleges.

MWA shall not require any student who would otherwise be entitled to remain in attendance at MWA to accept the exemption from MWA's additional graduation requirements or deny the student enrollment in, or the ability to complete, courses for which the student is otherwise eligible. MWA shall not revoke an exemption and shall grant an eligible student's request for the exemption at any time if the student qualifies, regardless of whether the student previously declined the exemption. An eligible student's exemption from MWA's additional graduation requirements will continue to apply while the student is enrolled in MWA or if the student transfers to another school even after the court's jurisdiction terminates or the student no longer meets the definition of a child of military family, a currently migratory child or a student participating in a newcomer program.

MWA shall not require or request that a student transfer schools in order to qualify the student for the exemption. Nor shall a student, a student's parent/guardian or educational rights holder, or a student's social worker or probation officer request a transfer solely to qualify for an exemption from MWA's additional graduation requirements.

If a student who is exempted from MWA's additional graduation requirements completes the California minimum coursework requirements specified in Education Code section 51225.3 before the end of the student's fourth year of high school and would otherwise be entitled to remain in attendance at MWA, MWA shall not require or request that the student graduate before the end of the student's fourth year of high school.

If MWA determines the student is reasonably able to complete MWA's graduation requirements by the end of the student's fifth year of high school, MWA shall do the following:

1. Inform the student of the student's option to remain at MWA for a fifth year to complete MWA's graduation requirements.
2. Inform the student, and the educational rights holder for the student, about how remaining in school for a fifth year to complete MWA's graduation requirements will affect the student's ability to gain admission to a postsecondary educational institution.
3. Provide information to the student about transfer opportunities available through the California Community Colleges.
4. Permit the student to stay at MWA for a fifth year to complete MWA's graduation requirements upon agreement with the student, if the student is 18 years of age or older, or, if the student is under 18 years of age, upon agreement with the educational rights holder for the student.

Acceptance of Course Work: MWA will accept any coursework satisfactorily completed at any public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency by a Foster and Mobile Youth.

MWA will provide Foster and Mobile Youth credit for the partial completion of courses taken while attending a public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency. If the student did not complete the entire course, MWA shall not require the student to retake the portion of the course the student completed unless MWA, in consultation with the holder of educational rights for the student, finds that the student is reasonably able to complete the requirements in time to graduate from high school. When partial credit is awarded in a particular course, the Foster and Mobile Youth shall be enrolled in the same or equivalent course, if applicable, so that the student may continue and complete the entire course. These students shall not be prevented from taking or retaking a course to meet California State University or the University of California admission eligibility requirements.

Student Records: When MWA receives a transfer request and/or student records request for the educational information and records of a foster youth from a new local educational agency ("LEA"), MWA shall provide these student records within two (2) business days. MWA shall compile the complete educational record of the student, including but not limited to a determination of seat time, full or partial credits earned, current classes and grades, immunization and other records, and, if applicable, a copy of the student's special education records including assessments, IEPs, and/or 504 plans. All requests for student records will be shared with the Foster and Mobile Youth Liaison, who shall be aware of the specific educational record keeping needs of Foster and Mobile Youth.

MWA shall not lower a foster youth's grades as a result of the student's absence due to a verified court appearance, related court ordered activity, or a change the placement of the student made by a county or placing agency. If a foster youth is absent from school due to a decision to change the placement of the student made by a county or placing agency, the grades and credits of the student will be calculated as of the date the student left MWA.

In accordance with MWA's Directory Information, FERPA, and Student Records Policy, under limited circumstances, MWA may disclose student records or personally identifiable information contained in those records to certain requesting parties including but not limited to a foster family agency and state and local authorities within a juvenile justice system, without parental consent.

Discipline Determinations: If MWA intends to extend the suspension of any foster/ youth pending a recommendation for expulsion, MWA will invite the student's attorney and an appropriate representative from the relevant county agency to participate in the meeting at which the extension of the suspension will be discussed.

If MWA intends to suspend for more than ten (10) consecutive school days or expel a student with a disability who is also a foster youth due to an act for which the recommendation for expulsion is discretionary, MWA will invite the student's attorney and an appropriate representative from the relevant county agency to participate in the Manifestation Determination Review meeting.

Complaints of Noncompliance: A complaint of noncompliance with any of the requirements outlined above may be filed through MWA's Uniform Complaint Procedures . A copy of the Uniform Complaint Policy and Procedures is available upon request at the main office.

Availability of Complete Policy: For any Foster and Mobile Youth who enrolls at MWA, a copy of MWA's complete foster youth policy shall be provided at the time of enrollment. A copy of the complete Policy is available upon request at the main office.
