II. Standing Reports

A. Mission Connection: Community

The board watched a video highlighting community building activities from this year.

B. ASB Update

ASB Members provided an update on their successes, including items related to the spring dance and the 100th day of school. As a challenge, they noted difficulties presented by APEX courses, the desire for more trauma-informed training and issues with visitors at sports games.

Board members and leaders commended students' ability to talk on difficult subjects and encouraged students to bring issues to Dr. Jackson, other administrators and their advisors as well so that their concerns can be addressed directly. They also asked questions about student safety at student sports games and experiences with APEX courses.

C. Deep Dive: Strategic Planning Pre-Work

MWEF CEO Patrick O'Donnell and MWA CEO Alton Nelson shared on pre-work that has been done to align MWA's strategic plan with long term goals related to student success in life. This includes placing more emphasis on economic mobility for MWA graduates, rather than merely the attainment of a bachelor's degree.

In discussion, ensuring that we are mapping student skills and interests to career pathways was noted as an important part of this process.

The board has agreed that progress towards economic mobility is in alignment with their priorities and was enthusiastic about the direction.

D. Q&A on Written School Report

Board members had questions and comments about the written report related to the percentage of students failing multiple classes, math data provided by Instructional Partners, and the details of the deans' strategies. A discrepancy between graduation rate

numbers in this report and the LCAP Mid-Year Update was noted; Ms. Martinez clarified the different measures.

E. Q&A on Chief Executive Officer Report (CEO)

Board members had questions and comments about the CEO's report related to hiring and also praised the recent guidance for supporting undocumented students and families.

F. Q&A on Chief Operating Officer Report (COO)

Board members had questions and comments about the COO's report related to changes in how recruiting is going this year, noting that the number of out-of-state credential applicants has increased.

G. Q&A on Written Finance Report

Board members asked that the Finance Report and COO sync up hiring and vacancy data in the future for better clarity.

H. Break

No break was taken.

III. Non-Action Items

A. Board Work and Advisory Committee Updates

Boar president advised that the student board member application process is underway. Enrique Romero will partner to move the selection process forward.

Board president noted that the CIRAC and WASC committees have been combined. Board member Esther Hugo ensured that the board recalls the school's WASC goals and reviewed items that were discussed in the Fall CIRAC/WASC committee meeting.

B. LCAP Mid-Year Update

Board members had questions and comments about the LCAP Mid-Year Update on support for English Learners and parent engagement.

The board noted that the graduation rate metric in the LCAP Mid-Year Update was not in alignment with what was shared in the school report. This discrepancy is related to 5-year students and the language will be clarified so that there is no confusion.

The board was pleased by the progress to goals and appreciated the evidence documents supplied at the end of the LCAP
