A. Record Attendance			1 m
B. Call the Meeting to Order			
C. Approve Minutes	Approve Minutes	Eric Grunden	5 m
D. Review of Public Comment	Discuss	Ethan Burton	15 m

Board Chair asked EEC to discuss an bring back recommendations for the following public comment from the February Board Meeting:

Does Exploris have any ability to expand opportunities for academically gifted kids? I love Exploris for so many reasons but it sometimes feels like academics take a back seat to all the community partnership opportunities (which are all great as well). It would be so nice to have some opportunities like Battle of the Books, Science Olympiad or Math Olympiad...and other extracurricular activities geared toward academically high-performing kids.

	Purpose	Presenter	Time
E. Review of Winter Benchmark Data in Reading and Math	Discuss	Ethan Burton	20 m

I've attached the data tables from proficiency data on the K-8 Winter Benchmark Assessments.

Spring Benchmark Window is April 15- May 21. (Longer window due to K-2 mClass testing needing to be closer to final 10 days of school.)
