Provide and install Bogen Nyquist E7000 Series Intercom System at both existing Exploris School Sites. NCS has designed this system to be migrated to the new school site and allow most of the components to be reused.

29 Locations will receive SIP wall phones

2 Reception areas will receive SIP Administrative Phones
Each Site will receive a SFF Appliance Server for running the application (new school will only require one)
All phone locations will receive new Cat6 Cable and Raceway
Network Cables will be terminated in existing IDF's
New speaker wiring and speakers will be installed at all classroom locations, hallways, common areas and exterior locations.
