II. ED's Report

A. Staffing and Administration Structure

Summer explained the justification for the changes and additions, as developed by her meetings with the Kaizen team. She explained that these proposed additions were based on an expressed need for greater administrative presence, more support for student mental health, and other special needs.

Bob asked about where the duties around the new facility project would fall. Summer replied that that would fall on the ED, as it is now. Kelly asked if the Curriculum and Instruction and Director of Operations positions were "absorbed" by the two Associate Directors, and Summer replied that they would be.

Summer stated that she was asking the board for approval for these changes. James clarified that this was a lot of information newly presented to digest and that he also felt that it would be reasonable to wait to make this decision. Tom echoed this sentiment. Remi commented that she felt it was rushed, as well.

To give the board more time, we agreed to make a motion on only the following:

Additions:

- Third EC teacher
- Guidance/ Student Support Specialist

- Part time ESL teacher

Changes:

- Jamie requesting 1-year sabbatical
