Bob updated the group on news from SFLA: due to permitting issues we are 6 months - 1 year behind schedule. We are now looking at August 2019 for the whole school to be ready.

The Board asked Ellie to communicate with Kim about how to message the change to the community.

## **VI. Closing Items**

### **A. Adjourn Meeting**

CLOSING ITEMS:

- Ellie updated the group about an opportunity that teachers were trying to take advantage of to partner with a global learning group called Edu-Mission. However, the group has realized that the timeline is just not realistic. We hope to use the work we've done so far help us create a promotional video or to create educational tools so we can share the "Exploris-Way" with other schools. This is an on-going project.
- James offered thanks and a board-led gift to Summer from the Exploris community. Community messages of thanks were given with the gift.

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 6:12 PM.

Respectfully Submitted,  
J. Gerdts
