II. Education Excellence

A. Review of Weighted Lottery Policy

Keely reviewed current policy.

In October 2015, the board voted to add to Strategic Plan Goal 1.4 [1.2] that by 2021, the student population of The Exploris School community will reflect the demographic composition, racial and socioeconomic, of the general population of Wake County. Further, we voted to adopt the proposed Lottery Policy to include weighted lottery with the following targets:

- Year 1 (16-17) is 8%
- Year 2 (17-18) is 10%
- Year 3 (18-19) is 15%
- Year 4 (19-20) is 20%
- Year 5 (20-21) is 25%

to reflect total student enrollment) for economically disadvantaged students and to seek State Board approval for the new Lottery Policy.

These percentages in the policy would equate to the total population of students in the school meeting the “Economically Disadvantaged” criteria. The current school rate is 8% with more data to collect. As a result, there would not likely be a “Weighted Lottery” for enrollment in 2016-2017. There is still work to be done in regards to planning and fiscal resources to support goal 1.4 of the strategic plan.

She also announced that Diversity Subcommittee would be offering a presentation in January Board Meeting to educate the board on our process and rationales. At that time we will take questions and concerns back to committee.

B. Update on EEC and Diversity Subcommittee Plans

Keely made the following recommendation: that a stand-alone ad hoc committee be created (ED Support and Evaluation). Further, she suggested that a revised process be implemented for Spring.

Tom, Kim and Jessica all volunteered. Tom and Ellie agreed that 5/1 would be a reasonable end date to complete the ED evaluation.

III. ED Report

A. Personnel

K. Byars-Nichols made a motion to accept Ellie's recommendation to hire Lauren Connelly and move Chris Blacker from .75 to full-time.

K. Furr seconded the motion.

The board **VOTED** unanimously to approve the motion.

B. Organization Update (Academics, Operations and Finances)

Ellie outlined data on student growth (see attached) and steps the team in making to ensure student success.

She also updated us on safety protocols, recent DPI conversations and requests, and the capital campaign.

Ellie also presented several findings that required an amendment to the 2018-2019 budget. Tom moved to accept these changes and they were unanimously accepted.

IV. Governance Committee

A. Recommendations of policy changes

B. Kingery made a motion to accept minor revisions to 1) tuition and fees and 2) lease agreement policies.

T. Miller seconded the motion.

The board **VOTED** unanimously to approve the motion.

T. Miller made a motion to approve HOS/ED goals as attached for the 2017-2018 school year.

K. Furr seconded the motion.

The board **VOTED** unanimously to approve the motion.
