- Sean Riley
  - Owned his own construction company for nearly 30 years and has been in the construction industry for 40 years.
  - He comes to us through a connection with an existing Exploris family.
  - Is excited to help Exploris further its goal of finding a new K-8 facility.
  - Something you wouldn't know from his resume: He's one of nine children in his family.
- Dr. Valencia Hicks-Harris was welcomed to the Board and is currently traveling abroad.
- Steven gave remarks about some of the challenges that Public Charter Schools face. He also gave a brief history of the Facilities Project. While the project is not moving as quickly as any of us would like, we remain steadfast in making progress.

## II. Committee Reports

### A. Governance

- The Governance Committee meets every other month.
- Deb presented the new Board Meeting schedule for the 2025-26 school year.

W. McLamb made a motion to approve the Board Meeting schedule for 2025-26.

S. Riley seconded the motion.

- Susan would like a note about Committee meetings added to the Board schedule document. Deb added the line immediately.

The board **VOTED** unanimously to approve the motion.

  - Board Members must attend 80% of meetings annually (8 out of 10, typically).

  - Steven remarked about the importance of the onboarding process for new Board Members.
  - Susan mentioned that it is important for each Board Member to lead a Committee.
  - Deb highlighted our ongoing need for a Legal expert on the Board. Susan highlighted that the Governance Committee could benefit from this as well.
- Stacey brought up that many people would not be able to join the Board if they must join the meetings in person. Susan reiterated her view that the leadership of the school would benefit from everyone being in person.

- Susan asked that the Parent-Teacher Organization (PTO) understand its vital role in school leadership.

## **B. Finance**

- Koren presented the monthly financial reports. Reports were reviewed asynchronously by the Finance Committee this month.
- The next project of the Committee is this year's budget revision, followed by the drafting of the 2025-26 Budget.
- Steven asked Koren to share about our financial systems, especially our partnership with Charter Success Partners. Koren works with the folks at CSP daily to operate all of the financial systems, including Accounts Payable, Payroll, Budget tracking, Taxes, and Audit preparation.
- Susan asked about the Foundation's accounting. Koren explained that CSP does not handle the accounting of the Foundation (which is done by Morgan Morrow).
  - Susan asked a clarifying question about the funding of things like Field Experiences. The school operates the funding of these, with some support from the Foundation in the form of grants.
  - Susan and Koren (and others) will set a meeting to further detail the financial operations of both the School and the Foundation.
  - Susan asked for the Annual Report. Koren assured that this is being worked on.

## **C. Educational Excellence**

- The Educational Excellence Committee was not able to meet this month because of other commitments (including Ethan traveling to Japan with our annual delegation to Shinonome Junior High School!).

## **D. Diversity, Equity, and Inclusion**

- Deb presented a framework for DEI work that she discovered at a recent School Leadership conference. This framework will likely help the DEI Committee frame its ongoing work.

## **E. Director Evaluation & Support**

- Steven outlined plans to further the work of the Director Evaluation and Support Committee.

## **F. Facilities**

    - School Improvement Plan team
    - Surveys and Data team

## **III. The Exploris Foundation**

### **A. Foundation Update**

- Susan has been spending time understanding the structure and dynamics of the school.
- In the last hour-long meeting, 45 minutes were spent discussing the Fun Run. While important, Foundation meetings should be focused on broader issues. She outlined issues that need to be the focus of the Foundation.
