C. Sheehan-Mathis made a motion to approve the proposed annual budget for CNS for SY 2024-2025.

B. Boone seconded the motion.

S. Kies presented the annual budget for Candeo North Scottsdale, based on 90 ADM. We currently have 130 ADM, so the budget is conservative. Net surplus combined will be approximately \$230k, including the NS shortfall.

D. Tomlinson commended the current team for progress made, cost control, etc. D. Tomlinson asked about the 90 number and if it is accurate. S. Musser responded it is most likely accurate, it could be that or a little higher. Outside revenue sources are also contemplated and pursued which are reflected in the budget.

S. Kies explained further the net cash loss at NS.

C. Sheehan asked if average salaries included bonuses. S. Kies responded it is base salary, not including stipends, bonuses, etc., and most will be higher.

S. Musser asked about the total compensation package provided to employees. S. Kies explained that those include all benefits and other expenses paid on the employees'

behalf. That information can be presented at the next Board meeting. S. Kies estimated that average salary would be closer to \$70k including those items.
