II. Compensation Committee

A. Review Compensation Recommendations

Mr. Hipwood reviewed highlights of MassVentures' results for fiscal 2025 and provided an overview of the compensation structure for MassVentures' employees over time. He presented recommendations related to variable compensation and profit sharing for fiscal year 2025 and compensation goals and structure for fiscal year 2026, in each case as provided to the Committee prior to the meeting. For fiscal 2026 Mr. Hipwood proposed increasing base salary by 3%, replacing the incentive compensation element with profit sharing based on realized gains from MassVentures' traditional investment funds and an increase in SEP IRA contributions from 20% to 25%. The FY 2026 recommendation also includes a promotion for Whitney Leslie to Vice President and a commensurate base salary increase.

B. CEO Employment Agreement

Mr. Hipwood separately noted that his current employment contract with MassVentures will expire on June 30, 2026. He requested that the Committee consider recommending an extension of the contract beyond the stated expiration date.

After responding to questions from the members of the Committee, Mr. Hipwood and Mr. Madison were excused from the meeting. Discussion by the members of the Committee ensued.

C. Vote on Compensation Recommendations

W. Asher made a motion to Approve the compensation recommendations as presented for fiscal year 2025, including variable compensation and profit sharing; and for fiscal 2026, 3% base salary increases, profit sharing and a 5%-point increase in SEP IRA. It was the consensus of the Committee that the determination of profit sharing recommended for fiscal 2025 (that is, an aggregate of 20% of realized investment gains in the traditional fund allocated pro rata among employees based on tenure with MassVentures) was fair and reasonable and consistent with an organizational culture of “we are all in this together”; and that for fiscal year 2026, the profit sharing formulation should be determined by the Compensation Committee and Board of Directors at a later date.

R. Jarquin seconded the motion.

The committee **VOTED** to approve the motion.

The members of the Committee acknowledged that the decision to extend Mr. Hipwood’s employment contract will be made by the Board of Directors with input from the incoming Secretary of Economic Development.

R. Jarquin seconded the motion.

The committee **VOTED** to approve the motion.
