## **II. OLD BUSINESS**

### **A. CSE Teacher/Staff Merit Pay Proposal**

The Board discussed the Teacher Merit Pay Proposal. The CSS budget includes a line item for merit pay and there is \$10,000 available for merit pay after a total of \$15,000 was awarded to teachers at the end of the fall semester.

Board members considered offering one-time merit pay to teachers whose end of the year evaluation rating is effective or highly effective. It was suggested that teachers from 2016-2017 academic year who are still employed by CSS on August 31, 2017 receive a bonus up to \$750 in September 2017.

The board discussed paying a \$125 leadership stipend to teachers who plan and facilitate Family Nights and awarding an extra \$50 to the teachers who facilitate the Family Night with the most attendees.

Board members discussed the possibility of creating a paid position for the teacher leader of the robotics club and competition team. The pay for this position would be \$1,000.

Due to the need to consider budget and funding to determine merit pay, Mr. Albano asked board members to discuss the 2017-2018 staffing plan and how CSS will be funded. Mrs. Bruns reminded the board of various funding factors which must be taken into consideration. Cold Spring School needs a social worker, and this salary must be picked up by CSS in 2017-2018. A literacy coach position is necessary, and it will be paid through Title I funds. The board must determine what funding is available to pay a licensed media specialist, a position which must be created and posted.

Current funding through Student Based Allocation (SBA) is \$6, 971 per student. There will be a base allocation next year supplemented by various amounts according to the numbers of students in grades K-2, students living at poverty level, and students in grades 7 and pre-K. CSS does not currently offer pre-K or grade 7. CSS enrollment of Free and Reduced Lunch students has decreased and is not about 65% which results in lower additional funds for this category.

The CSS budget is based on 290 students. Average Daily Membership (ADM) for January 2017 was 312 students.

The projected Title I funding for reading for 2017-2018 is \$142,400. The official amount will not be know until May or June 2017. The projected Title II funding for professional development will be the same as 2016-2017. The projected Title III funding for professional development will be the same as 2016-2017.

The board will need to consider health insurance rates at the end of May or June. August 1 is the renewal date for CSS.

Another factor to consider is that CSS pays 10.5% into the Teacher Retirement Fund.

After discussion of staff merit pay for 2016-2017 and 2017-2018, staff planning, and budget for 2017-2018, the Board recommended that a proposal from the administrative team be presented at the March 8, 2017 board meeting. A motion was made to recommend that the administrative team prepare the budget proposal. The motion was seconded and it passed with 5 ayes and no nays.

At 5:59pm, Mr. Steve Downing excused himself from the meeting.

At 5:59pm, Mr. Albano, as Board Chair, adjourned the meeting due to the loss of a quorum.
