B. Chief Operating Officer Report

Mrs. Bruns gave the Chief Operating Officer Report to the board.

- Walton Grant Update- the Walton Grant was submitted. The budget items listed in the grant include the following: Technology Upgrade, Instructional Leadership Initiatives, Outdoor Learning Classroom/Structures, Saturday Stars, MakerSpace.
- Innovation School Fellowship Update- Full application was submitted for our PreK, 7th and 8th grade expansion. Mr. Hakim and Carrie attended the interview and should know in a couple of weeks whether or not we have been granted the fellowship
- SBA- CSS follows the districts SBA guidelines and process per our innovation contract. The SBA formula is set by IPS and can change each year. For the 2018-2019 school year the allocation that CSS is set to receive is \$299,165 less, due to projected changes in the SBA formula. Part of the funding formula provides a transitional adjustment for Cold Spring of \$407,011 in transitional dollars we are set to receive will not come through. Brian and I had a call with members of the IPS finance team in January and I had a follow up meeting with them at the beginning February. We have concerns over our ability to long term plan financially when the district is inconsistent financially from year to year.
- Innovation Network Teacher Leadership Advisory- Select classroom teachers at Innovation schools will be nominated by administrative teams and chosen to reflect on teachers leadership culture and climate in their school through focus groups

storytelling and data. The teachers will use their collective narrative to advocate for continued innovation opportunities to key stakeholders. We are currently in the process of nominating staff for this opportunity.

- Strategic Planning Opportunity with Evan Rudal- The Mind Trust has offered us an opportunity to work with Evan Rudall (well known consultant and founder of Uncommon schools). Survey staff, talk with administrators, survey families and students; find out where our priorities of focus should be-not all academic.
- Visit from Secretary of Education- Cold Spring was visited by the US Secretary of Education. She was in town filming a segment on Innovation school, wanted to visit one and came to Cold Spring. She was able to visit 2 classrooms and hold a roundtable discussion with about 9 staff members.
