B.

Employee Retention Credit

Employee Retention Credit (ERC) benefits are being explored by C. Stipes, JR Renbarger and B. Anderson.

C. Stipes presented:

Donovan (audit company) and B. Anderson helped direct us to Greg from Align Group in seeking our ERC. C. Stipes has met with them twice.

Three Qualifications to Qualify for the ERC:

1. Mandates and Orders from the Government
2. Complied with mandates
3. Greater than nominal impact (greater than 10%)

We were only be charged if we go through the process, qualify, AND receive a credit from the IRS. Align Group backs their research--if we are audited in the next three years, they will assist in the audit to protect our interests.

JR Renbarger is going to explore if we are obligated to take the funds if Align Group finds that we qualify.

C. Stipes stated that CSS has a fiduciary responsibility to explore the options of receiving the credit.

JR Renbarger asked if other innovation schools have qualified. B. Anderson stated that some schools have and others have not.

N. Torres asked if there would be restrictions on the credits. B. Anderson stated that this is money we have already spent so this would be a tax credit and therefore does not have stipulations on spending.

Deadline is in April.

K. Castro made a motion to approve the pursuit and if qualified the acceptance of the ERC credit.

B. Tran seconded the motion.

The board **VOTED** unanimously to approve the motion.
