**EDUCATOR EFFECTIVENESS BLOCK GRANT 2021
EXPENDITURE PLAN**

LEA Name:	Contact Name:	Email Address:	Phone Number:
Camino Nuevo Charter Academy	Juliana Santos	Juliana.santos@caminonuevo.org	213-413-4245

Total amount of funds received by the LEA:	Date of Public Meeting prior to adoption:	Date of adoption at public meeting:
\$134,681	11/9/2021	12/16/2021

Describe how the LEA is coordinating Title II funds with the expenditure of Educator Effectiveness Block Grant funds to support teachers and administrators.

Title II funds are currently allocated toward PD for Tier 1 literacy instruction, through a partnership with the Achievement Network (ANet). Our plans for expenditure of the Educator Effectiveness Block Grant (EEBG) funds complement but do not supplant these plans. The EEBG funds will be spent on:

- Staff professional development from the Teaching Well, aimed at retaining teachers and promoting teacher self-awareness, self-management, social awareness, and relationships throughout the instructional day (including during Tier 1 literacy instruction)
- An Ethnic Studies Coordinator Teacher on Special Assignment to provide coaching and PD related to Ethnic Studies, as well as effective, standards-aligned instruction in history-social science with embedded literacy strategies
- An Intervention Coordinator Teacher on Special Assignment to provide coaching and PD for Tier 2 academic intervention staff, including practices and strategies that reengage pupils and lead to accelerated learning

Describe how the LEA allowed schoolsite and content staff to identify the topic or topics of professional learning.

Professional learning from the Teaching Well, as well as the Ethnic Studies TOSA have been identified as core elements of our professional development plan as a direct result of school site feedback. We collect feedback at the end of each weekly PD session, as well as via a biannual staff survey. In both of these formats, staff members have celebrated and asked for more PD from the Teaching Well and related to Ethnic Studies.

PD for our intervention staff is new because our intervention program is a new program, funded by ESSER. Now that our programs are staffed and students' diagnostic data has been collected, Content Directors at the LEA's central office have identified PD as a need to ensure aligned implementation of research-based best practice.

(1) Coaching and mentoring of staff serving in an instructional setting and beginning teacher or administrator induction, including, but not limited to, coaching and mentoring solutions that address a local need for teachers that can serve all pupil populations with a focus on retaining teachers, and offering structured feedback and coaching systems organized around social-emotional learning, including, but not limited to, promoting teacher self-awareness, self-management, social awareness, relationships, and responsible decision-making skills, improving teacher attitudes and beliefs about one's self and others, and supporting learning communities for educators to engage in a meaningful classroom teaching experience.

EXPENDITURE PLAN**

Total amount of funds received by the LEA:	Date of Public Meeting prior to adoption:	Date of adoption at public meeting:
\$88,394.00	11/9/2021	12/16/2021

Describe how the LEA is coordinating Title II funds with the expenditure of Educator Effectiveness Block Grant funds to support teachers and administrators.

Title II funds are currently allocated toward PD for Tier 1 literacy instruction, through a partnership with the Achievement Network (ANet). Our plans for expenditure of the Educator Effectiveness Block Grant (EEBG) funds complement but do not supplant these plans. The EEBG funds will be spent on:

- An Ethnic Studies Coordinator Teacher on Special Assignment to provide coaching and PD related to Ethnic Studies, as well as effective, standards-aligned instruction in history-social science with embedded literacy strategies
- An Intervention Coordinator Teacher on Special Assignment to provide coaching and PD for Tier 2 academic intervention staff, including practices and strategies that reengage pupils and lead to accelerated learning

Describe how the LEA allowed schoolsite and content staff to identify the topic or topics of professional learning.

Professional learning related to Ethnic Studies is one of the core elements of our professional development plan as a direct result of school site feedback. We collect feedback at the end of each weekly PD session, as well as via a biannual staff survey. In both of these formats, staff members have celebrated and asked for more PD related to Ethnic Studies.

PD for our intervention staff is new because our intervention program is a new program, funded by ESSER. Now that our programs are staffed and students' diagnostic data has been collected, Content Directors at the LEA's central office have identified PD as a need to ensure aligned implementation of research-based best practice.

(1) Coaching and mentoring of staff serving in an instructional setting and beginning teacher or administrator induction, including, but not limited to, coaching and mentoring solutions that address a local need for teachers that can serve all pupil populations with a focus on retaining teachers, and offering structured feedback and coaching systems organized around social-emotional learning, including, but not limited to, promoting teacher self-awareness, self-management, social awareness, relationships, and responsible decision-making skills, improving teacher attitudes and beliefs about one's self and others, and supporting learning communities for educators to engage in a meaningful classroom teaching experience.
