

I just found out! Now What? – 6-12th Leader Guide

	Close Contact¹ INT: onsite occurrence EXT: offsite occurrence	Symptomatic Student²	COVID Positive Student
Immediate Actions 	Isolate Student Call Guardian for pick-up	Isolate Student Call Guardian for pick-up Administer COVID-19 test	Isolate Student Call Guardian for pick-up Investigate any Close Contacts Relocate Classroom for Disinfection
Notification 	INT: Send “Close Contact” letter with quarantine instructions EXT: None	None	Send “Positive Case” letter with isolation instructions Request Deep Clean from Custodian
Sanitation 	Routine Site Cleaning and Sanitation	Routine Site Cleaning and Sanitation	Enhanced Classroom Cleaning and Disinfecting Measures
Re-Entry Prerequisites 	10 days of Quarantine + Negative COVID-19 test ³	Negative COVID-19 test + Symptom Improvement	10 days of isolation + Fever free for 24 hours ⁴ + Symptom Improvement
Instructional Continuity 	Enroll in internal Independent Study program ⁵	Excused absence, per student wellness policy	Enroll in internal Independent Study program

¹ Close contact is defined as someone who was within 6 feet for a total of 15 minutes or more within 2 days prior to illness onset.

² Common Symptoms of COVID-19 in Children: Fever or chills; Stomachache; Tiredness; Headache; Cough; Poor appetite; Muscle or body aches; Nasal congestion or runny nose; New loss of taste or smell; Shortness of breath or difficulty breathing; Diarrhea or vomiting

³ CDC guidance provides that people who are fully vaccinated and do not have COVID-19 symptoms, do not need to quarantine nor get tested after an exposure to someone with COVID-19. This exception does not apply to those in the same household.

⁴ Fever free for 24 hours without the use of any fever reduction medication

⁵ CNCA’s internal Independent Study (“IS”) program includes asynchronous assignments and a regular synchronous check-in throughout the quarantine or isolation period.
