By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

About Our School

Hello Jaguar Families and Prospective Jaguar Families,

At Castellanos and Eisner CNCA #3, our mission is to educate students in a college preparatory program to be literate, critical thinkers, and independent problem solvers who are agents of social justice with sensitivity toward the world around them. We serve our students as one school, located on two campuses. Castellanos is where our Tk-5 grade students learn and grow, while Eisner is where our 6-8 grade students prepare to take-off for high school, college, and beyond. Our dual-language instructional program enables us to equitably serve all our students, while our vertically aligned, standards-based curriculum creates a pathway for all students to access and succeed with grade-level content. At the root of our approach is social-emotional learning supports and Ethnic Studies pillars that guide our decisions for both what and how we teach.

We are committed to demonstrating CARE for our entire school community, with Comunidad (Community), Alegria (Joy), Respeto (Respect), and Equidad (Equity) serving as core values of our approach. We are excited to continue to grow our instructional program as one school serving all of our students across TK-8.

Thank you,
Jay Laughlin, Principal

School Description and Mission Statement (School Year 2021—2022)

Camino Nuevo Elementary School #3 is comprised of two campuses, our Jose A. Castellanos campus serving grades TK-5, and our Jane B. Eisner campus which serves grades 6-8. As a school community, we are committed to educating students in a college preparatory program to be literate, critical thinkers, and independent problem solvers who are agents of social justice with sensitivity toward the world around them. Our K-8 scholars benefit from a rigorous academic program and an inclusive community where each individual learner is a valued and celebrated member of our community. Our school is distinguished by our dual language Spanish-English program designed to support students in becoming bilingual and biliterate.

This dual-language program has been a hallmark of our Castellanos campus for several years, and we will be expanding our dual language program offerings to the Eisner campus in the coming years. We are committed to building on the cultural capital and social experiences that each scholar brings to our school. We strive daily to embody the Camino Nuevo anchor values of Joy, Excellence, Equity, Innovation, and Community as we prepare our students for college and beyond, beginning from their very first day of school until they promote on to high school. Families are our most important partners in the work that we do, and we invite them into the learning and events of the school with regular opportunities for families to participate in the school community. We are honored to continue to have the opportunity to serve the families and students in our community.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Preparation and Placement (School Year 2020—2021)

Total Teaching Positions						

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

School Facility is in good repair, all critical systems and infrastructure are maintained and repaired on an on-going basis. Most work is outsourced and performed by specialized vendors. PM is performed on HVAC including quarterly filter changes and monthly PM service, PM is performed on gates and doors, PM is performed on alarm systems. Also electrical and plumbing undergo frequent checks and repairs as needed.

Some repairs have occurred due to normal operations such as roof leaks, painting and window resealing. Pest control using IPM are performed monthly. Cleaning and disinfecting are performed by an outsourced janitorial vendor.

School Facility Good Repair Status

Using the most recently collected Facility Inspection Tool (FIT) data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: December 2021

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	No known issues.
Interior: Interior Surfaces	Good	No known issues, all in good repair.
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation	Good	No known issues, pest control performed with IPM practices monthly. Kitchen area has extra treatment for roaches to ensure no issues. Cleaning performed by both custodians and outsourced janitorial weekly M-F and as needed. Cleaning and disinfecting are a priority and additional staff was added.
Electrical: Electrical	Good	Minor electrical repair issues, two electrical outlets and lighting in two classrooms that were repaired in a timely manner. No other issues.
Restrooms/Fountains: Restrooms, Sinks/Fountains	Good	Restrooms, sinks and fountains in good repair. Minor repairs and maintenance have been performed.
Safety: Fire Safety, Hazardous Materials	Good	No known issues. Hallways and stairwell are kept clear for fire egress. Fire systems and inspections have been performed and passed.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

- **SARC Reporting in the 2020–2021 School Year Only**

Where the most viable option, LEAs were required to administer the statewide summative assessments for ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

- **Options:** Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: The 2019–2020 data cells with N/A values indicate that the 2019–2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019–2020 school year.

Note: The 2020–2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020–2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020–2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020–2021 school year to other school years.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2021-2022)

At Camino Nuevo, we value the strengths and gifts that diverse families contribute, and believe that learning must be relevant and contextual. Our Families as Partners program engages the whole family in the learning process in order to support our students' social, emotional, and intellectual development. Our goal is to create the strongest possible partnership between home and school in order to increase student achievement and success. We strongly believe that students will find greater levels of academic success when their home and school share similar values about learning, develop a positive relationship and work together to build a strong partnership. To ensure the development of authentic and productive relationships, Camino Nuevo offers a variety of opportunities for families to be involved both in the classroom, at the school level and provide input to school leaders. We further demonstrate our commitment to forging genuine partnerships with all families by offering high-quality family services, including a comprehensive family workshop program and case management for families in need.

- Each school site has several leadership committees that families can join. One of them is the English Learner Advisory Committee (ELAC): Each campus with 21 or more English learners' students has this committee. The committee is responsible for advising the principal and staff on programs and services for English learners. In addition, ELAC assists the school in the development of the school's needs assessment, and brainstorm ways to make families/guardians aware of the importance of regular school attendance. The Site Based Council (SBC) or the School Site Council (SSC) serves as an advisory council to the school site principals. The committee is responsible for reviewing policies and the LCAP goals (i.e. School Safety Plan, share resources available to support students & families, the Parent Involvement Policy, Spring and Winter Consolidated Applications, LCAP goals and the Retention and Culmination policy).
- Annual School Satisfaction Survey: Every year during the winter, parents received a survey to share comments, suggestions and concerns about the school. Parents can share the areas of the school they feel happiest about, areas that need improvement and suggestions to improve school-home communication. The survey is divided in different sections: college readiness, family engagement, family support, learning behaviors, school climate, school fit and technology/communication. Results from the survey are shared with school leaders, parents, teachers and the Home Support Office. Data from the survey informs school decisions, helps shape the Family as Partners Program and determines goals for the school year.
- Capacity Building/Family Workshops: Various family workshops and school special events and activities are held during the school year. Family Services Coordinators and/or school leaders facilitate parent workshops to explain parents how to read and understand SBAC reports. During spring, they also host parent workshops to explain the school's expectations about SBAC. The workshop includes helpful tips on what parents can do to support and prep their children at home for testing. Child's academic progress is monitored during parent-teacher conferences held in October, January and April and report cards are distributed at this time. Schools host parent workshops twice a year on how to have successful parent conferences. Parents not only receive sample questions to trigger conversations with teachers but they also receive information on how to prepare for conferences and how-to follow-up with teachers afterwards. In addition, during the school year, parents are encouraged to reach out to teachers if any questions arise regarding their child's academic achievement. Translators are scheduled beforehand for those teachers who do not speak Spanish.
- Parent and Family Engagement Policy - The Parent and Family Engagement Policy is reviewed and updated every year during an SBC meeting. Principals gather feedback from parents and other members, and make edits accordingly. The final version is available in English and Spanish from Family Services Coordinators and at the main office. The Families as Partners section on the

annual Family Handbook of our K-12th and preschool program have been aligned to provide continuity and alignment between both programs. CNCA has developed a written Title I parental involvement policy with input from Title I parents and Site Base Councils. Each year, CNCA also collects feedback from parents to inform any revisions to the policy that may be necessary. CNCA distributes the policy to parents of Title I students. It is distributed at the beginning of the school year and is available online via the CNCA website.

- **School-Parent Compact** – Describes the best possible ways to support families and increase student achievement. It was developed with input from parents to create the strongest possible partnership between home, school, and student in order to increase academic achievement and success. Parents/guardians are encouraged to complete 15 hours of volunteer service per family, per site. Attendance at workshops and school activities, completing city college classes, taking your student to the public library or by enrolling in other community-based education programs will count towards hours of volunteer service. These opportunities offer parents targeted training that empower and motivate them to seek personal and professional growth opportunities for themselves while advocating for a quality education and life for their students.
- **Professional Development/Staff Training** - As part of the onboarding process, all new staff attends a week of training which includes a session on our Families as Partners Program. New classified and certified staff learn about how to build trusting relationships with their families and how to link the learning in the classroom with learning at home. The session highlights how to better communicate and partner with families, as well as how to engage them as equal partners in the school community. In addition, the Family Services Coordinator hosts sessions during Professional Development week about how to engage families in the classroom and gather feedback to plan activities. The school has a full-time and bilingual Family Services Coordinator.
- **School Home Communication** - Schools communicate information to families in a culturally sensitive way via the school's website, Facebook and/or Parent Square. Schools also share information via traditional methods like a parent newsletter, robo-calls, etc. Family Coordinators have an open-door policy to assure parents feel comfortable reaching out when they need support for their children as well as referrals for any social or medical services. All communication to families is done in English and Spanish making sure that any difficult or complicated academic language is clearly explained in a culturally sensitive way. Translators are readily available during parent meetings including conferences and workshops to assure understanding and maximize communication.
- **Community Partnerships**: We leverage the expertise of our community partners like Promotoras Comunitarias, Breese Foundation and Central City Neighborhood Partners, to provide services and resources beyond academics.
- **Health & Wellness**: To serve the whole child and provide a continuum of care we also provide access to mental health services , case management, community referrals and parent support groups.
- **Community Building**: Each school offers opportunities to build community like parent meetings called Coffee with the Leadership Team, Open House, Math/Literacy Night and Back to School Nights, and a network-wide Book Club. This annual book club is a unique opportunity for parents to model reading at home, build community with other families as well as spending quality time with families from other school sites.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2018- 2019	School 2020- 2021	District 2018- 2019	District 2020- 2021	State 2018- 2019	State 2020- 2021
Suspensions	1.19%	0.00%	0.65%	0.00%	3.47%	0.20%
Expulsions	0.00%	0.00%	0.02%	0.00%	0.08%	0.00%

Note: Data collected during the 2020–21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Suspensions and Expulsions for School Year 2019—2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-2020	District 2019-2020	State 2019-2020
Suspensions	2.71%	0.44%	2.45%
Expulsions	0.00%	0.02%	0.05%

Note: The 2019–2020 suspensions and expulsions rate data are not comparable to other year data because the 2019–2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–2020 school year compared to other school years.
