

Camino Nuevo Charter Academy Board of Trustees Interest Form

Opportunity

Camino Nuevo Charter Academy (CNCA) is a network of charter public schools that provides a college preparatory education to students in the largely Latinx, immigrant neighborhoods of Greater MacArthur Park / Pico Union. The network's four TK-8 schools and high school enroll nearly 3,500 students. Camino Nuevo is grounded in the belief that education is a civil right and, therefore, all students deserve access to excellent public schools that prepare them for success in life. CNCA offers a student-centered, culturally-responsive program with strong wraparound services. As a result of this approach, nearly 100% of our students graduate from high school and over 90% go on to college.

Mission Camino Nuevo Charter Academy educates students in a college preparatory program to be literate, critical thinkers, and independent problem solvers who are agents of social justice with sensitivity toward the world around them.

Camino Nuevo Charter Academy is actively seeking as Board Members individuals with diverse skills, talents, perspectives, and backgrounds. We recognize that systemic inequities have affected our society and understand that it is critical that we include the perspectives and voices of the communities we serve. There are many different types of expertise that qualify one to serve on a non-profit board and while we welcome all interested applicants, we have the following priorities.

Recruitment Criteria Priorities for 2023:

- Individuals whose backgrounds reflect our city and the families we serve particularly bilingual, Latinx, POC, and Camino Nuevo alumni
- Knowledge of and/or business interest in the Greater MacArthur Park / Pico Union neighborhoods and/or similar underserved immigrant communities
- Commitment to the mission of Camino Nuevo
- Competency in law, communications, technology, accounting and/or finance
- Availability to participate meaningfully in the governance process (e.g., attend meetings, read pertinent information)
