CFO confirmed to group that Office of Public School Construction (OPSC) withholds the annual debt service payment via revenue intercept method where the state withholds the payment due from the school's state revenue payment.

CEO shared that a meeting with LAUSD to negotiate the Notice of Default amount is upcoming.

Goal is to vacate property by June 30, 2021, which reflects the last date of the CNHS charter and 2020-21 fiscal year.

CFO reported that inventory is being conducted to trace LAUSD contents and CNHS contents to prepare for move-out. The 2020-21 CNHS budget forecast is updated with costs specific to student case management and all other principal recommend programmatic needs for remainder of the year.

Action: As a result of board approved CNHS school closure, there is no need for a minimum year-end operating reserve of 5%. CFO recommended it is unnecessary to book the 3rd year of critical needs request funding of \$257,000 previously approved by the CNCA board. Finance committee chose to take formal action to recommend to CNCA board not to book the \$257,000 critical needs request loan.

C. Smet made a motion to Recommend to CNCA Board to not book the \$257,000 2020-21 critical needs request.
