As part of our safety requirements, all areas where children play during the day should be fenced. To accomplish this, we propose 1. adding a fence between the Elementary and Junior High with automated gates; 2. automating the gates on the south side of the Junior High; 3. automating the gates on the north side of the Elementary. We requested bids from the following companies: • Ace Fab and Welding • Rocky Mountain Fencing • All Fence Supply We only received a bid from AFW. We have used them before, and we have been happy with their work. Recommend Board approval of the AFW quote for fencing, items #2, #3, #4. Total: \$50,896 The FY27 budget was created considering this expense.
