B. Fencing	Vote	Debbie Deem	5 m

As part of our safety requirements, all areas where children play during the day should be fenced.

To accomplish this, we propose

1. adding a fence between the Elementary and Junior High with automated gates;
2. automating the gates on the south side of the Junior High;
3. automating the gates on the north side of the Elementary.

We requested bids from the following companies:

- Ace Fab and Welding
- Rocky Mountain Fencing
- All Fence Supply

We only received a bid from AFW. We have used them before, and we have been happy with their work.

Recommend Board approval of the AFW quote for fencing, items #2, #3, #4. Total: \$50,896

The FY27 budget was created considering this expense.

C. Additional 95% Phonics curricular materials	Vote	Stephanie Wright	5 m
D. Soccer Field Repair	Vote	Debbie Deem	5 m

The Soccer Field has been unusable for games, because it is not level.

It is proposed that we level the soccer field and re-seed it.

The plan is to do the work this fall, and close off the field until Spring to allow the seed to take root.

Earthworks with Hydroseed: \$24,850
