- 50% of the fiscal year has passed (noted at top of Budget Detail Report).
- Federal funds should be coming shortly.
- 300s are over budget percentages due to audit and legal fees.
- Property and Equipment expenses are predominantly in the beginning of the year, so the percentage is as expected.
- Most months have greater revenues than expenses.
- Operating Margin is at 4.9%; however, there is anticipated savings in the budget.
- % of Forecast is (FY17 Actuals)/(FY17 Forecast).
- Changes column reflects changes between FY17 Budget and FY17 Forecast.
- Spencer will keep track of comments and issues relating to budget that should be considered when establishing next years' budget.
- We will be giving returning bonuses in August rather than end-of-year bonuses in June.
- As recommended by our State food service audit, we have moved to an "offer" rather than a "serve" option for food service. This will reduce food waste and costs.
