III. CEO Support And Eval

A. CEO Report

- School Improvement Plan. Please review. School Improvement Plan was written with accreditation and compliance factors in mind. The entire plan will be reviewed annually by administration. The administration will review one goal each month.
- Elementary report was shared.
- DIBELS reports. We have hit our goal at MOY that we need to be at for EOY.
- Curriculum. 8th grade expeditionary cross-curricular model. Goal is to give students experiences they wouldn't have access to. Some traditional teachers are having difficulty embracing the concept. The program is being re-worked.
- Enrollment dropped slightly. We are working on pulling additional students.
- Calendar will be ready for vote at the March Board meeting.
- Re-enrollment is at 996 (sans kindergarten). First lottery pull was February 22. Email acceptance letters will be sent on February 24.
- Kindergarten will stay with the same model next year as this year: 5 sections. We are working to have lower grade levels drop closer to 110.
- USBE is implementing a kindergarten assessment system which includes a readiness assessment. Amie and Janet Scalise were included in the creation of that assessment.

S. Shupe arrived.

J. Rempfer arrived.

- Capacity. We have reached our limit of enrollment growth. Teachers are concerned about the class sizes in first and second grades.
- Accreditation. Amie has had a chance to visit other schools as part of their accreditation, which has been a great learning experience. We have all our information and data. The Board will meet with the accreditation team on March 27th from 3:30-4:00 pm. Please review the rubric and school improvement plan.
- Legislative watch: Assessment changes, high school grade configurations, tax increase for teacher salaries, school accountability, alumni sibling preference and kindergarten funding.
- Measuring student growth is done with SAGE, DIBELS, Benchmarks and CTT data collection meetings. We would like to find a formative testing system. Next year 9th grade will not have the SAGE test. 3rd through 8th will continue with a SAGE-like test.
- We are not anticipating a large impact from possible dissolution of US Department of Education.
- Amie is serving on a compliance committee to create a school evaluation rubric for early prediction of schools in trouble.

Josh Rempfer's Elementary Report

- Penney wars, raised money for charity.

- Literacy nights for each grade, very successful.
- Elementary Lighthouse team led by Kim Briggs is doing a great job.
- Parent Teacher Conferences were last week. Lower attendance at the Spring conferences.
- Child Assessment Team meetings are being held right now. Cut off for that is March 15th due to the 45 day window for assessing students recommended for Special Education testing. Outside contractors are brought in for evaluation as needed.
- Teryl is the representative for all the IEP meetings with few exceptions.
- 5/6 grades went to Nordic Valley to ski last week. Great experience for students.
- Upcoming events:
 - Science Fair next week, Monday and Tuesday, 8-11 am
 - YMCA family night, March 2
 - Spaghetti Dinner Fundraiser, March 3

Last Thursday, a Day without Immigrants.

Secondary Kitchen staff and 195 students did not come to school/work on Thursday.

Mrs. Hillan worked to run both kitchens.
