## **II. Finance**

### **A. Financial Discussion**

N. Neider arrived.

Monte Hardy reported on the financial state of the school.

We are currently at 83 days cash on hand.

FY17 should end about 70 days cash on hand. FY18 is projected to end at 89 days cash on hand.

Reviewed the forecast and budget.

S&P Rating review: Monte and Amie worked with the advocates for our review to ensure that they considered the budget plans. We were given a negative outlook rather than a down grade which is great news. We are sitting in a good position going forward. Monte anticipates a stable rating next year.

Monte recommends only moving \$200,000 to the PTIF now and moving more in January or February.

School inspection is required every 5 years. Red Apple facilitated the inspection. They did not recommend increasing the repair fund. There are numerous minor repairs to be made. We may need to drop below the 5% reserve to manage those repairs. Monte is

confident that we can meet our goals with the potential drop. The maintenance department will work on bids and plans for repairs, then the Board and Administration will discuss budgetary impacts.

#### **B. Funds transfer to PTIF**

N. Neider made a motion to Propose to transfer \$200,000 to the PTIF account.

L. D'Hulst seconded the motion.

The board **VOTED** unanimously to approve the motion.

### **III. State of the School**

#### **A. Back To School Report**

We need a new oven in the Secondary Kitchen. It is under \$5,000.

Back to School night went well with a good turnout.

Parking lot has been good.

Responsibility Based Discipline. Kasey and Teryl went to a training on Responsibility Based Discipline based on the book Roadmap to Responsibility. All staff members were given a book. We will be conducting book studies throughout the year. Presenters are coming on September 22 to train the entire staff.

Leader in Me. Kim Briggs is moving to Arkansas, so Sonnet VanPatten has taken on the lead role. Shane Pearson and Sonnet VanPatten has unified the two buildings in this program. Amie worked with creating the curriculum for the middle school, and our school is beta testing the curriculum.

AVID: Shane Pearson the new AVID coordinator. Sam Hayman and Shane Pearson are working together on AVID and Science.

DIBELS: State goal is 47.3% making adequate progress. OPA made 94%.

Assessment Changes. Instead of going to the ACT practice tests for 9th and 10th grades, SAGE will remain.

Wildly Important Goals are focused on math this year in both buildings.

We established expectations for common areas. Each teacher is establishing expectations. All expectations based on Be Safe, Be Responsible, Be Respectful, Be Prepared. At the Junior High, the students are setting the expectations.

Teacher break room upstairs was transformed into a Severe Unit.

Security cameras were upgraded. Cameras can be accessed remotely. Gym doors can be locked remotely. Alarm can be set remotely.

New cleaning crew. Gabriel and Maria are great. They work 4-5 hours during the day and then come back in the evening. They help with lunch. They are working on getting their system together.

Debbie has been working on the kitchen system. Breakfast is only at the Elementary. Menus are unified. Gluten free options will be increased. Lunch prices were raised to \$2.00.

We hired a new teacher last week for 3rd grade. He is doing great.
