Not Discussed

F. Facility Committee

Not discussed.

G. Finance Committee

Monty Hardy came to report some options for expansion/extra space based on ending this year with 88 days cash on hand. He projects that we will be taken off a negative outlook for S&P. He brought a board proposal and discussed several options. Portables cost money up front, which impact cash on hand and therefore may not be viable. A better option would be to finance a 10,000 square foot addition to the building over portables. He suggests the Finance Committee RFP some proposals so more accurate data can be obtained. Red Apple has a fee to manage projects and are available.
