II. Public Comment

A. Opportunity for Public Comment

Darby Evans, JH Teacher was in attendance.

Darby implored that the mask requirements be maintained. She referenced a radio announcement that unvaccinated people should wear masks in public. There are some unvaccinated staff for some reason. Darby cares for her parents and her child has a condition that puts them at greater risk. Losing masks now could risk the beginning of next year. Please keep the masks. She thinks that the Elementary and Junior High are split in their choices.

Bill asked Darby how the mask proponents would feel about releasing the masks outdoors. Darby believes that most would absolutely be in favor of allowing masks outside, but not inside.

III. Mask Mandate

A. Governor Cox' Mask Mandate Retraction

The teachers survey was very split on their opinions.

Kasey represented that the elementary are predominantly want the masks removed.

Kasey thinks that there will still be some who wear masks, and that teachers will do whatever we decide.

Teryl talked with teachers who thought the compromise was good.

Molly mentioned that teachers could take their students outside if they choose. It is only 4 days of school left. It is reasonable to stay with our policy.

Tyler mentioned that he sees children who are still getting COVID. There is data that masks do help. Greatest risk is in enclosed areas.

Board members each expressed their support of a hybrid compromise.

T. D'Hulst made a motion to update mask policy to state that masks will remain mandatory indoors, but are optional outside for the remainder of this school year.

S. Mejeur seconded the motion.

The board **VOTED** unanimously to approve the motion.

IV. Finance

A. Financial Review

We have proposals from Eide Bailly and Squire.

Tyler inquired what the \$1,200 higher cost of Squire, and indicated that if we receive the same service, we should go cheaper. Spencer does not have any feedback or concern with using Eide Bailly from schools that use their services.

Eide Bailly will be even cheaper in the future due to the one time fee for switching from FASB to GASB.

The board **VOTED** unanimously to approve the motion.

Cameras: we have some blind spots where there have been issues such as broken windows and disciplinary incidents. The servers will be on a 3 year staggered schedule.

Carpeting: Last year we did some repairs. We will replace the rooms with a carpet tile.

Carpet baseboards would be an additional \$1,190.

Painting: The painting quote increased significantly. We are hoping to reduce the cost through additional research.

Board members asked about the durability of the tiles.

The board **VOTED** unanimously to approve the motion.
