II. Public Comment

A. Opportunity for Public Comment

Camie Walker, 5th grade teacher, spoke about the challenges that elementary teachers are facing. She thanked the Board for giving them Fridays without in person students. Preparation takes hours of time. Students having Fridays to work through remote efforts is helpful. Teachers can hold students accountable. Parent-Teacher Conferences can be an opportunity to address these issues. CANVAS is difficult for elementary teachers. Teachers are burning out. Friday helps teachers collaborate and is necessary not wasted.

Bill expressed appreciation for the teachers' efforts to keep students safe.

Bill asked for a Junior High spokesperson.

Joshua Hoopes, ELA teacher, spoke regarding some of the technology issues that he has experienced. Having staggered schedule is helpful for preparing for classes and videos. Much work has to be done at home due to space issues particularly for teachers who switch rooms. When students are in person he is able to make individual connections.

Bill asked for any suggested resources that may be beneficial. No comment.

Bill invited additional comments. None were given.

T. D'Hulst arrived.

III. Finance

A. Financial Review

Spencer reviewed the budget report. Red items indicate 5% or more behind. Nothing is surprising with what we have received. State revenue is on track. Federal funding is typically allocated later in the year.

Expenses are on track as expected.

We need to continue to watch enrollment and the effect on the budget. Funds are based on ADM and the October 1 count.

We are in a position to absorb a little lower enrollment if necessary.

Unrestricted days cash on hand is over 100!

B. Ellevation

N. Bowsher made a motion to approve the purchase of Ellevation \$13,501.

T. D'Hulst seconded the motion.

Stephanie Wright explained Ellevation. It is an EL management software. The State is providing the funding.

Bill inquired

The board **VOTED** unanimously to approve the motion.

IV. School Update

A. Administrative Board Report

Stephanie Mathers, Kasey Kennington and Debbie Deem reviewed the Board report.

B. Plan to continue or adjust hybrid learning model

N. Bowsher made a motion to continue with the structure as is until December Board meeting.

M. Ward seconded the motion.

What is happening is working. Parents have adjusted, and it isn't ideal; however, it is doable.

It has been beneficial to have the Friday for teachers to work with families.

Stephanie Zwygart asked for public opinion. Jeremy Coleman, elementary computer teacher, has used his Friday time to support teachers with CANVAS. He has seen many 5th and 6th grade students completing their work.

The 1st grade focus has been on student independence.

The board **VOTED** unanimously to approve the motion.

C. Spain Trip Discussion follow-up

An initial meeting was held with only 6 students. There have been a few other students reach out. We typically like to have 25-35 students interested as some drop off over the course of the year.

Rosa and Angela would like to start working on fundraising and not make a final decision for a couple months.

We can defer the revenue if no field trips are able to be taken.

With fundraisers, we can communicate that the funds may be used for other items.

Bill, Tyler and Stefanie will create a survey.
