### **Playground Turf - Elementary**

Would like to put artificial turf underneath the Elementary and ECC playgrounds. Debbie presented the third bids received for this. Discussed how hot the turf can become. We have plans to have the sunshades up and to irrigate it to help keep it cool.

We discussed other options like the foam, which would be twice the price. Also discussed are the long-term durability, subgrades, and the fall rating for them. Maintenance to upkeep this would also be an additional cost in the future. So we will table this for now to look more into the foam vs the turf on annual upkeep and cleanup to get more information.
