The Charter School Commission does not allow airing of complaints in public meetings regarding Commission and charter school employees or school employment matters, in order to protect employee privacy, to comply with Maine law and pursuant to our contractual relation with the schools. To the extent that the Commission receives complaints and concerns relating to school employees in writing, those concerns will be reviewed and addressed by the Commission and its staff outside of a public meeting. This meeting is not the appropriate forum for such comments. You are free to direct your concerns in writing to the Commission's Executive Director, if you have not done so already.
