III. Committee Reports

A. School Performance Committee

Tori reported the School Performance Committee discussed the following:

- The Annual Performance Framework Reports for all Schools.
- The use of a tiered system to rank school performance for greater transparency to the schools.
- Maine Arts Academy's request to increase enrollment.
- The use of the Innovation Fund for Social Emotional Learning ("SEL") curriculum. The Committee does not believe this use meets the criteria for the Innovation Fund, but suggested that if a school demonstrates a need for SEL resources, the Commission should provide resources to pay for it.

B. Finance Committee

Brian and Lana reported the Finance Committee discussed the following:

- School financial performance in SY2024-25. Nothing overly concerning was reported. The staff and Joe Drago will monitor and work with schools on any red flag areas that arise.
- Public Instrumentality transition - Bank accounts have been opened.
- Commission oversight fee - The Committee determined that the fee will remain the same as last year.
- Maine Arts Academy's request to increase enrollment.

C. Executive Committee

Leigh reported the Executive Committee discussed the following:

- The Annual Performance Framework Reports for all Schools.
- Public Instrumentality transition.
- Maine Arts Academy's request to increase enrollment.

Tom asked if the Executive Committee has considered a public relations campaign. Leigh and Lana agreed this would be worthy of future conversation.

IV. Public Comment*

A. Public Comment

Susan Muzzy shared CRCS held a free Farm to Table Family Garden Meal on October 23rd. The menu items were planted, cultivated, and harvested by learners. In addition, 30 lbs. of produce from the farm were provided to families.

Casey Frederick noted that a CRCS outing club has been formed and is available to all Overman Academy learners. The school partnered with Skowhegan Outdoors a local non-profit promoting free programming of outdoor activities. Some of the activities they have participated in are geocaching, trail maintenance, visits to natural museums, hiking, canoeing, fly tying, overnight camping, etc. Many more activities are being planned.

The next Community related project is Gift of Giving which is a free store for CRCS Community's holiday season.

V. Executive Director/Commission Staff Report

A. School Updates

Lana provided the following school updates:

Maine Arts - Students will have an art opening and receptionist on Friday, November 28th through New Years at the Michael Paul Gallery in Hallowell; The Dance Company will perform Break, Burn Build at Colby College on November 14th and 15th; The school is going to donate Thanksgiving dinners to families in need and hold a food drive.

ELC - Biology & College Statistics students engaged in a service-learning project by planting native shrubs.

MCA's Student of Month is Marie Metcalf, a talented gymnast who devotes 9-11 hours each week to training. MCA allows her to successfully pursue both school and gymnastics.

Moxie Public Schools is in its pre-operational year with a primary goal of finding a facility. They are currently focused on a facility in South Portland. The school has received a \$60K enrollment support grant and has formed a student advisory group to help design the school. Their website went live with enrollment interest forms, and they have begun to receive them.

B. Organizational Updates

Lana provided the following organizational updates:

The Annual Performance Framework Reports will be received and placed on file later in the meeting. The staff has been put together the documentation over the last few months. Lana thanked the school leaders and boards for providing information, Amy Allen as the primary data collector and author of the reports, Sue and Joe for the financial

portions of the reports. Tori noted the volume of information in the reports and that they provide a clear view of school performance.

Lana attended the National Association for Charter School Authorizers ("NACSA") Conference in Houston, TX. She came away with ideas about making reporting to the public more transparent.

Tom asked Lana for a follow-up on her attendance at an Edunomics seminar. She reported that she receives useful newsletters, and their website is well maintained. She will send on a link.

Professional Development focused on finding, recruiting and retaining board members with Mike Mizzoni from BoardOnTrack was provided for charter school board members & leaders. Representatives from seven of ten schools participated. Victoria Criado of PLT Strategies will be meeting with school leaders for communications training on November 13th at Maine Virtual Academy's offices.

The Finance Committee agreed to keep the school fee that funds Commission activities at 2.45% for FY27. The Committee acknowledged the financial challenges at the schools and agreed to use savings related to the new Commission structure and increased revenue from the addition of a 10th school, to maintain the fee at the current level. Leigh suggested to communicate to the schools that maintaining the fee at current levels does not happen automatically. It is an annual evaluation.

Tom asked about updates to the MCSC website including Commissioner biographies and the informational one-pagers handed out at the Hall of Flags event. Lana reported that the staff is looking at developing a new website but will make updates to the existing site in the meantime.

C. Media Updates

Lana was quoted on Maine Public Radio on the subject of charter school enrollment.

VI. New Business Requiring Approval and/or Acceptance

A. To Receive and Place on File the SY2024-25 Annual Monitoring Reports

Tori Kornfield made a motion to receive and place on file the SY2024-25 Annual Monitoring Reports.

James Ford seconded the motion.

Lana explained that Annual Monitoring Reports are written for each school based on their performance on the Commission's framework. The reports for SY24-25 include end of year results, a self-evaluation, and notes from mid-year and end-of-year meetings with staff.

Lana provided a brief summary of results.

Generally, the portfolio is in a strong position. Family interest is strong, and enrollment is up by 115 to 2,382 students with wait list of 714.

Portfolio strengths include:

- Reading proficiency
- Growth in reading & math performance
- Academic subgroup growth
- Graduation rates and Accuplacer results are strong
- Satisfaction rates with teachers and families are up
- Student persistence is good
- Finances are stable even though the funding model is complicated and schools operate on less than public schools
- Boards are engaged

Lana noted that for some schools, while growth is good, it has not been enough to bring students up to grade level proficiency. This is a complex issue to explore along with survey results for some schools indicating poor school climate and academic rigor. Also, growth is still needed in math performance and attendance for about half of the schools.

The School Performance Committee discussed each school in detail. They noted strong academic scores at Baxter Academy and Ecology Learning Center and reading scores at Maine Arts Academy along with Maine Arts Academy's integration with their community. They placed Maine Connections Academy, Maine Virtual Academy and ACADIA Academy in the middle of the performance pack with some areas of strength and some areas of needed growth. They identified Community Regional Charter School and Fiddlehead School as schools with the most room for improvement.

The board **VOTED** unanimously to approve the motion.

Aroostook Huskies captain named Maine Connections Academy STAR Student of the Month

HUSKIES FOOTBALL

MAPLETON, Maine – Brandon “BJ” Brown, 17 of Mapleton, has been named the STAR Student of November at Maine Connections Academy, a [tuition-free online public school](#) serving students in grades 7-12 statewide. Brown is being recognized for his academic success and achievement as the captain of the [Aroostook Huskies Football Club](#)’s championship team this November.

The Huskies are a part of the Maine Independent Football League, which plays against other teams in China and Berlin, New Hampshire. After a long season of travel and balancing schoolwork, Brown’s team claimed the 2025 championship 36-32 on Nov. 8.

With only three years of football under his belt, Brown has made it a major focus during his high school career. He has made a name for himself on both the offensive and defensive lines of the Huskies and was awarded best lineman in 2025. He became the captain and helped lead the self-funding activities to keep the independent team equipped for the season. Brown has been thankful for the amazing efforts of his head coach Stuart Wyckoff and next-level insights from former NFL player [Daren Stone](#), who specialized in elevating the wide receivers and cornerbacks on the team.

As a student athlete, Brown has had a unique journey. His family had a difficult time with the hybrid situation schools had to adapt to during the COVID-19 pandemic. Brown's mother Janet began researching online schooling and found Maine Connections Academy. She enrolled him in seventh and eighth grade. After trying his local brick-and-mortar school for his ninth grade year, Brown realized Maine Connections Academy was the right path for him, so he re-enrolled for his grade 10 year and has been there ever since.

"It was so easy to get up and go," says Brown about starting at Maine Connections Academy. Instead of trying to learn five subjects a day in the brick-and-mortar school setting, he found it much easier to focus on each subject individually online to complete his monthly and quarterly coursework.

Brown admits, "I'm happy to come back to finish off my education here." Though he is a big fan of history, he is currently loving his introduction to statistics class.

Though Brown has an amazing aptitude for study and scholarly work, he has set his eyes on football scholarships throughout the country. Barring this, he has set his goals to enlist and serve in either the Army or the Marines. Many of his friends, family, teammates and teachers are excited to see where Brown brings his talents and capabilities as he closes out his senior year and looks to the future.

Summary of the activities of the board or commission related to accomplishing its mission in 2025:

In 2025, the Commission continued its monitoring and oversight of Maine's charter public schools. Applications for a new school were received in early 2025 and after a rigorous review process, MOXIE Public Schools' application was approved, and the school will open in the Fall of 2026. The Commission launched a Strategic Plan that will drive its work through 2028 and legislation to reclassify the Commission as a public instrumentality of the state became law in September 2025. In October, the Commission voted to renew both the ACADIA Academy and Maine Arts Academy charter contracts for 5 years each. The daily work of the Commission is carried out by a staff of three - Executive Director, Operations Director, and Business Manager.

Public Charter School Governing Board Member Information Sheet

Name of Public Charter School _____ Baxter Academy for Technology and Science _____

Name of Board Member _____ Linda Chaudron, MD, MS _____

Email Address _____ info@baxter-academy.org _____

Occupation _____ Physician _____

Please respond to the following questions:

1. 1. Why do you wish to serve on the governing board? Throughout my career, I have been involved in the education of healthcare providers. Serving on the governing board of a charter public high school that emphasizes innovation, technology, and science fits perfectly with my commitment to promoting high-quality education that prepares students for the workforce of tomorrow. Additionally, this role provides a meaningful way to contribute to the community, support students, and strengthen public education.
1. 2. What is your understanding of the educational needs of students in the catchment area? Students have diverse educational needs and requirements, including, but not limited to, disciplines such as science, technology, engineering, mathematics, languages, social sciences, and the arts.
1. 3. Please list any previous or present educational involvement; such as board member, budget committee, citizens committees, etc. List school(s) or district(s). I do not have any experience with K-12 education committees or boards.
1. 4. What special qualifications do you have that will help you to be a board member? As a physician, educator, and researcher, I offer insights into the knowledge and skills necessary for success in healthcare, research, education, and related fields.
- 2.
3. 5. What is your understanding of the role you will play as a public charter school board member? As a board member, I will help ensure the school meets its mission and educational standards, approve budgets and contracts, evaluate the director, and liaise with the community.

Public Charter School Governing Board Member Information Sheet

Name of Public Charter School _____ Ecology Learning Center _____

Name of Board Member _____ Beth Arnold _____

Email Address beth.arnold@ecologylearningcenter.org _____

Occupation _____ Educator _____

Please respond to the following questions:

1. Why do you wish to serve on the governing board?

With a nod to my teenage years and as a compassionate outdoor educator, I am thankful for the opportunity to support the ELC with its important work. The pedagogy of outdoor and project-based learning is not an easy structure to administer, but it is beneficial to the students. I want to lend my professional expertise, if needed, to the staff and the school's betterment.

2. What is your understanding of the educational needs of students in the catchment area? It is apparent that the demographic of the ELC student body is creative, smart, unique, and sometimes marginalized. Some are challenged at home and socially. But from the visits that I have experienced, they all seem to find a home at the ELC. There is also a financial challenge for many of the enrolled students.

3. Please list any previous or present educational involvement, such as board member, budget committee, citizens committees, etc. List school(s) or district(s).

I worked for 14 years, most recently as a Unity College (Unity, Maine) faculty member working beyond the classroom with recruitment, governance, curriculum, and risk and safety management, as well as co-curricular programming.

4. What special qualifications do you have that will help you to be a board member? A wide experience base in outdoor teaching and learning pedagogy, as well as safety and risk management protocols.

5. **What is your understanding of the role you will play as a public charter school board member?** I expect to collaborate with board members and school staff to provide strategic leadership- on numerous topics related to operations. Support and provide joint oversight through discussion and balanced decision-making. I will also support the school, staff, and students with my attendance of school functions. I also expect to lend my professional expertise to support the staff and school direction when needed or advisable.

Public Charter School Governing Board Member Information Sheet

Name of Public Charter School: [Fiddlehead School of Arts & Sciences](#)

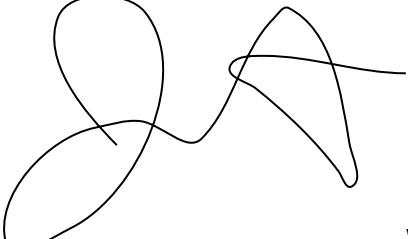

Name of Board Member [Joanne D'Arcangelo](#)

Email Address joannedamaine@gmail.com

Occupation : [Semi-Retired Consultant \(Nonprofit Management & Public Policy\)](#)

Please respond to the following questions:

1. Why do you wish to serve on the governing board? **I'm inspired by the role FSAS and its leadership play in offering an alternative and proven teaching philosophy that serves children in different and equally enriching ways as public district schools.**
2. What is your understanding of the educational needs of students in the catchment area? Like in all school districts across Maine, the diversity of learning styles and preferences among children/young people deserves diversity of educational and teaching approaches and philosophies. Charter public schools offer that vital option.
3. Please list any previous or present educational involvement; such as board member, budget committee, citizens committees, etc. List school(s) or district(s). **I have no direct teaching or management involvement in Maine public schools, but I have extensive experience serving on nonprofit boards, as well as training and coaching nonprofit leaders in NP governance and management as a trained facilitator and mediator. I also have experience as both a public policy advocate/lobbyist and as Chief of Staff to Maine legislative leaders.**
4. What special qualifications do you have that will help you to be a board member? **I bring group facilitation skills to help lead meetings or larger community conversations; I have public policy experience and can assist at the ED's request with compliance; and I am always willing to ask questions in order to learn more!**
5. What is your understanding of the role you will play as a public charter school board member? **I am serving as Board Vice Chair and facilitating FSAS's visioning & strategic planning process to update its current long-term plan, to ensure alignment with current challenges, opportunities, and needs.**
